

C COLLECTION FUNCTIONAL TABLES

HBF

Renowned designer Yves Béhar of fuseproject has created a bold collection of lounge, reception and private sitting area furnishings. The clean lines and contemporary styling of the C Collection integrate practical features such as functionality, ergonomic comfort, pull up work surfaces and complementary lighting to create an efficient and elegant option for modern interiors. C Collection functional tables offer multiple options and integrate with C seating to create versatile configurations.

C COLLECTION FUNCTIONAL TABLES

C Collection sofas shown with optional mounted, sliding laptop tables. The repositionable laptop tables can be mounted to the sofa and allow the user to dictate the position of the swivel work surface to the location of choice. Freestanding connector tables provide a visual connection between lounge seating components. Offered in multiple shapes, the tables provide configuration flexibility and enhance collaborative meeting environments.
