Hey, moms! Scare up more fun activities for your kids with a Disney Magazine subscription. Go to disneymagazines.com/crocs to get a monstrous discount.

INSTRUCTIONS:

Glue both sides of door hanger together so that Sully shows on one side and Mike on the other. Cut along the dotted lines and hang on your doorknob showing the side that best fits your mood. For a sturdier door hanger, first glue a thicker piece of paper in between the two sides, then cut along the lines.

DO NOT ENTER!
