

# MAYCREST

## PORCELAIN TILE

Capitalizing on the most popular style in the market, Maycrest pressed porcelain collection offers supreme hardwood realism with authentic hand-scraped texture. The stunning color palette features Hazelnut Spice, Sunset Natural and Light Charcoal with a range of trending hues for each option.

Beautifully emulating the look and feel of true wood, Maycrest features a subtle textured punch for a more authentic wood feel, providing the much sought-after, soft hand-scraped visual. State-of-the-art Reveal Imaging technology adds realistic depth and multi-tonal dimension to the 6" x 24" planks, which are proudly made in the USA.
