Color Pulse™

MULTI-COLOR SOLUTION DYED FIBER

Our new fiber breakthrough delivers the visual texture and dynamic dimension of a space dyed yarn, with the lower environmental impact and high performance of our solution dyed nylon.

Earth Pulse

Earth Pulse:

Light to dark warm neutral tones that recall whitewater, sand and stone in tumbling rapids.

Sun Pulse

Sun Pulse:

Vivid bright accents of orange, yellow, green and blue that highlight the variety of life and minerals in a shallow, sunlit riverbed.

Moon Pulse

Moon Pulse:

A range of deep colors of gold, teal, and magenta inspired by the iridescence of water-covered river stones.

Water Pulse

Water Pulse:

A mélange of light to dark cool blues drawn from the surface of a river, where light plays off the shallows and depths.

ZERO Water

Color Pulse uses zero water in its dyeing process, conserving natural resources and helping us bring you Net Positive Water flooring products.

612,000
bottles of water

Or 76,500 gallons of water: the amount of water saved by replacing traditional space dyed yarns with our Color Pulse fibers. *(Based on our 2019 water consumption statistics.)*

Tailored Trim | Finishing Accessories

Seamlessly coordinate your Aladdin Commercial flooring with the Tailored Trim Finishing Accessories. Available in a variety of colors, this QuickShip accessories solution will perfectly integrate any type of Aladdin Commercial flooring to create a cohesive flooring environment. Tailored Trim Finishing Accessories also coordinates with its Wall Base and Stair Tread counterparts to provide maximum solution options.

Specifications

CARPET TILE	Brand	Aladdin Commercial
	Style Name / Number.....	Here to There / 2B213
	Construction.....	Tufted
	Surface Appearance.....	Level Multi-Colored Patterned Loop
	Gauge.....	1/12 (47 rows per 10cm)
	Density.....	7,024
	Dye Method.....	100% Solution Dyed
	Fiber Type.....	Colorstrand® SD Nylon
	Stain Release Technology.....	Mohawk Protection Plus Stain
	Soil Release Technology.....	Mohawk Protection Plus Soil
	Primary Backing.....	Non Woven Synthetic
	Secondary Backing.....	UltraSet® Matrix
	Indoor Air Quality.....	Green Label Plus Certified # 1171
	NSF 140.....	Gold
	Size.....	24" x 24" (.6096 m x .6096 m)
	Installation Method.....	Quarter Turn / Brick Ashlar / Vertical Ashlar / Monolithic / Multi-Directional
	Flammability.....	ASTM E 648 Class 1 (Glue Down)
	Smoke Density.....	ASTM E 662 Less than 450
Static Propensity.....	AATCC-134 Under 3.5 KV	
Warranties.....	Lifetime Limited Wear Warranty Lifetime Limited Static Protection Warranty Lifetime Limited Edge Ravel, Zippering, Delamination, and Dimensional Stability Warranty Lifetime Limited Colorfastness to Light Warranty 10 Year Limited Stain Resistance Warranty 10 Year Limited Colorfastness to Atmospheric Contaminants	

Installation Instructions:

Mohawk Industries, Inc. warrants its adhesives for the life of the original installation only when a Mohawk Industries style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk Industries adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

Mohawk is providing this architect folder for the purpose of promoting our commercial business. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations. We recommend the use of chair pads on all commercial installations.
