

THE REGENT SERIES

HBF

The Regent Series, created by HBF's Kevin Stark, is an elegantly designed fully upholstered management/executive swivel tilt chair that provides appropriate functional support and supreme comfort. Regent is available in both mid and high back versions and is standard with a pneumatic seat height adjustment and synchronized seat and back movement. Based on traditional design elements, while incorporating modern passive ergonomic principles, Regent provides multiple aesthetic solutions for today's corporate environment.

THE REGENT SERIES

01 | Mid back management chair, 39 1/4" OH x 25 1/2" OW x 28" OD, with black urethane arm, high back chair, 46" OH, with full upholstered arm. Chair upholstered in Veroze leather from HBF Textiles.

02 | Regent Series chairs are available with three distinctive back upholstery options: "sewn" detail, "gathered" detail and "button" detail.

Regent chairs are standard with a black metal base or an optional black metal base with maple wood caps.

The standard black urethane arm or an optional full upholstered arm depict the traditional styling synonymous with the Regent Series.
