

120 Night In-Home Sleep Guarantee American Signature, Inc

Program Guidelines

- Customer must purchase a Dream brand mattress protector with the mattress on the same invoice to qualify for the 120-night sleep guarantee.
- The mattress or mattress set (mattress and box spring) is based on a minimum queen mattress retail price of \$799. Mattresses and mattress sets that qualify are listed below under “Qualified Mattress Lines.”
- If, for any reason, you are not happy within the first 120 days following delivery (and after the first 30 nights sleeping on the mattress), the store will issue you an in-store credit for the full retail price paid for the mattress only. This mattress must be returned to the store prior to the in-store credit being issued.
- Your mattress must be inspected by store personnel to qualify for issuance of in-store credit. Call your local store to make an appointment for your mattress to be inspected.

- Mattresses that are soiled, stained or otherwise damaged in a way that would violate the terms of the manufacturer’s warranty will not be eligible to be returned. Please refer to your warranty for information regarding proper care, warranty coverage, exclusions and limitations of service.

- Guarantee not valid for mattresses or mattress sets purchased as floor models, as part of a factory close-out, as clearance (“as-is”) merchandise, as a commercial sale or purchased through a third-party acceptance.
