Durkan Founded

Tom Durkan founds Durkan Carpet Corporation, a small contract operation in NYC catering to architects and commercial interior designers.

Durkan Facility Expansion

Durkan has a 10,000 SF rented warehouse, 12 employees, annual sales of \$3 million and a focus on continual product improvement.

Tom Durkan's children join the business and expand focused market segments to healthcare, gaming, contract commercial, theaters, shopping malls and international sales.

Leading in Innovation

Durkan invests over \$40 million in upgrades and plant improvements, acquiring the best equipment for manufacturing and working as a visionary in hiring practices with females on the management team and sales force in a highly male dominant industry.

Definity Launched

Durkan introduces Definity, the new standard in sustainable luxury. Crafted with Precision Sculpted Technology, Definity is capable of producing the highest definition of texture, pattern and color ever achieved in high-end hospitality flooring.
