

## Caring For Your Mattress (cont.)

- Do not place a board between your mattress and box spring (foundation).
- Upon arrival, dispose of all packaging materials to allow your sleep set to breathe before adding sheets.
- Your Hassle Free mattress is to be used only with the matching Hassle Free box spring to ensure your mattress warranty protection.
- Use a frame and center support with support legs appropriate for your mattress sets. Beds require at least 4 cross slats and 4 center support legs that touch the floor.
- King beds require a center support running from the headboard to the footboard with 2 supporting legs and 4 cross slats.

### Appropriate Frames:

We reserve the right to refuse service and invalidate this Limited Warranty when, upon inspection, the product (mattress or box spring) is found to be in unsanitary condition, or when product failure is due to causes other than defective material and/or workmanship. Each mattress is designed for full performance when used with a matching box spring (foundation); your warranty will not cover resulting mattress damage.

### EXCLUSIVE REMEDY AND OTHER LIMITATIONS

THE LIMITED WARRANTY EXCLUDES ANY AND ALL IMPLIED WARRANTIES ON MATTRESSES AND BOX SPRINGS, INCLUDING ANY WARRANTIES OF MERCHANTABILITY (AN UNWRITTEN WARRANTY THAT THE PRODUCT IS FIT FOR ORDINARY USE) OR FITNESS FOR A PARTICULAR PURPOSE.

The Limited Warranty set forth herein is the only warranty for American Signature mattress and box springs and may not be modified by any store or production facility.

This Limited Warranty shall be your sole and exclusive remedy in the event of product failure during the warranty period. American Signature shall not be liable for incidental and consequential damages (the cost of repairing or replacing other property which is damaged when the American Signature product does not work properly) arising out of the use or inability to use this product, or for the breach of this or any other expressed or implied warranty. We do not warrant that this product is suitable for any person's medical condition. American Signature makes no warranty beyond what is contained in this Limited Warranty.

### HOW STATE LAW RELATES TO THE WARRANTY

Some states do not allow limitations on how long an implied warranty lasts, so this limitation may not apply. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply. This Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state. American Signature does not authorize any person to create for it any other obligation or liability in connection with this warranty.

## What's Not Covered

- The mattress or box spring fabric cover.
- Fabric stains, soiling or burns.
- Slight body impressions. (less than 1½ inches) or (less than 1 inch in Miracle Foam beds)
- Border wire bent due to mishandling.
- Handles. Mattress handles are not designed to carry the full weight of the mattress. They are to help position, not lift or carry the mattress.
- Comfort preference.
- Sheet fit. We do not warrant the fit of a particular sheet size.
- Transportation charges.
- Damage to the mattress or box spring due to excessive abuse or inadequate support. (see care instructions)
- Hassle Free mattresses not used on matching sleep system foundation.
- Normal increase in softness of the memory foam or latex material or a decrease in the slow recovery feature. Neither of which affect the qualities of the mattress.
- Replacement of another piece in a set unless it is also defective.

Body impressions. Your mattress has been constructed with the finest materials. It is designed to conform to your unique, individual contour. Your sleeping position may result in “body impressions.” This is normal and not a structural defect, but merely the localized compacting of upholstery materials.

Severe impressions. These are body impressions which exceed 1 ½ inches in depth below the normal level of the product. Severe impressions are covered by this Limited Warranty.

## Caring For Your Mattress

- Even though our mattresses are designed to stop the spread of fire, don't expose this product to fire or an open flame. This mattress is not flame or fireproof and can ignite and/or burn if exposed to fire or open flame. When ignited, some materials used in bedding can burn and emit smoke and hazardous gases.
- Use the handles to position your mattress. Do not use them to carry the mattress. Carry mattress upright. It's not only easier to handle, it's less likely to damage the mattress.
- Bending or jumping on your mattress can cause damage to the innerspring unit.
- Keep your mattress clean and use a mattress pad. Stains of any kind will void the warranty.
