GENERAL TERMS AND EXCLUSIONS

Mohawk Sheet Vinyl Flooring is warranted as indicated above in continuous climate controlled interior environments. The following general terms and conditions apply. If you have questions regarding the warranty information, please contact your retailer or Mohawk sales representative.

1. These warranties apply to Mohawk Sheet Vinyl Flooring when installed and maintained in accordance with our most recent installation and maintenance procedures. For the most up-to-date procedures, please visit www.mohawkflooring.com. The original owner agrees to provide proof of compliance with recommended installation and maintenance procedures when a claim is filed.
2. These warranties apply only to the original owner and the first installation of the product and are non-transferable. The "original owner" is the person stated as the buyer on the purchase document(s). This warranty applies only to first quality Mohawk Sheet Vinyl Flooring purchases.
3. These warranties do not cover damage caused by a failure to follow the Mohawk Installation Guide, including a failure to install over approved substrates and underlayments using recommended adhesives and seam bonds/sealers.
4. Mohawk will, at its option, repair or replace product not meeting the above listed warranties. When replacement of the flooring is made, only new material from the current product range at the time of the claim will be supplied by the distributor or retailer. There will be no other form of compensation. Mohawk's responsibility under this warranty only applies to hidden defects that were not visible before or during the installation of the Mohawk Sheet Vinyl Floor. Material installed with visible defects is considered accepted by the owner.

Suitable walk-off mats should contain both soft and firm fibers to facilitate removal of wet or solid contaminants from shoe soles. An extra set of walk-off mats should be available for each entrance so the mats can be replaced and cleaned weekly during routine maintenance, or more often depending upon site and weather conditions.

This routine will prevent walk-off mats from becoming the source of tracked-on contaminants. Walk-off mats should be large enough to allow adequate soil removal.
7. These warranties do not apply to damage from exposure to extreme heat or sunlight exposure, dryness, or stains as a result of chemical or industrial products (other than recommended cleaning products). Window coverings should be used during periods of intense sunlight to avoid intense heating of flooring product.

Manufacturer does not recommend the use of casters on any flooring without appropriate chair pads.

LIGHT COMMERCIAL DEFINED

Mohawk warrants only first quality products for recommended light commercial use such as those outlined in the Application Chart shown below. Products will perform as warranted for the stated period when installed in accordance with Mohawk Installation Guides over approved substrates and underlayments, using the recommended adhesives if applicable. The warranty period, when valid, begins on the date of the original installation.

- Light Commercial use is defined as use in environments, which do not experience normal to heavy commercial traffic, such as those outlined in the Application Chart below. PLEASE NOTE, warranty exclusions apply with respect to casters and other rolling loads, due to the unusual characteristics of this type of wheeled traffic. For frequent or heavy rolling conditions, click flooring products can be glued down to help reduce the risk of joint separation from rolling load traffic. Our warranty, however, still excludes any problems associated with rolling loads.
- The intended applications include privately owned in-house businesses, such as daycare centers, doctor/dentist offices, and barber/beauty shops. For questions as to the type of use that is considered "Light Commercial", please contact Mohawk Technical Services prior to purchase and installation.
