

BOSWELL

PORCELAIN TILE

Homeowners everywhere are demanding long, linear tiles to create a modern flair; and our latest glazed porcelain collection is sure to be a major crowd pleaser. The Boswell Collection presents this popular look in stunning limestone visuals, enhanced with vein-cut graphics and linear movement and all complemented with a softer and cleaner finish. Mohawk's exclusive, state-of-the-art Reveal Imaging™ technology delivers vivid, intricate detail and unmatched color definition. Featuring an elegant color palette including: Arctic White, Smokey Grey, Navajo Beige and Cool Grey, Boswell captures the latest trends in the popular 12" x 24" size for maximum design potential.
