

**DESIGN**

|                          |                               |
|--------------------------|-------------------------------|
| Product Type:            | CYP - Computer Yarn Placement |
| Construction:            | Tufted                        |
| Surface Texture:         | Textured Patterned Cut        |
| Gauge:                   | 1/10                          |
| Stitches Per Inch:       | 10.6                          |
| Dye Method:              | Solution                      |
| Backing Material:        | Weldlok®                      |
| Fiber Type:              | Colorstrand® SD Nylon         |
| Tufted Face Weight:      | 36 oz.                        |
| Size:                    | 12'                           |
| Soil Release Technology: | EcoSentry                     |

**SUSTAINABILITY**

|                                |                                   |
|--------------------------------|-----------------------------------|
| IAQ Green Label Plus:          | 8216                              |
| Pre-Consumer Recycled Content: | 51% Pre-Consumer Recycled Content |
| NSF 140:                       | Gold                              |
| Declare Label:                 | Declared                          |

**PERFORMANCE**

|                |                                      |
|----------------|--------------------------------------|
| Static:        | Less than 3.5 K.V.                   |
| Flammability:  | Meets or exceeds requirement Class 1 |
| Smoke Density: | 450 or Less                          |

**SERVICE**

|             |  |
