

SAFETY RECALL

Fingertip Amputation and Laceration Hazard

All Maclaren Strollers

The stroller's hinge mechanism poses a fingertip amputation and laceration hazard to the child when the consumer is unfolding/opening the stroller.

Immediately stop using Maclaren strollers and contact Maclaren USA, Inc. to receive free hinge covers at:

(877) 688-2326

or visit <http://www.maclaren.us/recall>
