
Remastered

Reflecting the comfort and craftsmanship of knitting and other hand crafted textiles, the *Remastered Collection* intertwines style with convenience. Available for Quickship, *Essential Elements* and *Reassurance* deliver a duo of refined, level multi-colored patterned loop broadloom products that function beautifully throughout or as engaging defining insets within other Mohawk Group commercial floor covering products. Remaster and refine your everyday interiors with seven coordinating colorways in each product.

Colorstrand FIBER

For over 15 years Colorstrand fiber has continually exceeded the demanding expectations of our customers for their projects. With the design flexibility and color intensity of solution dyed fiber, Colorstrand delivers lasting beauty and value. And Colorstrand has the added benefit of third party UL certified 40% recycled content.

colorstrand.

PERFORMANCE

- Unsurpassed colorfastness to light, atmospheric contaminants, and harsh cleaning agents in Colorstrand SD
- Sentry Plus Soil® and Stain Protector keeps your investment looking newer longer
- Can be engineered to achieve the most severe TARR ratings

BUDGET

- Internally extruded fiber allows cost control of products
- Numerous broadloom and modular products available at value engineered budgets

SUSTAINABILITY

- 40% certified Pre-Consumer Recycled Content* (third party certified by Underwriters Laboratory®)
- Mohawk products tufted with Colorstrand are CRI Green Label Plus® certified for VOC emissions
- Recyclable through Mohawk's ReCover Program

DESIGN

- A wide variety of colors for excellent design flexibility

SERVICE

- Quickship Styles available within 10 days providing what you need when you need it
- 100% vertically integrated providing unsurpassed lead times and service reliability

Weldlok® STANDARD PERFORMANCE BACKING

Weldlok® is Mohawk Group's standard broadloom backing system specifically designed for commercial applications. The Weldlok backing is laminated to our products utilizing a commercial thermoset adhesive. This adhesive is designed to encapsulate and penetrate the carpet back stitch in the main application coat, while the second application coat secures the secondary backing to the carpet substrate for a cost effective performance standard.

PERFORMANCE

- Standard backing specifically designed for commercial applications
- Excellent pattern match capabilities
- For use with direct glue or stretch in installations
- 10 year Limited Warranty
- Excellent choice for most commercial environments

BUDGET

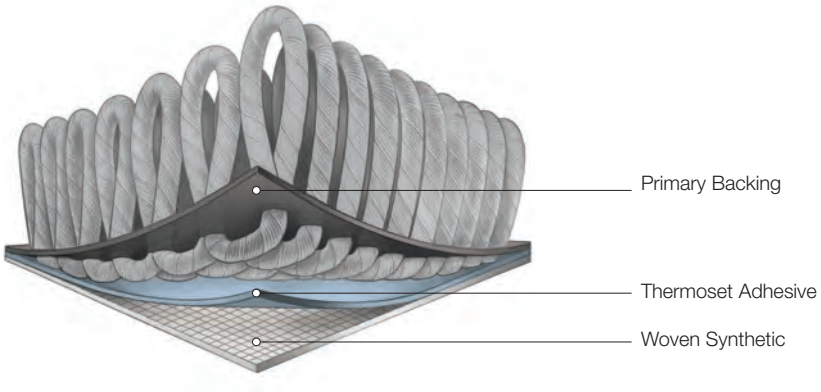
- Standard performance backing system for the most budget conscious projects

SUSTAINABILITY

- Recyclable
- May contribute to or comply with LEED credits MR 4.0, MR 5.0, IEQ 4.3 and innovation credit for NSF 140
- Certified Gold in accordance with NSF/ANSI 140
- Certified low VOC's under CRI Green Label Plus Program
- Compliant with LEED EQ 4.1 low VOC emitting when installed with Mohawk Group recommended adhesive and seam sealer
- Declare label and HPD information available

SERVICE

- Products available through Quickship offering (up to 2,000 square yards within 10 business days)



Transparency SUSTAINABLE LEADERSHIP

Mohawk Group leads the building products industry in transparency with the largest selection of products with Declare Labels, Health Product Declarations (HPDs), and Environmental Product Declarations (EPDs). What's more, we offer over 500 Red List Free Declared products.

Declare.

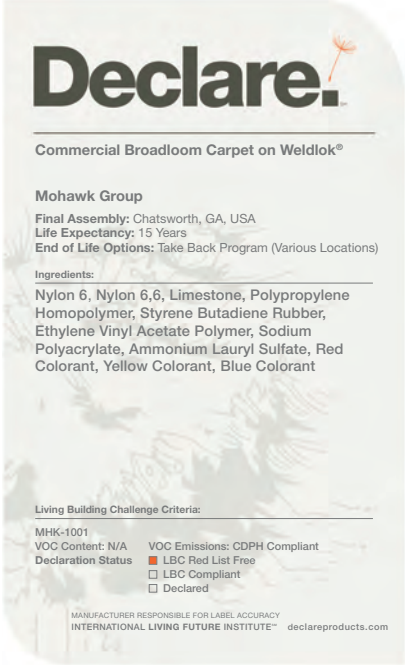
OUR COMMITMENT

As a Gaia sponsor of the International Living Future Institute (ILFI), we are committed to revolutionary programs that are redefining the green building movement. These include the ILFI's Living Building Challenge and Declare programs.

Declare Labels are a 'nutrition label' for the building industry, providing ingredients, source and manufacturing locations. We offer you:

- The most products with Declare Labels
- The most Red List Free products

We have eliminated the mystery of product ingredients so you get total product transparency.*



Mohawk Group utilizes multiple platforms for disclosing our transparency information, including: Designer Pages, Mindful Materials and the Declare Database."

Declare. EPD® Health Product DECLARATION

Warranties	Lifetime Limited Wear Warranty, Lifetime Limited Colorfastness to Light, 10 Year Limited Colorfastness to Atmospheric Contaminants, 10 Year Stain Warranty, Lifetime Static

Mohawk Group warrants its adhesives for the life of the original installation only when a Mohawk Group style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk Group adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

These patterns contain inherent characteristics which may result in pattern run off and/or pattern appearance variations at the seams or tile edges (darker or lighter pattern lines). These characteristics are inherent in the patterns and are not manufacturing defects. Consideration to these characteristics should be given when selecting an installation method.

Chair pads are recommended under office chairs with roller casters to preserve appearance retention, act as a deterrent toward delamination and to prevent premature or accelerated wear. Walk-off tiles from the Tuff Stuff II Collection are recommended at entryways to reduce soiling.

Mohawk Group is providing this architect folder for the purpose of promoting our commercial business. This folder and its samples shall remain the property of Mohawk Group. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations.
