

BELFONTE

PORCELAIN TILE

In answer to the popularity of multi-tonal hardwoods, Mohawk offers the Belfonte collection. The ultra-realistic barnwood visuals with authentic hardwood texture provide the rich warmth of real wood floors, but in a porcelain tile. And the 8" x 48" format appeals to designers and homeowners who prefer today's longer, wider planks. Choose from the warm browns and beiges in Truffle Barnwood and Whiskey Barrel, or opt for cool grays in Nantucket Estate and Coastal Beachwood. Mohawk's patented Reveal Imaging™ provides stunning hardwood realism, and TruEdge™ technology allows for tighter grout joints, further enhancing Belfonte's authentic wood look.
