

# Infuse 029

**DURKAN**  
Mohawk Group Hospitality

Inspired by the mystery and stillness of the underwater world, this collection draws from water bodies and the elements they hold, creating a fluid dialogue between the ocean's abundance of textures and shapes and the indoor environment. Deep blues and sunlit neutrals reflect the harmonious balance found in nature's hidden depths, while distinct abstract forms capture the essence of the sea's serene inhabitants. Every shape is deliberate, every texture intentionally exaggerated, and the colors remain unapologetically vibrant, yet harmoniously soothing.

# Definity

Definity lifts luxury design to the level it demands—where every detail of color and texture can be defined to the highest degree. Designers enjoy supreme creative flexibility across color, pattern, and texture allowing you to fully define and express your vision.

Only Definity technology allows for precise sculpting of the carpet's surface, producing a range of textural formations. The result is carpet with a truly dimensional presence, a fusion of visual effects and tactile reality.
