adler rivet

Dining Table 84" w x 42" d x 30.5" h 70ADRIV74KT

organically stunning

An elevated outdoor dining set, our Adler Rivet Collection is designed with stunningly beautiful reclaimed elm bases. This naturally elegant lumber is salvaged from solid beams collected from centuries-old buildings. Each durable piece is constructed and finished by hand to accentuate the wood's natural features and protect it from year-round use. Each wood base is complemented by a reconstructed stone top that's 65 percent stronger than concrete and 40 percent lighter than stone. Reconstructed stone is accented with aluminum rivets for added contrast of color and texture.

product details

- ► Adler bases are constructed from reclaimed elm wood salvaged from centuries-old buildings.
- Reclaimed-wood is hand-finished in a natural tone to bring out its organic features.
- ▶ Reclaimed wood is sustainably sourced as a way of contributing to healthy and renewable ecosystems.
- ▶ Reconstructed stone accented by aluminum rivets was selected to complement each reclaimed elm base.
- ► Reconstructed stone is 65 percent stronger than concrete and 40 percent lighter than stone.
- ► Each reconstructed stone slab boasts a unique appearance, so no two will be exactly alike.
- ▶ Reconstructed stone features our hand-applied Fossil finish and lacquer for added protection.
- ► Finishes are durable enough to withstand daily use; but, as with all fine, wood finishes, should be protected from heat and moisture.
- ▶ Designed to resist the elements, this collection is suitable for year-round use.
- ► Tops and bases are shipped unassembled.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

enduring style and comfort

Our interpretation of 5th century Greek Klismos design, our Adones Outdoor Collection introduces modern styling to traditional aesthetics. Resulting in a versatile, transitional look, each artisan-crafted piece features a graceful silhouette and durable, sustainably built frame constructed from solid teak wood. Selected for its natural resistance to the elements, teak's natural oils resist moisture and prevent drying, preserving the wood's stunning features season after season. Cushions are made from mold- and mildew-resistant, antimicrobial foam and covered in durable Sunbrella® fabric.

product details

- Frames are artisan-crafted using sustainably harvested teak wood, selected for its natural beauty and durability.
- Teak surfaces are hand-finished in our Driftwood Grey patina, which is wirebrushed to add a weathered effect and accentuate every rich tone.
- Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- Teak is also resistant to fungal decay, rotting, warping due to weather and temperature.
- Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- Hairline-cracking and peeling of stained outdoor wood is a normal reaction to the elements and may occur over time relative to care and use. This natural aging is typical, will add unique character to your piece, and is not considered a defect.
- ▶ Dining tables feature holes to accommodate outdoor umbrellas.
- ► Cushions are covered in durable Sunbrella® fabrics.
- Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

modern, transitional outdoor seating

The versatile design of our Alba Collection is thoughtfully crafted to complement any outdoor seating arrangement with an artfully chosen mix of materials. Subtle variations in traditional, all-weather wicker frames, finished in a beautiful neutral grey, add depth and texture. Tapered, aluminum legs provide a contrast in color and a modern sheen. Comfortable, American-made cushions are padded with dense, antimicrobial foam and covered with weather-proof Sunbrella® fabric—ideal for pool-side or patio lounging.

product details

- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.
- ► Handwoven all-weather, resin wicker is specially formulated and finished to resemble authentic rattan.
- Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- Artisans weave fibers around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture.
- Designed to resist the elements, this collection is suitable for year-round use.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

Laissez les bons temps rouler.

While traveling through the South, we found a table that took us right to the French Quarter of New Orleans. Reminiscent of the fanciful metalwork found on balconies throughout the streets of the Big Easy, we created Amia, a collection sure to bring the good times into the great outdoors. Constructed out of hard-cast aluminum, Amia easily fits into the aesthetic of your outdoor living area—from

the all-weather and durable bluestone top to the chic elegance of the frame, Amia exudes old-world charm. Available in coffee, bistro, console and end tables for a pulled-together look, or mix-and-match with other collections for a vintage, French Flea Market feel.

HANDCRAFTED OUALITY

Arhaus furniture is made with great care and attention to detail. Our collections are distinctive, designed to bring pleasure to you in your home for years to come. Each piece is handcrafted, made using traditional skills and techniques, and hand-painted, distressed and finished to ensure each item becomes an heirloom in your home.

RENWABLE RESOURCES

Arhaus is unique in our commitment to preserving natural resources. Our Corporate Rainforest Policy states that we will not sell merchandise made of timber from the world's endangered rainforests. In all cases, the wood was harvested from renewable resources.

LIMITED LIFETIME WARRANTY

Arhaus warrants all products to be free of defects in material and workmanship. We will repair, or at our option, provide reasonably equivalent furniture valued up to the original purchase price. Fabric, leather and material are not covered by this warranty. Please ask your Interior Specialist for complete details and exclusions prior to purchase based on your personal vision, there is additional time involved. Also, due to this specialization, we regret that we cannot accept cancellations on these pieces. Consult with your Interior Specialist for more details on custom order items.

All dimensions can vary slightly due to the hand-built nature of our furniture.

Bistro Table 70AMBSTRBS 63" w x 36" d x 30" h

Coffee Table 70AMCOFBS

Overall: 54.5" w x 27.5" d x 18" h Base: 18" w x 44" d x 17"

End Table 70AMENDBS 24" w x 24" d x 25" h

Console Table 70AMCONBS 48" w x 18" d x 31.5" h

product details

- ► Artisans handcraft these all-weather pieces from rustproof aluminum with precision welds and reinforced stress points. They then apply a weather-resistant and UV-inhibiting coating that's 10 times more durable than paint. This furniture is picture-perfect from any view and virtually maintenance-free.
- ▶ Rustproof, handcrafted powder-coated aluminum frame is hand-coated in a specialized aluminum powder, then heated in a process that raises the temperature to more than 200 degrees centigrade creating a protective water and rustproof barrier against the elements.
- ► Each piece is powder-coated in either white or charcoal.
- ▶ Bluestone cut from mountains in Northern China, near Mongolia, is harvested and carved by hand to form our tabletops. Also used by local sculptors to form wonderful works of art, this elegant, durable stone is 100 percent natural and maintains its beautiful marbling and color variations, making each piece truly unique.
- ► Features a weather-resistant and UV-inhibiting coating that's 10 times more durable than paint.
- ▶ Oil-rubbed bronze finish.

recommended care

- Protect your outdoor living collection with our exclusive Arhaus Outdoor Covers.
- ► Hand-wash metal with mild soap and water. Use a soft sponge. Do not use abrasives as they may scratch the surface of this collection. Allow to air dry.

- ▶ We recommend using Simple Green® or a similar cleaning agent designed for stone tabletops like Meyers®, Stone Magic® and Rock Doctor®, among others. All are available at hardware, bed and bath, and some grocery stores.
- Always use a clean, soft cloth.
- ► Avoid using too much cleaner or soap as this may leave a film. Rinse the surface area thoroughly and dry with a soft cloth.
- ▶ Do not use scouring powders or creams or products that contain lemon, vinegar or other acidic and/or abrasive solutions (for bathrooms, grout or tile) as these may scratch the finish.
- Window cleaner is not recommended, as it will remove polish over time.
- ► Spills should be removed immediately with a damp cloth.
- ▶ Use coasters, trivets and felt pads under objects to preserve the finish of this piece.
- Never place hot dishes on surfaces; we recommend the use of felt-backed tablemats.
- Prolonged use of hot electrical equipment on top of furniture may also cause scorching.
- ▶ Do not drag piece(s) across the floor as this will cause damage or weaken joints.
- Dropping furniture onto corners or feet will cause damage.
- ► Toys, buckles and heels will scratch furnishings—try to prevent these objects from coming into contact with your piece(s).
- ► This collection was designed and constructed to be used outdoors. Cover or store indoors during the winter season and in extreme weather.

comfortably chic

Our clean and contemporary Arlo Collection features a chic design defined by its simple, linear silhouettes and minimalist styling. Weatherresistant aluminum frames are hand-finished in a neutral grey tone and coated in a specialized aluminum powder, which creates a moistureand rust-resistant, UV-inhibiting coating that's 10 times more durable than paint. Seating is complemented by easy-to-maintain cushions, comfortably padded with anti-microbial foam and covered in all-weather Sunbrella® fabric. Coordinating dining furnishings provide the perfect setting for gatherings.

product details

- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- ► Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.
- Frames are hand-painted with a durable, grey finish.
- ► Aluminum frames feature a hand-applied, powder-coating, which creates a protective, water- and rustproof barrier that's 10 times more durable than paint.
- ▶ Dining table features a 1.75" diameter hole to accommodate outdoor umbrellas.
- ▶ Designed to resist the elements, this piece is suitable for yearround use.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

ARHAUS ARLO CHAISE LOUNGE ASSEMBLY INSTRUCTIONS

PARTS INCLUDED

Α	1	LOUNGE BACK
В	1	LOUNGE SEAT
С	2	PLASTIC WASHER
D	2	LONG BOLT
E	2	NUT
F	2	FLAT WASHER

ASSEMBLY INSTRUCTIONS

- 1. Carefully unpack the contents in the carton.
- 2. Place the lounge back (A) on a non-abrasive flat surface. Align the holes on the lounge back (A) with the holes on the lounge seat (B) and attach them together by inserting bolt (D) through the holes. Plastic washer (C) need to be placed between seat and back. Once the bolt in place, securely tighten it with flat washer (F) and nut (E). Repeat the same steps for the assembly of the other side.
- 3.Assembly is complete.

CARE INSTRUCTIONS

1.Clear periodically by wiping the frame with a soft clean cloth slightly moistened with water.wipe dry 2.Do not use abrasive clean, chemical cleaners, or metal polishes. The metal frame has a protective lacquer finish that could be damaged by chemical or abrasive cleaning agents.

ARHAUS

Designed to perfectly complement evenings with company and conversations over wine-

these modern outdoor dining chairs are inspired by classic bistrostyle chairs typically found on the terraces and streets of European cafés. Their durable frames are skillfully constructed of aluminum, while backs and seats are intricately woven together using allweather resin wicker. Alternating waxed and matte black finishes are meticulously arranged to form a chic chevron pattern.

NATURAL WOOD

Each piece will have slightly different shading and grain patterns and, due to the nature of a multi-layered finish that is hand-applied by our craftsmen, there wil be variation from piece to piece. Some small splits may occur but will only add to the piece's character. Knots and joint lines are a natural property and add interest without affecting performance. All natural wood will display movement from season to season because of changes in temperature and humidity.

HANDCRAFTED

Arhaus furniture is made with great care and attention to detail. Our collections are distinctive and designed to bring pleasure to you in your home for years to come. Each piece is handcrafted, made using traditional skills and techniques, and hand-painted, distressed and finished to ensure each item becomes ar heirloom in your home.

RENEWABLE RESOURCES

Arhaus is unique in its commitment to preserving natural resources. Our Corporate Rainforest Policy states that we will not sell merchandise made of timber from the world's endangered rainforests. In all cases, the wood we use was harvested from renewable resources

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

ARHAUS

product details

- Chairs feature a black, distressed finish, which alternates between matte and waxed sheens to create a chic chevron pattern.
- ► Handwoven all-weather, resin wicker is specially formulated and finished to resemble authentic rattan.
- Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- Artisans weave fibers around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture.
- ▶ Aluminum frames feature a hand-applied, powder-coated finish, which creates a protective, water- and rustproof barrier that's 10 times more durable than paint.

recommended care

- ▶ Protect your outdoor furnishings with Arhaus Outdoor Covers.
- ▶ Dust frames occasionally with a soft, dry cloth.
- ► Wipe aluminum clean with a damp cloth.
- ▶ Clean furniture frames by rinsing off dirt and debris with a hose.
- Avoid letting water stand on furniture. Wipe dry with a soft cloth.
- Cover or store indoors during the winter season and in extreme weather.
- Clean fabric and ensure cushions are free of moisture before storing.

natural style

With a natural texture and modern form, our new Avalon seating provides an extra touch of modernity to weatherproof all-weather wicker. Cushions made from antimicrobial foam covered in durable easy-care outdoor performance fabrics offer classic, all-weather styling while standing up to the elements season after season. Resin-wicker frames are handwoven by artisans around sturdy, rustproof aluminum frames and finished with varying high and low tones to perfectly mimic authentic rattan.

- Designed to resist the elements, this collection is suitable for year-round use.
- ▶ Our Arhaus exclusive All-Weather Resin Wicker is specially formulated for design and durability to create the highest quality outdoor furnishings possible.
- Perfectly mimicking the beauty of authentic natural materials, our resin wicker is colored with varying high and low tones. Masterfully dry-brushed finishes create organic textures that add depth to woven surfaces.
- All-weather wicker surfaces are handwoven by artisans around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture that will last season after season.
- Incredibly relaxing and supportive, our lofty, zippered outdoor cushions are padded with high resiliency, antimicrobial foam and covered in weather-resistant Sunbrella® or Inside Out® performance fabric.
- Dense foam padding is extremely resilient and enables high elasticity—providing ideal support and distributing pressure across cushion surfaces, helping them bounce back from continual, heavy use.
- Made in Mexico, our cushions are mold- and mildew resistant and are sustained by an outdoor elastic support system that extends the life of cushions and cradles your body for lasting comfort.
- ▶ Polyester fibers encase the foam cushion cores to provide additional comfort.
- Cushion fill is completely sealed in a water-repellent covering with zip closure, featuring serged interior edges to enhance cushion strength and longevity.
- Woven of 100% solution dyed acrylic, Sunbrella® and Inside Out® fabrics are easy to care for, stain resistant, color fast, and provide up to 98% UV protection.
- Unlike yarn-dyed fabrics where the color is surface deep, solution-dying completely permeates fibers, resulting in colorfast fabrics that withstand even the harshest elements.
- Order replacement cushions to complement your handcrafted Arhaus outdoor furniture. Or, order cushions in a different fabric to completely transform the look of outdoor spaces.
- Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

bring the comfort and luxury of your living room to your outdoor space.

Inspired by the clean-lined silhouettes of contemporary indoor sectionals, our Bal Harbour Outdoor Sectional features deep seats for hours of comfortable lounging. This collection's simple yet versatile three-piece design is adaptable to any space regardless of size. Handcrafted frames are built using natural teak, a beautiful hardwood perfectly selected to endure the elements year-round while adding an organic framework to your outdoor living area. Teak is resistant to fungal decay, rotting, and warping, and its natural oils help resist moisture, repel insects, and prevent drying.

- Cushions are slipcovered in Sunbrella® fabric.
- Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildew-resistant, antimicrobial foam.
- lacktriangledown Artisan-crafted using natural teak wood, selected for its natural beauty and durability.
- Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- Teak is also resistant to fungal decay, rotting, warping due to weather and temperature.
- Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- ▶ Sectional components are held together by connecters to prevent shifting.
- ▶ Ottoman can be ordered without a cushion to serve as a complementary coffee table.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

classic design

Our Baldwin Outdoor Collection was designed with classical styling to frame an inviting outdoor living space. Every piece was craftsman-built by dedicated artisans, using kiln-dried, cross-directional, marine-grade plywood, giving it the strength to withstand the elements. Timeless silhouettes feature traditional, rolled arms and a skirted base. Tailored, machine-washable slipcovers—available in all-weather Sunbrella® fabric—are sewn by skilled seamstresses to ensure a perfect fit.

- ► All-weather cushions are slipcovered in Sunbrella® fabric.
- Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam sustained by an elastic support system.
- ▶ All-weather frames are constructed of kiln-dried, crossdirectional, marine-grade plywood—the same wood used to build boats.
- All joints are reinforced and weatherproofed with water-resistant glue to guarantee years of structural reliability.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

Lounge as if you were in your living room and enjoy the sights and sounds of the outdoors.

Our stunning Baybrook Chair features a wide and tall back inspired by classic, wingback armchairs made popular during the 1700s—sometimes called "fireside" chairs due to their draft-blocking shape. The frame of this chair is skillfully constructed of enduring aluminum, while the silhouette is intricately woven and sculpted

from all-weather wicker finished to resemble the look and feel of antique rattan. The chic houndstooth finish is meticulously hand-distressed and hand-painted using grey, tan and cream tones, while the teak legs feature a weathered finish.

NATURAL WOOD

Each piece will have slightly different shading and grain patterns and, due to the nature of a multi-layered finish that is hand-applied by our craftsmen, there will be variation from piece to piece. Some small splits may occur but will only add to the piece's character. Knots and joint lines are a natural property and add interest without affecting performance. All natural wood will display movement from season to season because of changes in temperature and humidity.

HANDCRAFTED OUALITY

Arhaus furniture is made with great care and attention to detail. Our collections are distinctive and designed to bring pleasure to you in your home for years to come. Each piece is handcrafted, made using traditional skills and techniques, and hand-painted, distressed and finished to ensure each item becomes an heirloom in your home.

RENEWABLE RESOURCES

Arhaus is unique in its commitment to preserving natural resources. Our Corporate Rainforest Policy states that we will not sell merchandise made of timber from the world's endangered rainforests. In all cases, the wood we use was harvested from renewable resources.

All dimensions can vary slightly due to the hand-built nature of our furniture.

product details

- Cushions are slipcovered in Sunbrella® Sunnie Linen fabric.
- Choose from more than 55 additional outdoor fabrics in a variety of tones and patterns for the same price as stock.
- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- ► Cushions are comprised of 2.0-density, anti-microbial foam that is mold- and mildew-resistant. The equally resistant support system is made of 3" outdoor Syntex stretch elastic which cradles your body.
- Cushions are made in America.
- ► Houndstooth finish is painted and distressed by hand using neutral grey, tan and cream tones.
- ► Meticulous detailing is applied to durable resin with the look of natural wicker.
- ▶ Aluminum frames are handcrafted by skilled artisans.
- Woven resin and aluminum frames create the rustic look of weathered wicker. Twisted to withstand nature's elements and structured on an aluminum frame for year round entertaining,
- ► Teak legs feature a weathered finish.

recommended care

- ▶ Protect your outdoor furniture with our exclusive Arhaus Outdoor Covers. Tend to spills immediately, removing with a damp cloth. For specific care on your piece, please refer to the care instructions below.
- ► Spot clean cushions with an upholstery shampoo, mild detergent/water solution or a mild dry cleaning solution.
- ▶ Please refer to the actual cleaning code on the fabric purchased. When using a professional cleaning service, ensure that a solvent-based product is used.
- ► Comfortable, beautiful and oh-so-livable Sunbrella® fabric is amazingly easy to maintain, and most spills can be cleaned with mild soap and water. For tough stains, bleach can be used without fear of damaging the fabric or removing the color. With this kind of durability and a wide range of styles, what's not to love?

- ▶ One of the best ways to keep Sunbrella® fabrics looking good and to delay deep or vigorous cleaning is to properly maintain the fabrics. This can be accomplished by simply brushing off dirt before it becomes embedded in the fabrics, wiping up spills as soon as they occur or spot-cleaning soon after stains occur.
- ► General or light cleaning: Brush off any loose dirt. Prepare a cleaning solution of two ounces (1/4 cup) mild dishwashing liquid per gallon of lukewarm water (less than 100°F/38° C). Use a sponge or a soft bristle brush to clean. Allow cleaning solution to soak into fabric. Rinse thoroughly to remove all detergent residue. Allow fabric to air dry.
- ▶ Recommended Washing of Sunbrella® fabrics: Remove slipcovers and close all openings and divide into two to three loads. Do not mix in with other laundry. Wash in cold water on the gentle cycle with a mild liquid detergent (without bluing agents). Allow to air dry before re-fitting to the frame. Stand cushions on end and periodically flip over until dry.
- ▶ DO NOT PLACE IN DRYER. Air dry only before refitting to the frame.
- ▶ This collection was designed and constructed to be used outdoors.
- Wipe with a damp cloth. Allow to air dry.
- ▶ Spills should be removed immediately with a damp cloth.
- Do not drag this piece across the floor as this will cause damage or weaken joints.
- ▶ Dropping furniture onto corners or feet will cause damage.
- ▶ Leaning backwards on two legs of a chair may weaken joints.

blake

organic minimalism

Celebrating the beauty and organic detailing found in natural lumber, our Blake Outdoor Dining Table features a contemporary design modeled after a genuine live-edge dining table. This durable surface was cast using composite concrete and captures the original slab's shape and texture. Our artisans hand-finish each tabletop, painting it in a rich, dark brown tone and pairing it with oversized legs for a chic, minimalistic appearance that will withstand years of use.

70BLAKEKT

- ► Modeled after a natural live-edge table to replicate its organic shape and detailing
- Artisan-molded using concrete composite, hand-finished in rich, dark brown.
- ► Tabletop is supported by modern, oversized legs.
- Concrete is sealed to protect the finish against the elements for year round use.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

MENGLISH

- Do not dispose of any packaging or contents of the shipping carton until assembly is completed to avoid accidentally discarding small parts or hardware.
- THIS UNIT IS HEAVY! For safety, do not assemble this item alone. Four (4) or more adults are strongly recommended.
- Remove all parts and hardware from the box and lay out on a clear carpeted or scratch-free work surface, as this will
 avoid damaging parts during assembly. The shipping box provides an ideal work surface.

≜FRANÇAIS

- Ne jetez rien des produits d'emballage et du contenu de la boîte jusqu'à ce que l'assemblage soit terminé, afin d'éviter de jeter par mégarde de petites pièces ou des morceaux.
- CETTE UNITÉ EST LOURDE! Pour des raisons de sécurité, ne la pas assembler seul. Il est recommandé d'être QUATRE adultes ou plus adultes pour l'assemblage.
- Sortir toutes les pièces et le matériel de la boîte et les étaler sur une surface de travail en moquette ou sans rayure afin d'éviter d'endommager les pièces au cours de l'assemblage. La boîte d'expédition offre une surface de travail idéale.

. ↑ ESPAÑOL

- Para evitar desechar accidentalmente las partes pequeñas o las piezas de ferretería, no tirar el embalaje o contenido de la caja hasta que el ensamblaje esté completo.
- ESTA UNIDAD ES PESADA. Por razones de seguridad, no ensamblar este artículo solo. Se recomiendan (4) o más adultos.
- Retirar todas las partes y las piezas de ferretería de la caja y extenderlas en una superficie de trabajo cubierta o sin raspaduras para evitar dañar las partes durante el ensamblaje. La caja de envío puede ser una superficie de trabajo ideal.

Care Instructions:

- Dust often using a clean, soft, dry and lint-free cloth.
- When blot spills, wipe with a clean, damp cloth immediately.
- We do not recommend the use of chemical cleansers, abrasives or furniture polish on our lacquered finish.
- Hardware may loosen over time. Periodically check to make sure all connections are tight. Re-tighten if necessary.

Instructions d'entretien :

- Épousseter régulièrement avec un chiffon propre, doux et non pelucheux.
- Éponger immédiatement les liquides renversés et essuyer à l'aide d'un chiffon propre et humide.
- L'utilisation de produits nettoyants chimiques, d'abrasifs ou d'encaustiques sur nos finitions laquées n'est pas recommandée.
- Le matériel de fixation peut se desserrer avec le temps. Vérifiez régulièrement afin de vous assurer que tous les raccords sont bien serrés. Resserrez-les au besoin.

Instrucciones de cuidado:

- Limpiar el polvo con un trapo limpio, suave, seco y libre de pelusas.
- Secar los derrames de inmediato y limpiar con un trapo limpio y húmedo.
- Recomendamos no usar limpiadores químicos, abrasivos o lustramuebles sobre el acabado barnizado.

define your space

Crafted by hand using reclaimed elm—salvaged from beams collected from centuries-old buildings—our Bourdeaux Collection will be the focal point of your outdoor space. These durable, artfully constructed pieces are benchmade to withstand the elements year round. Their natural finish brings out the elegance of the wood bases and will only improve with age. This look is complemented by reconstructed stone tops, which feature a unique "unearthed" appearance that makes each individual slab unlike any other.

- Our Bourdeaux collection is artisan-crafted using reclaimed elm wood and reconstructed stone.
- Reconstructed stone tops are 65 percent stronger than concrete and 40 percent lighter than typical stone surfaces.
- ► Each reconstructed stone slab boasts a unique appearance and features a hand-applied finish, so no two will be exactly alike.
- ► Stone tops are lacquered for added protection and a subtle sheen.
- Bases are artisan-crafted using sustainably reclaimed elm wood salvaged from planks found in centuries-old buildings.
- Reclaimed wood is selected for this collection as a way to contribute to healthy and renewable ecosystems.
- ▶ Reclaimed-wood bases are finished in a natural tone to bring out the wood's organic beauty.
- ▶ All pieces in the Bourdeaux Collection are suitable for year-round use.
- ► This collection is artisan-crafted from natural materials with hand-applied finishes. Individual pieces will vary in color, pattern, shape, and texture, making each piece truly unique.
- Natural wood may display small splits, knots, joint lines, or other organic features that will not affect the quality or performance of your piece.
- Furniture made from natural wood may move slightly due to temperature and humidity. This
 is normal and should be expected from season to season.
- Dining tabletops and bases are shipped unassembled.
- Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

organic conversation tables

Add an organic, bohemian feel to outdoor living spaces with natural texture. Cleverly crafted by Indonesian artisans, our Brooks outdoor occasional tables are made of bundled, teak branches—hand-selected to create stunning patterns. Teak's natural weather-resistant properties protect its surfaces season after season without drying, rotting or warping. And, natural patinas develop soft grey tones as their exposed to the elements, making your pieces truly unique.

- Crafted by Indonesian artisans using sustainably harvested teak wood, selected for its natural beauty and durability.
- ► Finished surfaces are sealed with clear varnish for added protection and a subtle sheen.
- ► Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- Teak is also resistant to fungal decay, rotting, and warping due to weather and temperature.
- Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- Due to the natural teak twigs and hand-applied finishes used to create these tables, each piece will vary in shape, pattern, and color, making it truly one of a kind.
- Hairline-cracking and peeling of stained outdoor wood is a normal reaction to the elements and may occur over time relative to care and use. This natural aging is typical, will add unique character to your piece, and is not considered a defect.
- Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

bring modern comfort into your outdoor space.

The clean lines, tapered legs and biscuit tufting combine in our Cadiz Outdoor Living Collection for a sleek, contemporary look. Handcrafted in North Carolina from marine-grade wood, this chic seating is thoughtfully crafted to withstand the elements year after year. Expertly fitted in neutral, menswear-inspired Sunbrella® fabrics and padded with anti-microbial, mold- and mildew-resistant foam, each plush cushion is perfectly suited for your patio, adding both style and comfort to your outdoor gathering spaces.

- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- All-weather frames are constructed of kiln-dried, crossdirectional, marine-grade plywood—the same wood used to build boats.
- Tapered aluminum legs feature a hand-applied, powder-coated finish, which creates a protective, water- and rustproof barrier.
- Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.
- Cushions are sustained by an outdoor elastic support system that cradles your body for lasting comfort.
- Frames are reinforced and weatherproofed for added stability and durability.
- ▶ Designed to resist the elements, this piece is suitable for yearround use.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

Inspired by traditional European design and architecture,

our Camelback Bench is meticulously crafted by artisan hands. Its elegant styling provides a beautiful focal point for your outdoor décor. Its frame is built using natural teak, a beautiful hardwood

perfectly selected to endure the elements year-round. Teak is resistant to fungal decay, rotting and warping, and its natural oils help resist moisture, repel insects and prevent drying.

NATURAL WOOD

Each piece will have slightly different shading and grain patterns and, due to the nature of a multi-layered finish that is hand-applied by our craftsmen, there will be variation from piece to piece. Some small splits may occur but will only add to the piece's character. Knots and joint lines are a natural property and add interest without affecting performance. RENEWABLE RESOURCES

Arhaus is unique in its commitment to preserving natural resources. Our Corporate Rainforest Policy states that we will not sell merchandise made of timber from the world's endangered rainforests. In all cases, the wood we use was harvested from renewable resources

All dimensions can vary slightly due to the hand-built nature of our furniture.

Bench 70CAMELBNCH 55.25" w x 23" d x 43" h

product details

- The unique finish is applied and distressed by hand.
- ► Hand-built from extremely durable teak—a dense, closegrained hardwood that contains natural oils which resist moisture, repel insects and prevent drying. Teak is also resistant to fungal decay, rotting, warping and changes in size due to weather and temperature.
- ► As typical of outdoor wood, teak ages gracefully from exposure to light, air and rain, gradually developing a soft, silver-grey patina.
- This durable piece was designed and constructed for year-round use outdoors.

recommended care

- ▶ Dust and polish gently using a soft cloth.
- ► Stubborn dirt stains can be removed using fine-grit sand paper.
- ▶ Spills should be removed immediately with a damp cloth.
- ▶ Do not use harsh cleaners and abrasives as they may mar the wood's surface.

- ► Teak cleaning products can be found at your local hardware store. Before applying teak cleaning products, clean your furniture with a soft brush, mild soap and water. Rinse with clean water and dry.
- ▶ As teak ages, color changes, hairline cracking and peeling may occur and is expected. Such changes will not affect the durability and strength of the wood and should not be considered defects.
- ► Protect surfaces from hot and/or wet dishes/objects with coasters and table pads to preserve the finish and natural characteristics of the wood.
- Do not drag this piece(s) across the floor as this will cause damage or weaken joints.
- ▶ Dropping furniture onto corners or feet will cause damage.
- ▶ Leaning backwards on two legs of a chair may weaken joints.
- Store indoors during the winter season and in extreme weather. Ensure that the furniture is completely free of moisture before storing.

CAMELBACK BENCH page 2

Tradition earns the lead for the design of our Cape Cod Collection.

We've taken the classic look and fortified it with durable construction that won't fade or break down. The all-weather wicker is produced meticulously by hand and woven around long-

lasting, rustproof aluminum frames. These pieces are ideal for comfortable entertaining.

NATURAL WOOD

Each piece will have slightly different shading and grain patterns, and due to the nature of a multi-layered finish that is hand-applied by our craftsmen, there will be variation from piece to piece. Some small splits may occur, but will only add to the character. Knots and joint lines are a natural property and add interest without affecting performance. All natural wood will display movement from season to season because of changes in temperature and humidity.

HANDCRAFTED OUALITY

Arhaus furniture is made with great care and attention to detail. Our collections are distinctive and designed to bring pleasure to you in your home for years to come. Each piece is handcrafted, made using traditional skills and techniques, and hand-painted, distressed and finished to ensure each item becomes an heirloom in your home.

RENEWABLE RESOURCES

Arhaus is unique in its commitment to preserving natural resources. Our Corporate Rainforest Policy states that we will not sell merchandise made of timber from the world's endangered rainforests. In all cases, the wood we use was harvested from renewable resources

This collection was designed and constructed to be used outdoors. Cover or store indoors during the winter season and in extreme weather. Ensure that cushions are free of moisture before storing. To prevent permanent dirt and stains from settling into the fabric, wash and air dry slipcovers before storing.

All dimensions can vary slightly due to the hand-built nature of our furniture.

CHASE

product details

- Chase cushions are stocked in Sunbrella® Sail Sailor, a light and airy, go-with-anything natural linen color.
- ► Choose from more than 55 additional outdoor fabrics in a variety of tones and patterns for the same price as stock.
- Sunbrella® fabrics are weatherproof and resist stains and fading.
- Meticulous detailing has resulted in a durable resin with the look of natural wicker.
- ▶ Aluminum frames are handcrafted by skilled artisans.
- ▶ Made in America, and comprised of 2.0-density anti-microbial foam, cushions are mold- and mildew-resistant.
- All pieces in the Chase Outdoor Collection are suitable for yearround use.

recommended care

- ▶ Dust with a soft, dry cloth.
- ▶ Spills should be removed immediately with a damp cloth.
- ► To clean furniture, spray off any dirt or debris with a hose and wipe dry with a soft cloth.
- ► Avoid letting water stand on your furniture.
- ▶ Comfortable, beautiful and oh-so-livable Sunbrella® fabric is amazingly easy to maintain, and most spills can be cleaned with mild soap and water. For tough stains, bleach can be used without fear of damaging the fabric or removing the color. With this kind of durability and a wide range of styles, what's not to love?
- ▶ One of the best ways to keep Sunbrella® fabrics looking good and to delay deep or vigorous cleaning is to properly maintain the fabrics. This can be accomplished by simply brushing off dirt before it becomes embedded in the fabrics, wiping up spills as soon as they occur or spot-cleaning soon after stains occur.

- ► General or light cleaning: Brush off any loose dirt. Prepare a cleaning solution of two ounces (1/4 cup) mild dishwashing liquid per gallon of lukewarm water (less than 100° F/38° C). Use a sponge or a soft bristle brush to clean. Allow cleaning solution to soak into fabric. Rinse thoroughly to remove all detergent residue. Allow fabric to air dry.
- ▶ Recommended Washing of Sunbrella® fabrics: Remove slipcovers and close all openings and divide into two to three loads. Do not mix in with other laundry. Wash in cold water on the gentle cycle with a mild liquid detergent (without bluing agents).
- ▶ Do not place in dryer. Air dry only before refitting to the frame.
- Protect surfaces from hot and/or wet dishes/objects with coasters and table pads to preserve the finish and natural characteristics of the wood.
- ▶ Do not drag this piece(s) across the floor as this will cause damage or weaken joints.
- ▶ Dropping furniture onto corners or feet will cause damage.
- ▶ Leaning backwards on two legs of a chair may weaken joints.
- ► Protect your outdoor furniture with our exclusive Arhaus Outdoor Covers when not in use.
- ▶ This collection was designed and constructed to be used outdoors. Cover or store indoors during the winter season and in extreme weather. Ensure that cushions are free of moisture before storing. To prevent permanent dirt and stains from settling into the fabric, wash and air dry slipcovers before storing.

relax au natural

The simple, modern styling of our solid teak Costa collection confirms that less really is more. Crafted by Indonesian artisans, each stunning, streamlined piece is rendered from enduring planks of sustainably harvested teak wood. Natural, wire-brushed finishes give each surface a beautifully distressed appearance that will age to beautiful silver patinas over time. And, deep seating invites relaxation with all-weather cushions upholstered in easy-care outdoor performance fabrics.

- Designed to resist the elements, this collection is suitable for year-round use.
- Crafted by Indonesian artisans, frames are built using sustainably harvested teak wood, selected for its natural beauty and durability.
- ► Teak surfaces are hand-finished with a subtle grey tone to accentuate the wood's natural features. Finishes are then wire-brushed to create a weathered appearance.
- ► Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- Teak is also resistant to fungal decay, rotting, and warping due to weather and temperature.
- ► Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- Hairline-cracking and peeling of stained outdoor wood is a normal reaction to the elements and may occur over time relative to care and use. This natural aging is typical, will add unique character to your piece, and is not considered a defect.
- Incredibly relaxing and supportive, our lofty, zippered outdoor cushions are padded with high resiliency, antimicrobial foam and covered in weather-resistant Sunbrella® or Inside Out® performance fabric.
- Dense foam padding is extremely resilient and enables high elasticity—providing ideal support and distributing pressure across cushion surfaces, helping them bounce back from continual, heavy use.
- Made in Mexico, our cushions are mold- and mildew resistant and are sustained by an outdoor elastic support system that extends the life of cushions and cradles your body for lasting comfort.
- ▶ Polyester fibers encase the foam cushion cores to provide additional comfort
- Cushion fill is completely sealed in a water-repellent covering with zip closure, featuring serged interior edges to enhance cushion strength and longevity.
- Woven of 100% solution dyed acrylic, Sunbrella® and Inside Out® fabrics are easy to care for, stain resistant, color fast, and provide up to 98% UV protection.
- ▶ Unlike yarn-dyed fabrics where the color is surface deep, solution-dying completely permeates fibers, resulting in colorfast fabrics that withstand even the harshest elements.
- Order replacement cushions to complement your handcrafted Arhaus outdoor furniture. Or, order cushions in a different fabric to completely transform the look of outdoor spaces.
- Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

all-weather comfort and style

Expertly fitted in easy-to-clean, all-weather slipcovers made from stunning outdoor fabrics, our Costa Rei Outdoor Swivel Chair will stylishly complement any alfresco oasis. Hand-crafted by artisans in North Carolina, this swivel chair is built with same attention to quality and design as our indoor upholstery and features a durable weather-resistant base constructed from marine-grade wood. Swivel mechanisms rotate 360 degrees, allowing you to take in your surroundings from all sides.

- ➤ All-weather frames are constructed of kiln-dried, crossdirectional, marine-grade plywood—the same wood used to build boats.
- ► Frames are constructed using mortise-and-tenon joinery, reinforced, and weatherproofed for added stability and durability.
- ► Cushions are slipcovered in all-weather Sunbrella® fabrics.
- Sunbrella® fabrics are weatherproof and resist stains and fading.
- ► Cushions are made in America and padded with mold- and mildew-resistant, anti-microbial foam.
- ► Aluminum swivel mechanisms are contracted for outdoor use and resist rust.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

let it all hang out

Handwoven from our exclusive All-Weather Wicker, our Crew hanging chair features an open weave design over a rustproof aluminum frame. Dry-brushed with varied high and low tones, this fun and fashionable chair mimics the appearance of natural rattan; complemented by plush cushions upholstered in easy-care outdoor performance fabric. Available with textilene rope for hanging or a rustproof aluminum stand, this chair will create an exciting yet relaxing moment in any outdoor space.

- Designed to resist the elements, this collection is suitable for year-round use.
- Our Arhaus exclusive All-Weather Resin Wicker is specially formulated for design and durability to create
 the highest quality outdoor furnishings possible.
- Perfectly mimicking the beauty of authentic natural materials, our resin wicker is colored with varying high and low tones. Masterfully dry-brushed finishes create organic textures that add depth to woven surfaces.
- ▶ All-weather wicker surfaces are handwoven by artisans around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture that will last season after season.
- Incredibly relaxing and supportive, our lofty, zippered outdoor cushions are padded with high resiliency, antimicrobial foam covered in weather-resistant Sunbrella® or Inside Out® performance fabric.
- Dense foam padding is extremely resilient and enables high elasticity—providing ideal support and distributing pressure across cushion surfaces, helping them bounce back from continual, heavy use.

contemporary curves

Like our sophisticated Darrow indoor collection, this outdoor sectional features a stunning crescent shape, which allows you to frame your outdoor living space using new and interesting arrangements. This luxurious collection features a clean-lined, contemporary silhouette with floating, sloped track arms and a tight back. Each component is thoughtfully crafted by dedicated upholstery artisans. Reinforced and weatherproofed frames are built using kiln-dried, cross-directional, marine-grade plywood for stability and durability. Luxurious cushions are covered all-weather Sunbrella® fabrics and padded with antimicrobial foam for hours of lounging and relaxation.

- ► Outdoor cushions are covered in Easy-Care Sunbrella® Outdoor fabric, the world's leading outdoor performance textile.
- Color-fast Sunbrella fabrics are woven from 100 percent solution-dyed acrylic that is stain- and fade-resistant and can withstand even the harshest elements.
- Made in America from antimicrobial foam, our plush outdoor cushions are mold- and mildew-resistant.
- Cushions are sustained by an outdoor elastic support system that cradles your body for lasting comfort.
- All-weather frames are constructed of kiln-dried, cross-directional, marine-grade plywood—the same wood used to build boats.
- Frames are reinforced and weatherproofed for added stability and durability.

declan

Lounge Chair 27.25" w x 30.25" d x 32" h 70DECLANCH

classic, modern design

Strands of all-weather wicker, featuring meticulously crafted, nautical rope detailing, are woven together by furniture artisans in Indonesia to form the basket-weave seat and back of our Declan Outdoor Lounge Chairs. Subtle variations in color and texture between our resilient, resin wicker and natural, solid teak frames result in a beautiful depth of design. This mix of materials will durably resist the elements year-round. Natural teak wood resists insects, drying and moisture while adding warm color to outdoor or indoor seating arrangements.

- ► Chair seats and backs are handwoven from durable all-weather wicker and finished to create a basket-weave design.
- ▶ Meticulous detailing is designed to resemble nautical ropes.
- ► Handwoven all-weather, resin wicker is specially formulated and finished to resemble authentic rattan.
- ➤ Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- ► Chair frames are handcrafted from sustainably harvested teak wood, selected for its natural beauty and durability.
- Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- ► Teak is also resistant to fungal decay, rotting, warping due to weather and temperature.
- ➤ Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- ▶ Hairline-cracking and peeling of stained outdoor wood is a normal reaction to the elements and may occur over time relative to care and use. This natural aging is typical, will add unique character to your piece, and is not considered a defect.
- ▶ Designed to resist the elements, this piece is suitable for year-round use.

outdoor accent lounge

Bring the comfort and sophistication of your living room to your outdoor spaces. Our Elia Swivel Chair features a round shape ideally designed for lounging yet is durably built for the outdoors. The sturdy swivel chair is constructed by artisan hands using kiln-dried, cross-directional, marine-grade plywood—the same lumber used in boat building. This is supported by a reinforced, weatherproof frame, topped with antimicrobial cushions, and slipcovered in weatherproofed, easy-to-maintain Sunbrella® fabric, resulting in an interesting accent chair for your patio.

- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.
- Cushions are sustained by an outdoor elastic support system that cradles your body for lasting comfort.
- ➤ All-weather frames are constructed of kiln-dried, crossdirectional, marine-grade plywood—the same wood used to build boats.
- Frames are reinforced and weatherproofed for added stability and durability.
- ▶ Designed to resist the elements, this collection is suitable for year-round use.
- ► Features a swivel base for 360 degree motion.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

ARHAUS°

we sat down our emory collection and gave it some tough love.

After an all-weather makeover, the endurance and casual style of our beloved Emory is ready to take on the elements. Handcrafted with a marine-grade wood frame, its new base is weatherproof and durable enough to leave outside year round. The oversized cushions are both

mold- and mildew-resistant and slipcovered in Sunbrella® fabric. Weatherproofed from the inside out so you can bring the comfort of your living room to the great outdoors no matter what the season.

natural wood

Each piece will have slightly different shading and grain patterns, and due to the nature of a multi-layered finish that is hand-applied by our craftsmen, there will be variation from piece to piece. Some small splits may occur, but will only add to the character. Knots and joint lines are a natural property and add interest without affecting performance. All natural wood will display movement from season to season because of changes in temperature and humidity.

handcrafted quality

Arhaus furniture is made with great care and attention to detail. Our collections are distinctive and designed to bring pleasure to you in your home for years to come. Each piece is handcrafted, made using traditional skills and techniques, and hand-painted, distressed and finished to ensure each item becomes an heirloom in your home.

renewable resources

Arhaus is unique in its commitment to preserving natural resources. Our Corporate Rainforest Policy states that we will not sell merchandise made of timber from the world's endangered rainforests. In all cases, the wood we use was harvested from renewable resources.

all-weather use

This collection was designed and constructed to be used outdoors. Cover or store indoors during the winter season and in extreme weather. Ensure that cushions are free of moisture before storing. To prevent permanent dirt and stains from settling into the fabric, wash and air dry slipcovers before storing.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

product details

- The all-weather base is constructed of kiln-dried, cross-directional, marine-grade plywood the same wood used to build boats.
- ► The frame is constructed using mortise-and-tenon assembly.
- All joints are corner-blocked for added stability and further reinforced and weatherproofed with water-resistant glue.
- Stocked with all-weather cushions upholstered in Sunbrella® fabric that resists stains and fading.
- Comprised of 2.0-density anti-microbial foam, cushions are mold- and mildew-resistant.
- You can customize from more than 55 additional Sunbrella® fabrics.

recommended care

- Protect your outdoor furniture with our exclusive Arhaus Outdoor Covers when not in use.
- ► Comfortable, beautiful and oh-so-livable Sunbrella® fabric is amazingly easy to maintain, and most spills can be cleaned with mild soap and water. For tough stains, bleach can be used without fear of damaging the fabric or removing the color. With this kind of durability and a wide range of styles, what's not to love?
- ▶ One of the best ways to keep Sunbrella® fabrics looking good and to delay deep or vigorous cleaning is to properly maintain the fabrics. This can be accomplished by simply brushing off dirt before it becomes embedded in the fabrics, wiping up spills as soon as they occur or spot-cleaning soon after stains occur.

- General or light cleaning: Brush off any loose dirt. Prepare a cleaning solution of two ounces (1/4 cup) mild dishwashing liquid per gallon of lukewarm water (less than 100° F/38° C). Use a sponge or a soft bristle brush to clean. Allow cleaning solution to soak into fabric. Rinse thoroughly to remove all detergent residue. Allow fabric to air dry.
- ▶ Recommended Washing of Sunbrella® fabrics: Remove slipcovers and close all openings and divide into two to three loads. Do not mix in with other laundry. Wash in cold water on the gentle cycle with a mild liquid detergent (without bluing agents).
- ▶ DO NOT use a dryer to dry your Sunbrella® slipcovers. Air dry before refitting to the frame.
- ► Stand cushions on end and periodically flip over until dry.
- All joints are corner-blocked for added stability and further reinforced and weatherproofed with water-resistant glue.
- Stocked with all-weather cushions upholstered in Sunbrella® fabric that resists stains and fading.
- Comprised of 2.0-density anti-microbial foam, cushions are mold- and mildew-resistant.
- You can customize from more than 55 additional Sunbrella® fabrics.

bring warmth and ambience to your outdoor space.

Alluring and inviting, Arhaus Fire Pits and Fire Tables bring a sleek and stylish look to your patio. Modern and user-friendly, there is no hookup to propane or gas lines required. Simply use firewood or disposable gel fuel canisters and gather 'round for hours of conversation and laughter with family and friends.

- ► Fire Pit and Table bases are handcrafted from heat-resistant glass-fiber-reinforced concrete.
- ► Rectangular Log Fire Tables and Natural Log Fire Pits are molded using real logs for an authentic appearance.
- ► Rectangular Fire Pits and Natural Log Fire Pits feature stainless steel grates with holes to secure 3.5" diameter x 4" h gel fuel canisters.
- ► Round Fire Pits feature iron grates.
- Firewood can be placed on top of grates, over tray inserts.
- Decorative lava rocks are included to fill negative space in tray inserts.
- ► Fire Pit and Table bases feature holes for natural drainage and ventilation.
- We recommend using with Sunjel Gel Fuel Canisters. Canisters are sold separately.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

encourage lounging

Designed with deep, comfortable seating framed in chic, traditional silhouettes, our Goa Outdoor Living Collection is handwoven from our durable all-weather wicker. This one-of-a-kind resin-fiber wicker is specially formulated and features unique variations in tone, resulting in an authentic rattan appearance. Breathable open weaves feature geometric patterns and an Antique White patina, selected to complement our plush, eco-friendly, antimicrobial cushions covered in weatherproof Sunbrella® fabric.

- ► Handwoven all-weather, resin wicker features an Antiqued White finish that is dry-brushed to resemble authentic rattan.
- Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- ► Artisans weave fibers around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture.
- ► Cushions are covered in durable Sunbrella® fabrics.
- Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

timeless beauty for every season

A simply elegant design, our Hamptons Outdoor Dining Collection is inspired by classic, English gardens. These all-weather furnishings are artisan-crafted from natural teak hardwood. Their beautiful frames are hand-finished to emphasize the wood's coloring and unique, organic features. Perfectly selected to endure the elements, teak is especially durable due to its natural oils, which resist insects and help prevent drying while also repelling moisture.

- Artisan-crafted using sustainably harvested teak wood, selected for its natural beauty and durability.
- ▶ Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- ▶ Teak is also resistant to fungal decay, rotting, warping due to weather and temperature.
- ▶ Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- Artisan-applied finishes are wire-brushed to artfully remove pigment and create a timeworn appearance.
- Outdoor cushions are covered in Easy-Care Sunbrella® Outdoor fabric, the world's leading outdoor performance textile.
- ► Color-fast Sunbrella fabrics are woven from 100 percent solution-dyed acrylic that is stain- and fade-resistant and can withstand even the harshest elements.
- Made in America from antimicrobial foam, our plush outdoor cushions are mold- and mildew-resistant
- ▶ Bar Cart features shelving with a maximum weight of 77 lbs. and a removable tray with a maximum weight of 75 lbs.
- ▶ Designed to resist the elements, this collection is suitable for year-round use.
- ▶ Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

Each of our designs is driven by function and comfort,

and the Hermosa Collection is no different. Inspired by an antique French chair we found during our travels, the stylish lines of the

rustproof aluminum add flair to any outdoor setting. Customize your outdoor space with all-weather Sunbrella® cushions.

NATURAL WOOD

Each piece will have slightly different shading and grain patterns, and due to the nature of a multi-layered finish that is hand-applied by our craftsmen, there will be variation from piece to piece. Some small splits may occur, but will only add to the character. Knots and joint lines are a natural property and add interest without affecting performance. All natural wood will display movement from season to season because of changes in temperature and humidity.

HANDCRAFTED OUALITY

Arhaus furniture is made with great care and attention to detail. Our collections are distinctive and designed to bring pleasure to you in your home for years to come. Each piece is handcrafted, made using traditional skills and techniques, and hand-painted, distressed and finished to ensure each item becomes an heirloom in your home.

RENEWABLE RESOURCES

Arhaus is unique in its commitment to preserving natural resources. Our Corporate Rainforest Policy states that we will not sell merchandise made of timber from the world's endangered rainforests. In all cases, the wood we use was harvested from renewable resources

ALL-WEATHER

This collection was designed and constructed to be used outdoors. Cover or store indoors during the winter season and in extreme weather. Ensure that cushions are free of moisture before storing. To prevent permanent dirt and stains from settling into the fabric, wash and air dry slipcovers before storing.

All dimensions can vary slightly due to the hand-built nature of our furniture.

an all-weather favorite

Our Huntington Outdoor Collection is handwoven from all-weather wicker—designed to look and feel like real rattan. Sloped arms and sleek lines create chic silhouettes, carefully crafted by furniture artisans and constructed using weather-resistant, aluminum frames. Mold- and mildew-resistant cushions are slipcovered with complementary, easy-to-maintain Sunbrella® fabrics for an oh-so-comfortable seat. Plus, Dining Armchairs swivel 360 degrees for convenient motion.

- ► Chair frames are handwoven from all-weather, resin wicker, which is specially formulated and finished to resemble authentic rattan.
- ➤ Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- Artisans weave fibers around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture.
- ► Seat cushions are covered in durable Sunbrella® fabric.
- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.
- ▶ Dining Armchairs feature 360 degree swivel motion.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

with sophisticated, contemporary appeal,

our intriguing Ivy Outdoor Living Collection showcases deep, comfortable seating accentuated by unique decorative straps around the back and side cushions. Upholstery is covered in all-weather Sunbrella® fabric complemented by aluminum shelter frames. Sleek and streamlined, hand-finished aluminum is painted with a dark charcoal color protected with a specialized powder coating—which creates a weather-resistant barrier that repels rust and moisture. Occasional tabletops are inlaid with ceramic tile for an interesting contrast in materials.

- Cushions are covered in Sunbrella fabric.
- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- Straps around the back and side cushions are made from the same durable fabric.
- Aluminum shelter frames are hand-painted with a charcoal grey finish.
- ➤ Aluminum frames feature a hand-applied, powder-coated finish, which creates a protective, water- and rustproof barrier that's 10 times more durable than paint.
- ► Coffee and end table tops feature inlaid ceramic tiles.
- ▶ Designed to resist the elements, this collection is suitable for year-round use.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

lounge with confidence

Featuring a gently curved silhouette crafted from solid teak wood, our Jhett lounge chairs combine organic textures, hand-applied finishes, and modern architectural styling for a unique, sophisticated aesthetic that will elevate any outdoor gathering space. Cushions made with antimicrobial foam are covered in easy-care outdoor performance fabrics to protect against fading, moisture, and stains.

- Designed to resist the elements, this collection is suitable for year-round use.
- Crafted by Indonesian artisans, frames are built using sustainably harvested teak wood, selected for its natural beauty and durability.
- ▶ Teak surfaces are wire-brushed for a lightly distressed appearance and hand-finished with a soft brown wash to impart rich tone to the frame.
- ▶ Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- Teak is also resistant to fungal decay, rotting, and warping due to weather and temperature.
- ► Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- Hairline-cracking and peeling of stained outdoor wood is a normal reaction to the elements and may occur over time relative to care and use. This natural aging is typical, will add unique character to your piece, and is not considered a defect.
- Incredibly relaxing and supportive, our lofty, zippered outdoor cushions are padded with high resiliency, antimicrobial foam and covered in weather-resistant Sunbrella® or Inside Out® performance fabric.
- Dense foam padding is extremely resilient and enables high elasticity—providing ideal support and distributing pressure across cushion surfaces, helping them bounce back from continual, heavy use.
- Made in Mexico, our cushions are mold- and mildew resistant and are sustained by an outdoor elastic support system that extends the life of cushions and cradles your body for lasting comfort.
- ▶ Polyester fibers encase the foam cushion cores to provide additional comfort.
- ▶ Cushion fill is completely sealed in a water-repellent covering with zip closure, featuring serged interior edges to enhance cushion strength and longevity.
- Woven of 100% solution dyed acrylic, Sunbrella® and Inside Out® fabrics are easy to care for, stain resistant, color fast, and provide up to 98% UV protection.
- Unlike yarn-dyed fabrics where the color is surface deep, solution-dying completely permeates fibers, resulting in colorfast fabrics that withstand even the harshest elements.
- ▶ Order replacement cushions to complement your handcrafted Arhaus outdoor furniture. Or, order cushions in a different fabric to completely transform the look of outdoor spaces.
- Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

Industrial chic merges with all-weather durability

in our Julian Collection. The sturdy reconstructed stone top and galvanized iron base share a subtle fossil finish, and clean, smooth lines make this design picture-perfect from any angle. Pair the

bench with a set of our outdoor chairs for a space friends and family will adore.

HANDCRAFTED QUALITY

Arhaus furniture is made with great care and attention to detail. Our collections are distinctive, designed to bring pleasure to you in your home for years to come. Each piece is handcrafted, made using traditional skills and techniques, and hand-painted, distressed and finished to ensure each item becomes an heirloom in your home.

RENWABLE RESOURCES

Arhaus is unique in our commitment to preserving natural resources. Our Corporate Rainforest Policy states that we will not sell merchandise made of timber from the world's endangered rainforests. In all cases, the wood was harvested from renewable resources.

LIMITED LIFETIME WARRANTY

Arnaus warrants all products to be free of defects in material and workmanship. We will repair, or at our option, provide reasonably equivalent furniture valued up to the original purchase price. Fabric, leather and material are not covered by this warranty. Please ask your Interior Specialist for complete details and exclusions prior to purchase based on your personal vision, there is additional time involved. Also, due to this specialization, we regret that we cannot accept cancellations on these pieces. Consult with your Interior Specialist for more details on custom order items.

ALL-WEATHER

This collection was designed and constructed to be used outdoors. Cover or store indoors during the winter season and in extreme weather. Ensure that cushions are free of moisture before storing. To prevent permanen dirt and stains from settling into the fabric, wash and air dry slipcovers before storing.

All dimensions can vary slightly due to the hand-built nature of our furniture.

product details

- ► Suitable for year-round use.
- ► The reconstructed stone top is 65 percent stronger than traditional concrete and 40 percent lighter than stone.
- ► Concrete tabletops are comprised of high-grade, mineral composition concrete. Poured and set, the concrete is carefully cut by skilled artisans, then hand-finished and hand-polished to create a glass-like smooth surface. A light sealant is applied for additional protection. The finish on the tabletop will develop with each season. Suitable for year round use outdoors.
- ► Each piece boasts a unique patina, so no two will be exactly alike.
- ► The base is constructed of rustproof, powder-coated galvanized iron.
- ► The top features a fossil finish.
- ► The fossil finish is a reactive process that includes a salt diffuser being applied to each piece that creates its varied tone and texture.
- ► As the piece continues to cure, the salt diffuser may perspire from the finish over the first few months.
- ► This is a natural, non-hazardous occurrence and is to be expected from this type of product.
- It will only enhance the patina and give each piece unique character.

recommended care

- Due to its porous nature, only use cleaners designed for natural stone. They should be free of bleach and acids.
- Wiping the reconstructed stone down with a combination of a damp cloth and stone cleaner is ideal.
- Do not use care products that contain ammonia or silicone as this will cut through the lacquer finish (over time) and damage your piece.
- ► Avoid letting water stand on your furniture.
- ▶ Spills should be removed immediately with a damp cloth.
- Protect surfaces from hot and/or wet dishes/objects with coasters and table pads to preserve the finish and natural characteristics of the wood.
- ▶ Do not drag this piece(s) across the floor as this will cause damage or weaken joints.
- ▶ Dropping furniture onto corners or feet will cause damage.
- ▶ Leaning backwards on two legs of a chair may weaken joints.
- ▶ This collection was designed and constructed to be used outdoors. Cover or store indoors during the winter season and in extreme weather. Ensure that cushions are free of moisture before storing. To prevent permanent dirt and stains from settling into the fabric, wash and air dry slipcovers before storing.
- ▶ Protect your furniture with our Arhaus covers when not in use.

easy-care outdoor swivel chair

A versatile accent piece, the Kyra Swivel Chair is a great addition to any patio or pool-side seating arrangement. Its smaller-scale frame fits easily into any space yet is durable enough to withstand year round use. Featuring a reinforced, weatherproofed frame, this easy-care swivel chair is constructed from kiln-dried, cross-directional, marine-grade plywood and fitted with weatherproof Sunbrella® fabric. The seat is padded with comfortable, antimicrobial foam and the swivel mechanism allows it to turn 360 degrees, so you can take in your surroundings from all sides.

- Upholstery is expertly fitted in Sunbrella® fabrics.
- Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.
- Cushions are sustained by an outdoor elastic support system that cradles your body for lasting comfort.
- All-weather frames are constructed of kiln-dried, crossdirectional, marine-grade plywood—the same wood used to build boats.
- Frames are reinforced and weatherproofed for added stability and durability.
- Features a swivel base for 360 degree motion.
- Designed to resist the elements, this collection is suitable for year-round use.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

durable and comfortably modern

The luxuriously relaxing seats of our Landon Collection are perfectly complemented to add depth to your outdoor décor. Subtle color variations in grey finishes coalesce into a unique yet classic aesthetic—meticulously crafted using handwoven resin-fibers to form a charming checkered motif. This durable, weather-resistant construction is supported by aluminum framing and topped with American-made, antimicrobial cushions. Upholstery is covered by easy-to-maintain Sunbrella® fabrics, which result in style-defining furnishings that will withstand outdoor use year round.

- ► Each piece is handwoven from all-weather, resin wicker and features a grey finish.
- ► Handwoven all-weather, resin wicker is specially formulated and finished to resemble authentic rattan.
- ➤ Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- Artisans weave fibers around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture.
- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- ► Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.
- ▶ Designed to resist the elements, this piece is suitable for year-round use.

inspired by traditional designs

our Malawi outdoor seating collection creates an inviting, modern tribal aesthetic on any patio, porch, or poolside. Seating with rounded, shelter-style silhouettes and versatile accent tables are handwoven from strands of all-weather wicker over rustproof aluminum frames, which are hand-forged by Asian artisans. Semi-open weaves offer visual lightness to each piece, while darker, bohemian-inspired finishes keep designs grounded.

- Designed to resist the elements, this collection is suitable for year-round use.
- Our Arhaus exclusive All-Weather Resin Wicker is specially formulated for design and durability to create the highest quality outdoor furnishings possible.
- Perfectly mimicking the beauty of authentic natural materials, our resin wicker is colored with varying high and low tones. Masterfully dry-brushed finishes create organic textures that add depth to woven surfaces.
- All-weather wicker surfaces are handwoven by artisans around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture that will last season after season.
- Aluminum frames feature a hand-applied, powder-coated finish, which creates a protective, water- and rustproof barrier that's 10 times more durable than paint.
- ▶ Incredibly relaxing and supportive, our lofty, zippered outdoor cushions are padded with high resiliency, antimicrobial foam and covered in weather-resistant Sunbrella® fabric.
- Dense foam padding is extremely resilient and enables high elasticity—providing ideal support and distributing pressure across cushion surfaces, helping them bounce back from continual, heavy use.
- Made in Mexico, our cushions are mold- and mildew resistant and are sustained by an outdoor elastic support system that extends the life of cushions and cradles your body for lasting comfort.
- ▶ Polyester fibers encase the foam cushion cores to provide additional comfort.
- Cushion fill is completely sealed in a water-repellent covering and feature serged interior edges to enhance cushion strength and longevity.
- Woven of 100% solution dyed acrylic, Sunbrella, the world's leading outdoor performance textile is easy to care for, stain resistant, color fast and provides up to 98% UV protection.
- Unlike yarn-dyed fabrics where the color is surface deep, solution-dying completely permeates fibers, resulting in colorfast fabrics that withstand even the harshest elements.
- Order replacement cushions to complement your handcrafted Arhaus outdoor furniture.
 Or, order cushions in a different fabric to completely transform the look of outdoor spaces.
- Tray tables are perfect for entertaining, featuring removable trays that can be used as folding serving stands.
- Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

modern alfresco aesthetics

A modern take on classic Parsons design, our Malibu collection frames a space with sophistication and drama. Sleek silhouettes featuring angled legs are craftsman-built from sustainably harvested teak wood - selected for its natural beauty and durability. Finished surfaces are stained a beautiful coastal grey and wire-brushed by hand to artfully remove pigment, creating an inviting, timeworn appearance.

- Designed to resist the elements, this collection is suitable for year-round use.
- Artisan-crafted using sustainably harvested teak wood, selected for its natural beauty and durability.
- Finished surfaces are stained and wire-brushed by hand to artfully remove pigment and create a timeworn appearance.
- Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- Teak is also resistant to fungal decay, rotting, and warping due to weather and temperature.
- Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- Hairline-cracking and peeling of stained outdoor wood is a normal reaction to the elements and may occur over time relative to care and use. This natural aging is typical, will add unique character to your piece, and is not considered a defect.
- This collection is artisan-crafted from natural materials with hand-applied finishes. Individual pieces may vary in color, pattern, shape, and texture, making each truly unique.
- Furniture made from natural wood may move slightly due to temperature and humidity. This is normal and should be expected from season to season.
- Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

clean and sophisticated

With a chic, sophisticated aesthetic, our Manhattan Collection's contemporary teak framing is defined by clean lines emphasized by horizontal slats. Beautiful teak wood is perfectly selected for outdoor gathering spaces, featuring rich coloring and naturally protective oils which resist the elements. This stunning hardwood is complemented by comfortable and easy to maintain cushions, which are padded by dense, supportive anti-microbial foam and covered with durable, weather-resistant Sunbrella® fabric. Parsons-style dining pieces provide an ideal place to dine and relax al fresco.

- \blacktriangleright Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildewresistant, anti-microbial foam.
- Dining table features a 2.16" diameter hole to accommodate outdoor umbrellas.
- Frames are constructed using sold teak wood, selected for its natural beauty and durability.
- Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- Teak is also resistant to fungal decay, rotting, and warping due to weather and temperature.
- Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- $\blacktriangleright\,$ Designed to resist the elements, this piece is suitable for year-round use.
- ▶ Dining table seats up to 8.

classic styling meets incredible craftsmanship

Featuring a refined, traditional aesthetic, our chic yet understated Montego Collection was designed with clean lines and no-fuss styling. Craftsman-built frames are durably constructed from all-weather aluminum supported by precision welds and reinforced stress points to ensure structural reliability season after season. UV-inhibiting powder-coated finishes are hand-applied by our furniture artisans, resulting in a dark grey, slightly textured patina that's rustproof, waterproof, and 10X stronger than paint.

- ► Frames are craftsman-built from all-weather tube and cast aluminum, featuring precision welds and reinforced stress points.
- Aluminum frames feature a hand-applied, slightly textured powder-coated finish, which creates a protective, water- and rustproof barrier that's 10 times more durable than paint.
- ► Cushions are covered in durable Sunbrella® fabrics.
- ▶ Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.
- ► Montego Rectangular, 84" and 94" Dining Tables feature holes to accommodate outdoor umbrellas.

eclectic all-weather seating

Showcase a chic, BOHO-inspired aesthetic in any outdoor gathering space with our handwoven Moroccan poufs. These comfortable occasional pieces are made from specially formulated all-weather resin wicker supported by durable aluminum frames. Perfect as extra seating or as handy occasional tables, these poufs feature stunning geometric motifs and hourglass silhouettes.

- ► Handwoven all-weather, resin wicker is specially formulated and finished to resemble authentic rattan.
- ➤ Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- ► Artisans weave fibers around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture.
- Aluminum frames feature a hand-applied, powder-coated finish, which creates a protective, water- and rustproof barrier that's 10 times more durable than paint.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

enduring aesthetics

Handwoven by artisans from weatherproof all-weather wicker, our Mykonos collection creates boho-inspired atmosphere with an open-weave construction and one-of-a-kind finishes. Made from specially formulated resin, each occasional table is dry-brushed with high and low tones to create dimension and replicate the organic textures found in natural rattan. This durable material not only looks great by remains strong enough to withstand the elements season after season.

- Our Arhaus exclusive All-Weather Resin Wicker is specially formulated for design and durability to create the highest quality outdoor furnishings possible.
- Perfectly mimicking the beauty of authentic natural materials, our resin wicker is colored with varying high and low tones. Masterfully dry-brushed finishes create organic textures that add depth to woven surfaces.
- All-weather wicker surfaces are handwoven by artisans around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture that will last season after season.
- ► Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

artisan-crafted outdoor occasional tables

Designed by furniture artisans, our Naples Outdoor Occasional Collection is constructed from basket-woven reconstructed stone, which is sturdy enough to withstand Florida's hurricane season, yet chic enough to elegantly accentuate luxe patios, gardens, or pools. These thoughtfully crafted occasional tables feature unique finishes, which create a stunning "unearthed" appearance that varies from piece to piece, making each one-of-a-kind. Pair the coffee and end table together for an industrial look that's functional all year round.

- ► Tables are sculpted from basket-woven reconstructed stone.
- Reconstructed stone is 65 percent stronger than concrete and 40 percent lighter than stone.
- Finishes are achieved through a series of hand-applied washes.
- As tables dry under the sun, they develop varied tones and textures, resulting in their "unearthed" appearance.
- Tables are lacquered for added protection and a subtle sheen.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

organically inspired occasional tables

Accent any outdoor seating arrangement with natural-looking accent tables. Artisan-crafted using real logs, these tables are molded from heat-resistant, glass-fiber-reinforced concrete and hand-finished to mimic the organic silhouettes of driftwood complete with grain and naturally weathered finish.

- Handcrafted from heat-resistant, glass-fiber-reinforced concrete.
- Molded using real logs to replicate their bark, shape, and unique texture.
- Hand-finished to create an organically weathered appearance.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

handcrafted, contemporary bucket seat

Our comfortably contoured Nori Bucket Chair is thoughtfully designed for stylish outdoor seating. Its contemporary, all-weather wicker back and seat are handwoven from resin fibers and finished in either charcoal grey or white. The durable wicker is meticulously detailed and twisted to withstand the elements year round. A naturally beautiful teak wood base provides stable support and features oils which protect it against moisture, drying, insects, and warping.

- ► Contoured seats are handwoven from all-weather, resin wicker, specially formulated and finished to resemble authentic rattan.
- ➤ Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- ► Frames are artisan-crafted using natural teak wood, selected for its natural beauty and durability.
- ▶ Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- ► Teak is also resistant to fungal decay, rotting, warping due to weather and temperature.
- ► Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- ▶ Designed to resist the elements, this piece is suitable for year-round use.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

effortless outdoor entertainment

Artisan-crafted concrete coffee tables offer all the angles on outdoor style. Choose as many modular surfaces as you like to create endless arrangements—tables are sold separately or as a multi-piece set. Durable composite concrete in a cool, textured grey finish works beautifully in any outdoor setting. Available rectangular component doubles as a showstopping beverage chiller, planter, or anything else you can imagine.

- Made from high quality concrete composite, this collection is made to resist the elements year round.
- ► Each piece is poured into a cast and carefully hand-finished by artisans, resulting in subtly textured surfaces.
- ▶ A light sealant provides additional protection and a soft finish.
- Concrete surfaces develop a unique patina as their exposed to the elements. Variations in this finish will enhance the look of your piece, making it truly one-of-a-kind.
- Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

inspired by an ancient Greek design

known as the Klismos Chair, the Palisade Outdoor Living Collection showcases classic form handcrafted from rustproof aluminum. Angular silhouettes are supported by reinforced frames and accentuated by a chic, all-weather, powder-coated finish that's 10 times more durable than paint. Each piece is complemented by oh-so-comfortable, all-weather cushions padded with antimicrobial foam and covered with easy-care Sunbrella® fabric.

- Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.
- Frames feature an oil-rubbed bronze finish.
- ▶ Aluminum frames feature a hand-applied, powder-coated finish, which creates a protective, water- and rustproof barrier that's 10 times more durable than paint.
- ▶ Designed to resist the elements, this collection is suitable for year-round use.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

ARHAUS°

an extension of our indoor masterpiece crafted for the great outdoors,

this living-room oasis has had an all-weather makeover from the inside out. Skilled upholsterers in North Carolina created a structure made of marine-grade wood, making this sectional as strong and durable as a ship out to sea. The 45"-deep seating and oversized back pillows are made of mildew- and mold-resistant cushions and wrapped in Sunbrella® fabric. Enjoy the comfort and ease-of-care no matter how stormy the weather or company.

natural wood

Each piece will have slightly different shading and grain patterns and due to the nature of a multi-layered finish that is hand-applied by our craftsmen, there will be variation from piece to piece. Some small splits may occur, but will only add to the character. Knots and joint lines are a natural property and add interest but without affecting performance. All natural wood will display movement from season to season because of changes in temperature and humidity.

handcrafted quality

Arhaus furniture is made with great care and attention to detail. Our collections are distinctive, designed to bring pleasure to you in your home for years to come. Each piece is handcrafted, made using traditional skills and techniques, and hand-painted, distressed and finished to ensure each item becomes an heirloom in your home.

renewable resources

Arhaus is unique in our commitment to preserving natural resources. Our Corporate Rainforest Policy states that we will not sell merchandise made of timber from the world's endangered rainforests. In all cases, the wood was harvested from renewable resources.

all-weather use

This collection was designed and constructed to be used outdoors. Cover or store indoors during the winter season and in extreme weather. Ensure that cushions are free of moisture before storing. To prevent permanent dirt and stains from settling into the fabric, wash and air dry slipcovers before storing.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

prodcut details

- ► Stocked with all-weather cushions upholstered in Sunbrella® fabric.
- Customize by choosing from more than 55 additional Sunbrella® fabrics.
- Sunbrella® fabrics are weatherproof and resist stains and fading.
- Marine-Grade Frame: The all-weather base is constructed of kiln-dried, cross-directional, marine-grade plywood—the same wood used to build boats.
- ▶ Mortise-and-tenon assembly: One of the best ways to secure two pieces of wood that connect at a "t"; the end of one piece is fashioned into a round or rectangular shape (tenon), which is designed to fit into the same size hole on the other end (mortise). All joints are corner-blocked for added stability and further reinforced and weatherproofed with water-resistant glue.
- ▶ Anti-Microbial Cushions: Comprised of 2.0-density anti-microbial foam that is mold- and mildew-resistant, the equally-resistant support system is made of 3" outdoor Syntex stretch elastic which cradles your body.

recommended care

- ▶ Protect your outdoor living collection with our exclusive Arhaus Outdoor Covers. Tend to spills immediately, removing with a damp cloth. For specific care on your piece, please refer to the care instructions below:
- Spot clean with an upholstery shampoo, mild detergent/water solution or a mild dry cleaning solution.
- ▶ Please refer to the actual cleaning code on the fabric purchased. When using a professional cleaning service, ensure that a solvent-based product is used.
- ► Comfortable, beautiful and oh-so-livable Sunbrella® fabric is amazingly easy to maintain, and most spills can be cleaned with mild soap and water. For tough stains, bleach can be used without fear of damaging the fabric or removing the color. With this kind of durability and a wide range of styles, what's not to love?

- ▶ One of the best ways to keep Sunbrella® fabrics looking good and to delay deep or vigorous cleaning is to properly maintain the fabrics. This can be accomplished by simply brushing off dirt before it becomes embedded in the fabrics, wiping up spills as soon as they occur or spot-cleaning soon after stains occur.
- ▶ General or light cleaning: Brush off any loose dirt. Prepare a cleaning solution of two ounces (1/4 cup) mild dishwashing liquid per gallon of lukewarm water (less than 100° F/38° C). Use a sponge or a soft bristle brush to clean. Allow cleaning solution to soak into fabric. Rinse thoroughly to remove all detergent residue. Allow fabric to air dry.
- ▶ Recommended Washing of Sunbrella® Fabrics: Remove slipcovers and close all openings and divide into two to three loads. Do not mix in with other laundry. Wash in cold water on the gentle cycle with a mild liquid detergent (without bluing agents). Allow to air dry before re-fitting to the frame. Stand cushions on end and periodically flip over until dry.
- DO NOT PLACE IN DRYER. Air dry only before refitting to the frame.
- ► Spills should be removed immediately with a damp cloth.
- Do not drag this piece(s) across the floor as this will cause damage or weaken joints.
- Dropping furniture onto corners or feet will cause damage.
- Leaning backwards on two legs of a chair may weaken joints.
- This collection was designed and constructed to be used outdoors. Cover or store indoors during the winter season and in extreme weather. Ensure that cushions are free of moisture before storing. To prevent permanent dirt and stains from settling into the fabric, wash and air dry slipcovers before storing.

custom-fit outdoor furniture covers

Protect your furnishings with resilient Sur Last® covers—specifically tailored to fit Arhaus outdoor collections. Speak to a design consultant for details.

The ultimate in style and convenience.

Stocked in stunning, neutral-toned patterns, Pico adds a splash of interest to your outdoor space. Use as a comfortable and stylish seating option, or push two together for a coffee table effect. Upholstered in Easy-Care high-performance outdoor fabrics to resist stains and the elements. Plus, it stores easily during the off-season.

- ▶ Designed to resist the elements, this collection is suitable for year-round use.
- All-weather frames are constructed of kiln-dried, cross-directional, marinegrade plywood—the same wood used to build boats.
- Frames are reinforced and weatherproofed for added stability and durability.
- Incredibly relaxing and supportive, our lofty, zippered outdoor cushions are padded with dense, antimicrobial foam and covered in weather-resistant Sunbrella®, Outdura®, or Inside Out performance fabrics.
- Made in America, our cushions are mold- and mildew resistant and are sustained by an outdoor elastic support system that cradles your body for lasting comfort.
- ▶ Polyester fibers encase foam cushion cores to provide additional comfort.
- Cushion fill is completely sealed in a water-repellent covering to enhance cushion strength and longevity.
- Woven of 100% solution dyed acrylic, Sunbrella, Outdura, and Inside Out fabrics are easy to care for, stain-resistant, fade-resistant, and provide up to 98% UV protection.
- Unlike yarn-dyed fabrics, where the color is surface deep, solution-dying completely permeates fibers, resulting in colorfast fabrics that withstand even the harshest elements.
- Order replacement cushions to complement your handcrafted Arhaus outdoor furniture. Or, order cushions in a different fabric to completely transform the look of outdoor spaces.
- Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

soak up the sun

Handwoven by artisans from durable, weather-resistant polyester rope, our Rhodes chair creates a relaxed, boho-inspired atmosphere with an open-weave construction and nautical rope-like aesthetic. This meticulously crafted seat features intricate yarns—designed to enhance performance and durability—woven around a corrosion-resistant, rustproof aluminum frame. And, cushions are made with dense, antimicrobial foam covered with easy-care outdoor performance fabrics that resist moisture, stain, and fading.

- Designed to resist the elements, this collection is suitable for year-round use.
- Chair is handwoven from Textilene rope—selected for its textural appearance and all-weather durability.
- ► Textilene weave is meticulously designed with intricate yarns and is handwoven onto aluminum frames.
- Rustproof aluminum frames are durable and corrosion-resistant to ensure your furniture will last season after season.
- Incredibly relaxing and supportive, our lofty outdoor cushions are made with high resiliency, antimicrobial foam covered in weather-resistant Sunbrella® or Inside Out® performance fabric.
- Dense foam padding is extremely resilient and enables high elasticity—providing ideal support and distributing pressure across cushion surfaces, helping them bounce back from continual, heavy use.
- Made in Mexico, our cushions are mold- and mildew resistant and are sustained by an outdoor elastic support system that extends the life of cushions and cradles your body for lasting comfort.
- ▶ Polyester fibers encase the foam cushion cores to provide additional comfort.
- Cushion fill is completely sealed in a water-repellent covering with serged interior edges to enhance cushion strength and longevity.
- ▶ Woven of 100% solution dyed acrylic, Sunbrella® and Inside Out® fabrics are easy to care for, stain resistant, color fast, and provide up to 98% UV protection.
- Unlike yarn-dyed fabrics where the color is surface deep, solution-dying completely permeates fibers, resulting in colorfast fabrics that withstand even the harshest elements.
- Order replacement cushions to complement your handcrafted Arhaus outdoor furniture. Or, order cushions in a different fabric to completely transform the look of outdoor spaces.
- Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

Bistro Armchair 24.25" w x 25" d x 35.5" h 70RIVDACH

chic bistro styling

Inspired by European cafés and elegant French bistros, our skillfully constructed Riviera Bistro Chairs feature classic silhouettes complemented by contemporary monochromatic finishes. Our unique all-weather resin wicker is carefully handwoven around durable aluminum chair frames and finished to resemble authentic rattan with a dry, grey patina for added texture. All-weather aluminum frames feature a unique water- and rustproof finish designed to withstand the elements year round.

- ► Handwoven all-weather, resin wicker is specially formulated and finished to resemble authentic rattan.
- ▶ Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- ► Artisans weave fibers around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture.
- ▶ Hand-forged aluminum frames feature hand-applied, powdercoated finishes, which create a protective, water- and rustproof barrier that's 10 times more durable than paint.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

romano

Fountain 21.75" w x 27.75" d x 59.5" h 70ROMANOFNT

let your style flow

Featuring a classic silhouette and meticulously crafted detailing, our Romano Fountains will create beautiful focal points amongst any patio or garden space. These elegant outdoor accents are artisan-built from incredibly resilient reconstructed stone, which is 65 percent stronger than concrete and 40 percent lighter than typical stone. Each fountain is carefully sculpted and finished by hand to impart a distinct surface shape and patina, making each individual piece a true one of a kind. A final layer of lacquer provides added protection against the elements and a soft, subtle sheen.

- ► Fountains are artisan-crafted from reconstructed stone.
- ▶ Reconstructed stone is 65 percent stronger than concrete and 40 percent lighter than typical stone.
- ► Each reconstructed stone slab boasts a unique "unearthed" appearance, so no two will be exactly alike.
- Reconstructed stone features a hand-applied fossil finish to enhance its color.
- Stone surfaces are lacquered for added protection and a subtle sheen.
- Water pumps are not included and must be purchased separately.
- ► Romano fountains are suitable for year round use.
- ▶ Due to the nature of materials used and hand-applied finishes, color, pattern, and texture may vary, making each piece unique.
- ► Regular maintenance of reconstructed stone surfaces is required. For additional information, please visit arhaus.com

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

rooted in nature.

Celebrate elements of the natural world in your outdoor space with our Root Coffee Table. Cast from a genuine tree root, this contemporary table is made of concrete, hand-finished with several layers of stain, and lacquered for protection, making it an all-weather classic.

- Cast from a genuine tree root using high-grade, mineralcomposition concrete
- ► Tables are molded and hand-finished with stain by skilled artisans.
- Each piece is hand-polished to create a smooth, glass-like surface.
- ► Concrete is sealed to protect the finish against the elements.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

Driftwood Grey

globally inspired design

Showcasing centuries-old aesthetics with a modern twist, our Rumi collection is artfully crafted with Italian-inspired terrazzo tops. This durable, low-maintenance concrete composite is speckled with chips of marble, quartz, granite, glass, and other stones in grey and natural colors to achieve a unique, luxurious surface. Bases inspired by Asian antiques are made in Indonesia from sustainably harvested teak finished in rich, light grey driftwood tones, giving each piece a modern yet timeless sensibility. Due to the natural materials used and hand-applied finishing, each piece will vary in color and pattern—making each piece truly one-of-a-kind.

- Designed to resist the elements, this collection is suitable for year-round use.
- Vietnamese artisans craft our Rumi collection's tops from terrazzo, a composite white concrete speckled with chips of marble, quartz, granite, glass, and other stones in grey and natural shades.
- ▶ Terrazzo tops are polished and sealed, resulting in a beautiful, smooth surface.
- Terrazzo is durable, low-maintenance, and adds a layer of luxury to any space.
- ▶ Due to the inherent variety found in Terazzo surfaces and hand-applied finishing, no two pieces will be exactly alike. Variations in color and texture, due to the distribution of stones, make each truly one-of-a-kind.
- Rough edges or marks in the edge profile are commonly found in terrazzo surfaces, adding character to each piece—giving it a distinct, one-of-a-kind appearance.
- Indonesian artisans craft this collection's bases from sustainably harvested teak wood, selected for its natural beauty and durability.
- Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- Teak is also resistant to fungal decay, rotting, and warping due to weather and temperature.
- Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- Hairline-cracking and peeling of stained outdoor wood is a normal reaction to the elements and may occur over time relative to care and use. This natural aging is typical, will add unique character to your piece, and is not considered a defect.
- ► Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

an outdoor spin on an indoor classic

The Spinnaker Outdoor Collection is constructed of and covered by all-weather materials to ensure it stays as pretty as the day you brought it home. Underneath the Sunbrella® slipcovers are marine-grade frames, handcrafted in North Carolina by skilled upholsterers with the same wood used to build boats. Cushions are resistant to mold, mildew and stains from seasonal elements or a summer night party.

- ▶ Upholstery is slipcovered in Sunbrella® fabrics.
- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildewresistant, anti-microbial foam sustained by an elastic support system.
- ▶ The all-weather base is constructed of kiln-dried, cross-directional, marine-grade plywood — the same wood used to build boats.
- ▶ All joints are corner-blocked for added stability and further reinforced and weatherproofed with water-resistant glue.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

add European elegance to your outdoor space.

The unique design of the reconstructed stone is reflected in a stunning patina finish, meaning no two will be exactly alike. You'll

also appreciate that our reconstructed stone is 65 percent stronger than traditional concrete and 40 percent lighter than stone.

natural wood

Each piece will have slightly different shading and grain patterns, and due to the nature of a multi-layered finish that is hand-applied by our craftsmen, there will be variation from piece to piece. Some small splits may occur, but will only add to the character. Knots and joint lines are a natural property and add interest without affecting performance. All natural wood will display movement from season to season because of changes in temperature and humidity.

handcrafted quality

Arhaus furniture is made with great care and attention to detail. Our collections are distinctive and designed to bring pleasure to you in your home for years to come. Each piece is handcrafted, made using traditional skills and techniques, and hand-painted, distressed and finished to ensure each item becomes ar heirloom in your home.

renewable resources

Arhaus is unique in its commitment to preserving natural resources. Our Corporate Rainforest Policy states that we will not sell merchandise made of timber from the world's endangered rainforests. In all cases the wood we use was harvested from renewable resources.

all-weather use

This collection was designed and constructed to be used outdoors. Cover or store indoors during the winter season and in extreme weather. Ensure that cushions are free of moisture before storing. To prevent permanen dirt and stains from settling into the fabric, wash and air dry slipcovers before storing.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

product details

- ► The reconstructed stone top and base are 65 percent stronger than traditional concrete and 40 percent lighter than stone.
- Each piece boasts a unique patina, so no two will be exactly alike.
- ▶ Both top and base feature a fossil finish.
- ➤ The fossil finish is a reactive process that includes a salt diffuser being applied to each piece that creates its varied tone and texture.
- As the piece continues to cure, the salt diffuser may perspire from the finish over the first few months.
- ► This is a natural, non-hazardous occurrence and is to be expected from this type of product.
- lt will only enhance the patina and give each piece unique character.

recommended care

- ▶ Wipe down with a dampened cloth and stone cleaner.
- ► Reconstructed stone is porous, so use only cleaners designed for natural stone -- they should be free of bleach and acids.
- ► Avoid letting water stand on your furniture.
- ▶ Protect your furniture with our Arhaus covers when not in use.

tropea

Bistro Table 36" diameter x 30" h 70TROPBRD

magnificent mixed-media styling

Artisan-crafted from all-weather aluminum and sustainably sourced, weathered teak wood, our Topea Bistro Tables are as durable as they are beautiful. Complemented by a simple base in our Driftwood Grey finish, aluminum tabletops are hand-finished with a matte white finish. Weathered teak bases are hand-painted and then wire-brushed to bring out the wood's organic grey tones—resulting in added depth and a stunning naturally aged appearance.

product details

- ► Table bases are artisan-crafted using sustainably harvested, weathered teak hardwood, selected teak for its natural beauty and durability.
- ▶ Aluminum tabletops are hand-finished in a matte white patina.
- ▶ Teak table bases are painted in our Driftwood Grey finish and wire-brushed to add depth and bring out the wood's rich greys.
- Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- ► Teak is also resistant to fungal decay, rotting, warping due to weather and temperature.
- ▶ Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- Hairline-cracking and peeling of stained outdoor wood is a normal reaction to the elements and may occur over time relative to care and use. This natural aging is typical, will add unique character to your piece, and is not considered a defect.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

stunning yet sturdy outdoor seating

Featuring a sleek, cushionless design, our trendy Tulum Collection will frame your outdoor space in resilient style and comfort. Durable frames are craftsman-built from solid, sustainably harvested teak wood. Selected for its natural oils which resist moisture and prevent drying, teak is exceptionally hardy and will last season after season. Seats are handwoven by furniture artisans from all-weather wicker. This one-of-a-kind resin-strand wicker displays varied high and low tones, which add beautiful depth to woven surfaces.

product details

- Frames are artisan-crafted using sustainably harvested teak wood and durable all-weather wicker.
- ► Handwoven all-weather, resin wicker is specially formulated and finished to resemble authentic rattan
- Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- ▶ Teak surfaces are hand-finished in our Driftwood Grey patina, which is wirebrushed to add a weathered effect and accentuate every rich tone.
- Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- ▶ Teak is also resistant to fungal decay, rotting, warping due to weather and temperature.
- Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.

Cantilever Rectangular Aluminum Umbrella
10' w x 13' d x 10'-10'4" h
(covers 130 square feet)
Canvas Coal 70CANTBLKKT
Champagne 70CANTCHMPKT
Natural 70UMCALUWKT

product details

- ▶ Umbrella canopy is made from Sunbrella® fabric.
- Sunbrella® fabrics are weatherproof, mold- and mildewresistant, and resist stains and fading.
- ▶ Operates on a premium-grade cantilever.
- ▶ Rotates 360 degrees; tilts left or right at 18, 36, and 54 degrees.
- ► Features an easy-to-operate crank lift.
- ► Features a convenient foot pedal for easy rotation.
- ► Lightweight yet sturdy pole and base.
- ► Umbrellas with Canvas Coal or Champagne canopies are complemented by bronze-finished poles.
- Umbrellas with Natural canopies are complemented by blackfinished poles.
- ▶ Umbrella bases must be filled with sand (not included).
- ▶ Do not fill bases with water.
- ▶ 13'-depth cantilever base holds 400 lbs. of sand.
- ► We recommended filling the base with this amount to hold the umbrella in place.
- ► Canopy weighs 95 lbs.

your outdoor space isn't complete

until you've included the ideal shade solution for dining areas or seating arrangements. Our outdoor umbrellas are sturdy, easy to operate and feature durable Sunbrella® fabric that stands up to the elements.

CAUTION: HANDLE WITH CARE

- To reduce personal injury and damage, read and follow this Assembly and Operation information.
- Close the umbrella in windy conditions or when a storm approaches. Never allow the umbrella to flap in the wind; this could damage the canopy.
- Do not leave open umbrella unattended.
- Do not allow children to play on or with the base.

Aluminum Market Umbrella

Assembly and Operation Guide

Please remove all contents from the package, inspect and review checklist.

CHECKLIST A - (1) Finial B - (1) Canopy/Mainframe C - (1) Bottom Pole B -

STEP 1 Set Up

Carefully remove umbrella from box. Attach finial to top of canopy/mainframe. Insert bottom pole into canopy/mainframe pole. Line up button with hole and snap into place.

STEP 2 Opening & Tilting Umbrella

Turn the umbrella upright and crank handle clockwise to open umbrella to its fully open position. To tilt, continue to turn the crank to desired position.

STEP 3 Closing Umbrella

Turn crank handle in counter clockwise direction to bring umbrella back to a horizontal position. Continue to turn crank handle in counter-clockwise direction to close umbrella.

SAFETY PRECAUTIONS:

- Close and store the umbrella in windy conditions or when a storm approaches. Never allow the umbrella to flap in the wind; this could damage the canopy.
- Do not leave open umbrella unattended. If damage occurs, this is not covered by the warranty.
- When adjusting the umbrella, make sure that no person(s) or item(s) are close to the umbrella. This is important to prevent injury or material damage.

CARE AND MAINTENANCE:

- When not in use, close and cover umbrella with a protective cover (not included).
- Allow a wet canopy to dry while in open position.
- If necessary, clean the fabric with lukewarm water, mild detergent, and a sponge.
- Wipe sliding marks on the aluminum poles with a damp cloth.

Winter Storage:

- Store in a dry, protective place.
- Any visible defects must be repaired by a professional.

After the Winter:

- Areas subject to turning and sliding can be treated with a non-staining lubricant spray (silicone-based).
- Check the condition and function of the umbrella. Any defects must be repaired by a professional.

400 lb. Cantilever Base

Assembly and Operation Guide

Please remove all contents from the package, inspect and review parts list. **CAUTION:** To reduce personal injury and damage to your base or umbrella, read and follow this instruction manual. We recommend a two-person team for assembly and disassembly. *Save information for future reference.*

PART LIS	ST		
Part		Description	Qty.
1)	<u> </u>	Base Cover	1
2		Steel Base Frame	1
3		Add-On Weight Containers	4
4		Feet	4
(5)		Screws	4
6	2	Wrench	1
7	FLAVECOND (Playground Sand (not included)	400 lbs.

IMPORTANT: Prior to assembly it is important to decide on the location of the umbrella.

- · Allow ample height to avoid damage to your umbrella during assembly and usage.
- · Choose a location that is level and sturdy.
- Avoid any sloping or soft ground.
- Consider a location that will maximize the umbrella's rotating swivel function. Placing the umbrella between two entertaining areas is ideal.

NOTE: Some parts may be included in the styrofoam packaging. DO NOT discard any packaging or box until assembly is complete.

REQUIRED FOR ASSEMBLY:

• 400 lbs. playground sand (not included).

Base Assembly

Select area to set base frame and place in desired location. **NOTE:** Moving the umbrella will be difficult once fully assembled. Screw (4) feet onto bottom of base frame with supplied (4) screws (Fig. 1). Remove rotating hub from the main frame (sold separately) by removing the (2) bolts and (2) washers (Fig. 2), set aside bolts and washers for later use. Now, place rotating hub onto base frame and secure with supplied (5) hub bolts and washers included with umbrella (Fig. 3). Remove caps from each add-on weight container and fill with dry playground sand (Fig. 4). The containers hold up to 400 lbs. of sand. Fill each add-on weight with playground sand. Place each add-on weight container into base frame sections (Fig. 5). Carefully place base cover onto base frame (Fig. 6). **LEVELING:** If needed, adjust frame corners using supplied wrench until frame is level (Fig. 7). Your base is now ready for umbrella installation.

CAUTION: Fully assembled, the umbrella weighs *over 500 lbs.* Moving the umbrella fully assembled will increase the risk of damage to your umbrella and/or can cause serious injury. We recommend a two-person team for assembly and disassembly.

Aluminum Cantilever Umbrella

Assembly and Operation Guide

Please remove all contents from the package, inspect and review checklist.

CAUTION: To reduce personal injury and damage to your umbrella, read and follow this assembly and operation guide. We recommend a two-person team for assembly and disassembly. *Save information for future reference.*

CHECKLIST A - 360° Rotating Hub B - Base Pedal C - Crank Lift Handle D - Main Frame Stand E - Tilt Lever K - Valance (optional) L - Spring Loaded Rib End Cap

PART LI	ST		
Part		Description	Qty.
1		Main Frame	1
2		Crank Lift Handle	1
3		Hub Bolts	5
4	0	Washers	5
(5)		8mm Hexagon Wrench	1
6		6mm Hexagon Wrench	1
7		2.5mm Hexagon Wrench	1

IMPORTANT: Prior to assembly it is important to decide on the location of the umbrella.

- Allow ample height to avoid damage to your umbrella during assembly and usage.
- · Choose a location that is level and sturdy.
- · Avoid any sloping or soft ground.
- Consider a location that will maximize the umbrella's rotating swivel function. Placing the umbrella between two entertaining areas is ideal.

NOTE: Some parts may be included in the styrofoam packaging. DO NOT discard any packaging or box until assembly is complete.

CAUTION: Fully assembled, the umbrella weighs *over 500 lbs*. Moving the umbrella fully assembled will increase the risk of damage to your umbrella and/or can cause serious injury. We recommend a two-person team for assembly and disassembly.

STEP 1 Rotating Hub Assembly

If you have already installed your rotating hub onto your base or mount kit, please skip to Step 2.

Remove rotating hub from the main frame by removing the (2) main frame bolts and (2) washers (Fig. 1), set aside bolts for later use. Now, place rotating hub onto base plate (if installing onto a mount kit), inverted plate (if installing onto 200 lbs. base) or base frame (if installing onto 400 lbs. base) (Fig. 2) and tighten with (5) supplied hub bolts and washers (Fig. 3). Example shown on 200 lbs. base below.

STEP 2 Umbrella Assembly

Two-persons recommended for team lift and to complete assembly.

With base cover in place or mount kit installed, insert the main frame onto the installed rotating hub (Fig. 3) {align tilt lever with foot pedal}. Assembled in upright position, insert the (2) bolts and (2) washers and tighten using 6mm hexagon wrench provided (Fig. 4). Install the crank lift handle onto the mid-area of the main frame. Use the 2.5mm hexagon wrench provided to lock in the small screw (Fig. 5).

REMOVE ALL PLASTIC PACKAGING MATERIAL FROM ALL PARTS PRIOR TO OPENING UMBRELLA. CHECK UNDER CANOPY FOR PACKAGING AROUND RIBS.

STEP 3 Operation

To Open Canopy:

Slowly turn the crank lift handle clockwise to open the umbrella to a level position (Fig. 7). **CAUTION:** Stop turning the crank handle as soon as the umbrella cover is completely open and the sleeve on the umbrella pole has reached its maximum height (Fig. 8).

WARNING: Do not continue to crank once umbrella canopy is completely open, it may impair your ability to disengage the tilt lever.

To Close Canopy:

Slowly turn the crank lift handle counter-clockwise (Fig. 9) with one hand and slide the main frame grip down with the other hand (Fig. 10) until the canopy is fully closed (Fig. 11). **NOTE:** *Prior to closing insure that the canopy is in a level (non-tilted) position.*

IMPORTANT: PRIOR TO USING THE TILT FEATURE. To avoid personal injury or damage to the umbrella, make sure the area behind you is clear and free from any furniture or structure.

To Tilt Canopy:

Make sure canopy is fully OPEN. Position yourself in front of the tilt lever and pull loop lock from main frame track (Fig. 12). Pull out further to dis-engage tilting gears and reveal gear teeth (Fig. 13). Move the tilt lever to the left or right, opposite the desired tilt direction (Fig. 14). Use the tilt degree scale as a guide (Fig. 15). Now, push forward slightly to re-engage tilting gear teeth. Move tilt lever to center position (canopy should be moving also) and snap the loop lock back into main frame track.

Features

To OPERATE the 360° Rotating Hub Swivel:

Place your foot on the foot pedal of the rotating hub and *step-on* the base pedal to release rotating lock (Fig. 16). Place one hand on the main frame and one hand on the tilt lever (Fig. 17), swivel the umbrella frame in either direction until desired position is reached (Fig. 18). Step off the foot pedal to engage rotating lock and lock position (you will hear the pedal click, as it reaches the next available lock position).

Features

To ATTACH Umbrella Light: (sold separately)

Loosen the light adapter built into the umbrella runner by turning counter-clockwise (Fig. 19). After loosening, pull down light adapter post (Fig. 20) to attach the umbrella light (sold separately).

To REMOVE Umbrella Light and CLOSE adapter:

Remove umbrella light, and gently push up the light adapter post back into umbrella runner and tighten turning clockwise (Fig. 19). **NOTE:** It is not necessary to remove light to close umbrella.

SAFETY PRECAUTIONS:

- Close the umbrella in windy conditions or when a storm approaches.
 Never allow the umbrella to flap in the wind; this could damage the canopy.
- Do not leave open umbrella unattended. If damage occurs, this is not covered by the warranty.
- When adjusting the umbrella, make sure that no person(s) or item(s) are close to the umbrella. This is important to prevent injury or material damage.

CARE AND MAINTENANCE:

- · When not in use, close and cover umbrella with a protective cover.
- If necessary, clean the fabric with lukewarm water, mild detergent, and a sponge.
- Allow a wet canopy to dry slightly opened, but do not leave unattended.
- · Wipe sliding marks on the aluminum poles with a damp cloth.

Winter Storage:

- Store in a dry place.
- Any visible defects must be repaired by a professional.

After the Winter:

- Areas subject to turning and sliding can be treated with a non-staining lubricant spray (silicone-based).
- Check the condition and function of the umbrella. Any defects must be repaired by a professional.

AKZ/AG28 Series Canopy Replacement

Assembly and Operation Guide

AKZ and AG28 CANOPY REPLACEMENT

STEP 1

Make sure umbrella is in closed position (Fig. 1).

For octagon canopies, please skip to Step 2.

For square and rectangle canopies, use a phillips screwdriver to unscrew all 8 screws from spring loaded rib end caps (Fig. 2) and set screws aside for later use.

STEP 2
NOTE: A ladder and two-person team recommended for canopy removal and replacement.

While one person holds the ladder for safety, the second person climbs the ladder until they reach top of the umbrella (Fig. 3).

From the top of the canopy, twist the back of the canopy towards you so you can access the velcro and zipper (Fig. 4). Open velcro flap and unzip canopy (Fig. 5). Begin to slide canopy down ribs (Fig. 6). Safely step down ladder and continue to remove canopy (Fig. 7).

Unfold new replacement canopy. Gather bottom of canopy (larger opening) to the top of canopy (smaller opening).

For octagon canopies, slide top opening of canopy over all 8 ribs (Fig. 8). For square and rectangle canopies, start by sliding top opening of canopy over the 4 longest ribs (Fig. 9). When the 4 longest ribs are inside canopy, pull the canopy up slightly and pull canopy over the 4 shortest ribs.

Once all 8 ribs are inside canopy, begin to slide canopy up while second person holds canopy to prevent canopy from dragging on floor and getting dirty (Fig. 10). Continue to slide canopy up ribs while safely dimbing up ladder and second person moving over to ladder for extra support (Fig. 11).

When you reach the top of the umbrella, slide canopy down under cap (Fig. 12).

NOTE: Make sure velcro and zipper on canopy are facing the back side (towards the canopy support arm). Velcro top together first to keep canopy from sliding back down ribs (Fig. 13). Zip up canopy and velcro flap together (Fig. 14). Tuck canopy under cap.

Safely dimb down ladder. Line up ends of canopy with spring loaded rib ends.

For octagon canopies, slide spring loaded rib ends into canopy pockets located under canopy (Fig. 15).

For square and rectangle canopies, attach 8 screws back onto end of canopy and spring loaded rib end caps (Fig. 16).

Smooth out canopy as necessary. Your umbrella is now ready for use.

$ARHAUS^{\circ}$

valentina

your style your way

Our Design Consultants can help you craft a custom design with hundreds of options to choose from. Ask in store or call **866.427.4287**

Fabric: Dock Dove

accent your outdoor space

Inspired by French bergère dining furniture, our Valentina Collection is thoughtfully designed with classic detailing complemented by a Brushed Pewter color. Durable, rustproof aluminum frames are hand-finished by artisans using a specialized powder coating that's ten times stronger than paint. These all-weather pieces will add lasting style to your gathering space and provide years of outdoor enjoyment.

product details

- ► Chair cushion is covered in Sunbrella® fabric.
- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.
- ► Aluminum frames feature a hand-applied, powder-coated finish, which creates a protective, water- and rustproof barrier that's 10 times more durable than paint.
- ▶ Designed to resist the elements, this collection is suitable for year-round use.

Dimensions may vary slightly. Please ensure furnishings fit through interior structures and into desired space before purchase.

Add dignified style to your outdoor space.

Chic and elegant, our Ventura collection boasts sloped arms you'll love to lounge in. Ventura features handwoven resin rope so realistic you'll think it's authentic—but ours is made to withstand nature's elements year-round. UV- and water-resistant, this all-weather

material is meticulously woven over a strong, durable rust-proof aluminum frame. Ventura looks good enough for the indoors, but brings sophisticated style to your patio or garden.

HANDCRAFTED OUALITY

Arhaus furniture is made with great care and attention to detail. Our collections are distinctive, designed to bring pleasure to you in your home for years to come. Each piece is handcrafted, made using traditional skills and techniques, and hand-painted, distressed and finished to ensure each item becomes an heirloom in your home.

RENWABLE RESOURCES

Arhaus is unique in our commitment to preserving natural resources. Our Corporate Rainforest Policy states that we will not sell merchandise made of timber from the world's endangered rainforests. In all cases, the wood was harvested from renewable resources.

LIMITED LIFETIME WARRANTY

Arhaus warrants all products to be free of defects in material and workmanship. We will repair, or at our option, provide reasonably equivalent furniture valued up to the original purchase price. Fabric, leather and material are not covered by this warranty. Please ask your Interior Specialist for complete details and exclusions prior to purchase based on your personal vision, there is additional time involved. Also, due to this specialization, we regret that we cannot accept cancellations on these pieces. Consult with your Interior Specialist for more details on custom order items.

All dimensions can vary slightly due to the hand-built nature of our furniture.

Lounge Chair 70VENLCHKT 30" w x 36" d x 42" h

Sofa 70VENSOFAKT 89" w x 36" d x 42" h

Ottoman 70VENOTTOKT 30" w x 24" d x 12" h

product details

- Meticulous detailing has resulted in a durable resin with the look of natural rope.
- ► Aluminum frames are handcrafted by skilled artisans.
- ▶ Ventura cushions are stocked in Sunbrella® Action Stone fabric.
- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- Choose from more than 55 additional outdoor fabrics in a variety of tones and patterns for the same price as stock.
- ► Made in the America and comprised of 2.0-density antimicrobial foam, cushions are mold- and mildew-resistant.
- ► Sunbrella® fabrics are weatherproof and resist stains and fading.
- All pieces in the Ventura Outdoor Collection are suitable for year-round use.

recommended care

- ▶ Dust with a soft, dry cloth.
- ▶ Spills should be removed immediately with a damp cloth.
- To clean furniture, spray off any dirt or debris with a hose and wipe dry with a soft cloth.
- Avoid letting water stand on your furniture.
- ► Comfortable, beautiful and oh-so-livable Sunbrella® fabric is amazingly easy to maintain, and most spills can be cleaned with mild soap and water. For tough stains, bleach can be used without fear of damaging the fabric or removing the color. With this kind of durability and a wide range of styles, what's not to love?

- ▶ One of the best ways to keep Sunbrella® fabrics looking good and to delay deep or vigorous cleaning is to properly maintain the fabrics. This can be accomplished by simply brushing off dirt before it becomes embedded in the fabrics, wiping up spills as soon as they occur or spot-cleaning soon after stains occur.
- ► General or light cleaning: Brush off any loose dirt. Prepare a cleaning solution of two ounces (1/4 cup) mild dishwashing liquid per gallon of lukewarm water (less than 100° F/38° C). Use a sponge or a soft bristle brush to clean. Allow cleaning solution to soak into fabric. Rinse thoroughly to remove all detergent residue. Allow fabric to air dry.
- ▶ Recommended Washing of Sunbrella® fabrics: Remove slipcovers and close all openings and divide into two to three loads. Do not mix in with other laundry. Wash in cold water on the gentle cycle with a mild liquid detergent (without bluing agents).
- ▶ Do not place in dryer. Air dry only before refitting to the frame.
- ▶ Do not drag this piece(s) across the floor as this will cause damage or weaken joints.
- ▶ Dropping furniture onto corners or feet will cause damage.
- ▶ Leaning backwards on two legs of a chair may weaken joints.
- ▶ Protect your furniture with Arhaus covers when not in use.

Side Chair 20.25" w x 24.75" d x 39" h 70WILLOWDS

artisan-crafted dining

Thoughtfully crafted by furniture artisans our Willow Dining Chairs add stylish elements to either indoor or outdoor seating. Their Parsons style is crafted from handwoven all-weather wicker, featuring an artfully styled cane-inspired finish. The resin-fiber wicker is twisted to withstand nature's elements and structured onto aluminum frames to support year-round use. These durable yet comfortable seats stand on beautiful, solid teak legs, which contain natural oils that prevent them from drying or warping and resist moisture and insects.

product details

- Chairs seats and backs are handwoven from all-weather, resin wicker and feature a cane-inspired finish.
- ► Handwoven all-weather, resin wicker is specially formulated and finished to resemble authentic rattan.
- Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- Artisans weave fibers around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture.
- Legs are artisan-crafted using natural teak wood, selected for its natural beauty and durability.
- Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- Teak is also resistant to fungal decay, rotting, warping due to weather and temperature.
- Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- Designed to resist the elements, these chairs are suitable for year-round use.

built for entertaining

The all-weather Wyatt Dining Collection features a classic rustic look. Constructed to withstand nature's elements, this collection is structured on rustproof aluminum frames, which support all-weather wicker surfaces. Each piece is complemented by attractive, neutral finishes to fit your outdoor décor, and seating is topped with all-weather Sunbrella® cushions. Sturdy and timeless, these outdoor pieces are must-haves.

product details

- Our Arhaus exclusive All-Weather Resin Wicker is specially formulated for design and durability to create the highest quality outdoor furnishings possible.
- Perfectly mimicking the beauty of authentic natural materials, our resin wicker is colored with varying high and low tones. Masterfully dry-brushed finishes create organic textures that add depth to woven surfaces.
- ► All-weather wicker surfaces are handwoven by artisans around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture that will last season after season.
- Outdoor cushions are covered in Sunbrella® fabric, the world's leading outdoor performance textile.
- Color-fast Sunbrella fabrics are woven from 100 percent solution-dyed acrylic that is stain- and fade-resistant and can withstand even the harshest elements.
- Made in America from antimicrobial foam, our plush outdoor cushions are moldand mildew-resistant.
- Cushions are sustained by an outdoor elastic support system that cradles your body for lasting comfort.
- ▶ All pieces in the Wyatt Outdoor Collection are suitable for year-round use.
- ▶ Bar Stools are available with or without cushions.

care and cleaning

► Harsh sunlight may cause your piece to fade over time.

Protect the finish and prolong the life of your furniture with

Arhaus covers when not in use.

FOR REMOVABLE CUSHION COVERS AND SLIPCOVERS

Hand washing

- Soak fabric in a solution of 1/4-cup mild soap per gallon of lukewarm water.
- ▶ Use a sponge or a soft bristle brush as necessary.
- ▶ Rinse thoroughly to remove all soap residue.
- Air dry.

Machine washing

- ► Machine wash in cold water with mild laundry soap.
- ► Allow Sunbrella® to air dry.
- **▶** DO NOT MACHINE DRY.
- ▶ **DO NOT** use a steamer or an iron with steam setting. If wrinkles are a concern, use an iron set to "synthetic fabric" heat.

Spot cleaning upholstered pieces

- ▶ Apply a light mist of mild soap and water using a spray bottle.
- ▶ Remove stain with a sponge or very soft bristle brush.
- ▶ Rinse thoroughly to remove all soap residue.
- ► Wet-vacuum or blot excess water.
- ▶ Air dry. Repeat steps 3 and 4 until all soap residue is removed.

For stubborn stains/mildew

- ► Prepare a solution of 1-cup bleach and 1/4-cup of mild soap per gallon of clean water. (If stain/mildew is severe, bleach quantities may be slightly increased.)
- ▶ Soak affected area in solution for 15 minutes.
- ► Remove stain with a sponge, clean towel or very soft bristle brush until all soap residue is removed.
- ▶ Rinse thoroughly to remove all soap residue.
- Air dry.

WICKER/RATTAN

- Dust wood with a soft, dry cloth.
- ▶ Spray off any dirt or debris with a garden hose and wipe dry
- ► Avoid letting water stand on your piece(s).

CONCRETE & RECONSTRUCTED STONE

- ► Clean with a soft, damp cloth.
- ► Wipe up spills quickly to avoid stains.
- Avoid oil and abrasive cleansers.

ALUMINUM

- Dust with a soft, dry cloth.
- ▶ Spray off any dirt or debris with a garden hose and wipe dry.
- ► Avoid letting water stand on your piece(s).

RECLAIMED WOOD

- ► All reclaimed wood products have several coats of lacquer and a wax finish applied to the surface.
- ► This material can be easily maintained with Fiddes® Wax.
 - Before application, ensure that the surface is clean and dry.
 - Apply Fiddes® Wax to the surface in small sections following the grain.
 - This wax is quick drying and can be buffed after it dries for a desired sheen.

TEAK

- Dust with a soft dry cloth.
- Twice a year, spray off any dirt or debris with a garden hose and wipe dry.
- ► Natural oil surfacing will occur and can be removed by gentle washing.
- ► To remove stains, clean with warm water and mild dishwashing soap. Gently scrub with a soft-bristle brush in the direction of the grain. Rinse with water and dry thoroughly with a soft, dry cloth.
- ► Avoid letting water stand on your piece(s).
- ▶ Teak ages gracefully. If left to the elements it develops a greyish patina over time which can be left as-is or removed with fine sandpaper (no less than P120 grit) and applying a teak sealer. This same sandpaper can be used to remove stains, surface imperfections or small marks.

keep your outdoor furnishings protected year round

Arhaus premium outdoor furniture covers offer ultimate protection for your outdoor furnishings. Made from resilient Sur Last® fabric, each cover is specifically tailored to each of our Arhaus outdoor collections, ensuring a perfect fit. Covers are breathable and fade-resistant; their 100% solution-dyed polyester will protect any outdoor living and dining spaces from UVrays, dust, debris, and moisture.

product details

- Protect your outdoor furnishings from dust, debris, and moisture.
- Sur Last® furniture covers are made using 100% solution-dyed polyester.
- Each cover is specifically tailored to match Arhaus outdoor furniture collections.
- Sur Last® fabric is breathable, fade-resistant, waterproof, and UVproof.
- Includes elastic drawstring with two to four plastic, double-barrel, cord-lock closures to ensure a secure fit.
- Comes with a three-year limited warranty.
- Machine washable.

Sunbrella®/Outdura®—where ease and beauty meet.

One of the best ways to keep Sunbrella®/Outdura® fabrics looking good and to delay deep or vigorous cleaning is to properly maintain the fabrics. This can be accomplished by simply brushing off dirt

before it becomes embedded in the fabrics, wiping up spills as soon as they occur or spot cleaning soon after stains occur.

care and cleaning

FOR REMOVABLE CUSHION COVERS AND SLIPCOVERS:

hand washing

- Soak fabric in a solution of 1/4 cup mild soap per gallon of lukewarm water.
- Use a sponge or a soft bristle brush as necessary.
- ▶ Rinse thoroughly to remove all soap residue.
- Air dry.

machine washing

- ▶ Machine wash in cold water with mild laundry soap.
- ► Allow Sunbrella®/Outdura® to air dry.
- DO NOT MACHINE DRY.

SPOT CLEANING UPHOLSTERED PIECES

- ▶ Apply a light mist of mild soap and water using a spray bottle.
- ▶ Remove stain with a sponge or very soft bristle brush.
- ▶ Rinse thoroughly to remove all soap residue.
- Wet-vacuum or blot excess water.
- ▶ Air dry. Repeat steps 3 and 4 until all soap residue is removed.

FOR STUBBORN STAINS / MILDEW

Sunbrella®/Outdura® fabric does not promote mildew growth, however, mildew may grow on dirt and other foreign substances that are not removed from the fabric.

- ▶ Prepare a solution of 1 cup bleach and 1/4 cup of mild soap per gallon of clean water, If stain/mildew is severe, bleach quantities may be slightly increased.
- ▶ Soak affected area in solution for 15 minutes.
- Remove stain with a sponge, clean towel or very soft bristle brush until all soap residue is removed.
- ▶ Rinse thoroughly to remove all soap residue.
- Air dry.

HELPFUL HINTS

- Protect the area around your Sunbrella®/Outdura® fabric when using a bleach solution – bleach may discolor non-Sunbrella®/Outdura® fabrics.
- Always rinse Sunbrella®/Outdura® thoroughly to completely remove bleach and soap.
- ► Sunbrella®/Outdura® air dries very quickly.
- **▶** DO NOT MACHINE DRY.
- ▶ **DO NOT** use a steamer or an iron with steam setting. If wrinkles are a concern, use an iron set to "synthetic fabric" heat.
