# A PERFECT SYMPHONY

*Embrace design that can speak volumes.*

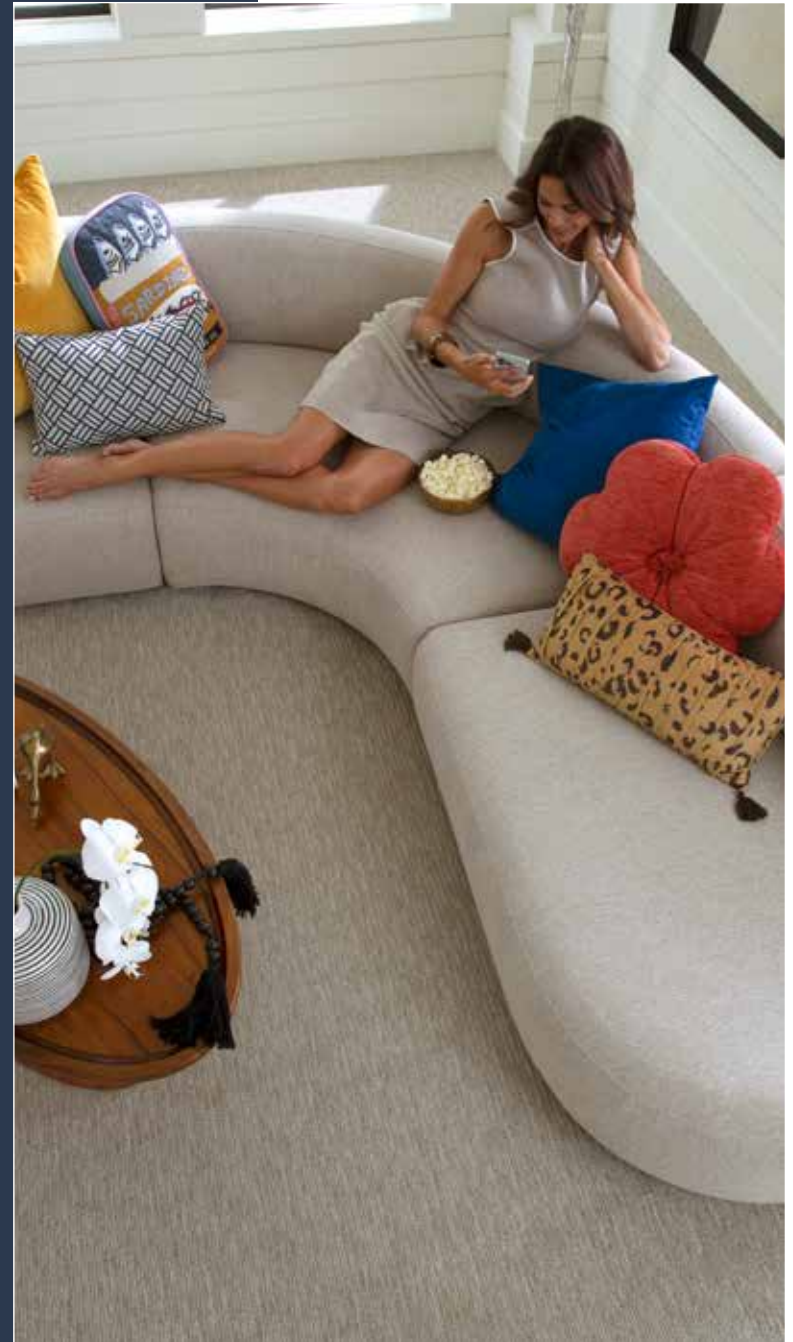

## IN HARMONY

Stay in tune with your surroundings thanks to durable, easy-to-clean SmartStrand®. This incredibly soft, sound-cushioning carpet complements high-end, timeless pieces and accentuates abstract pops of art.

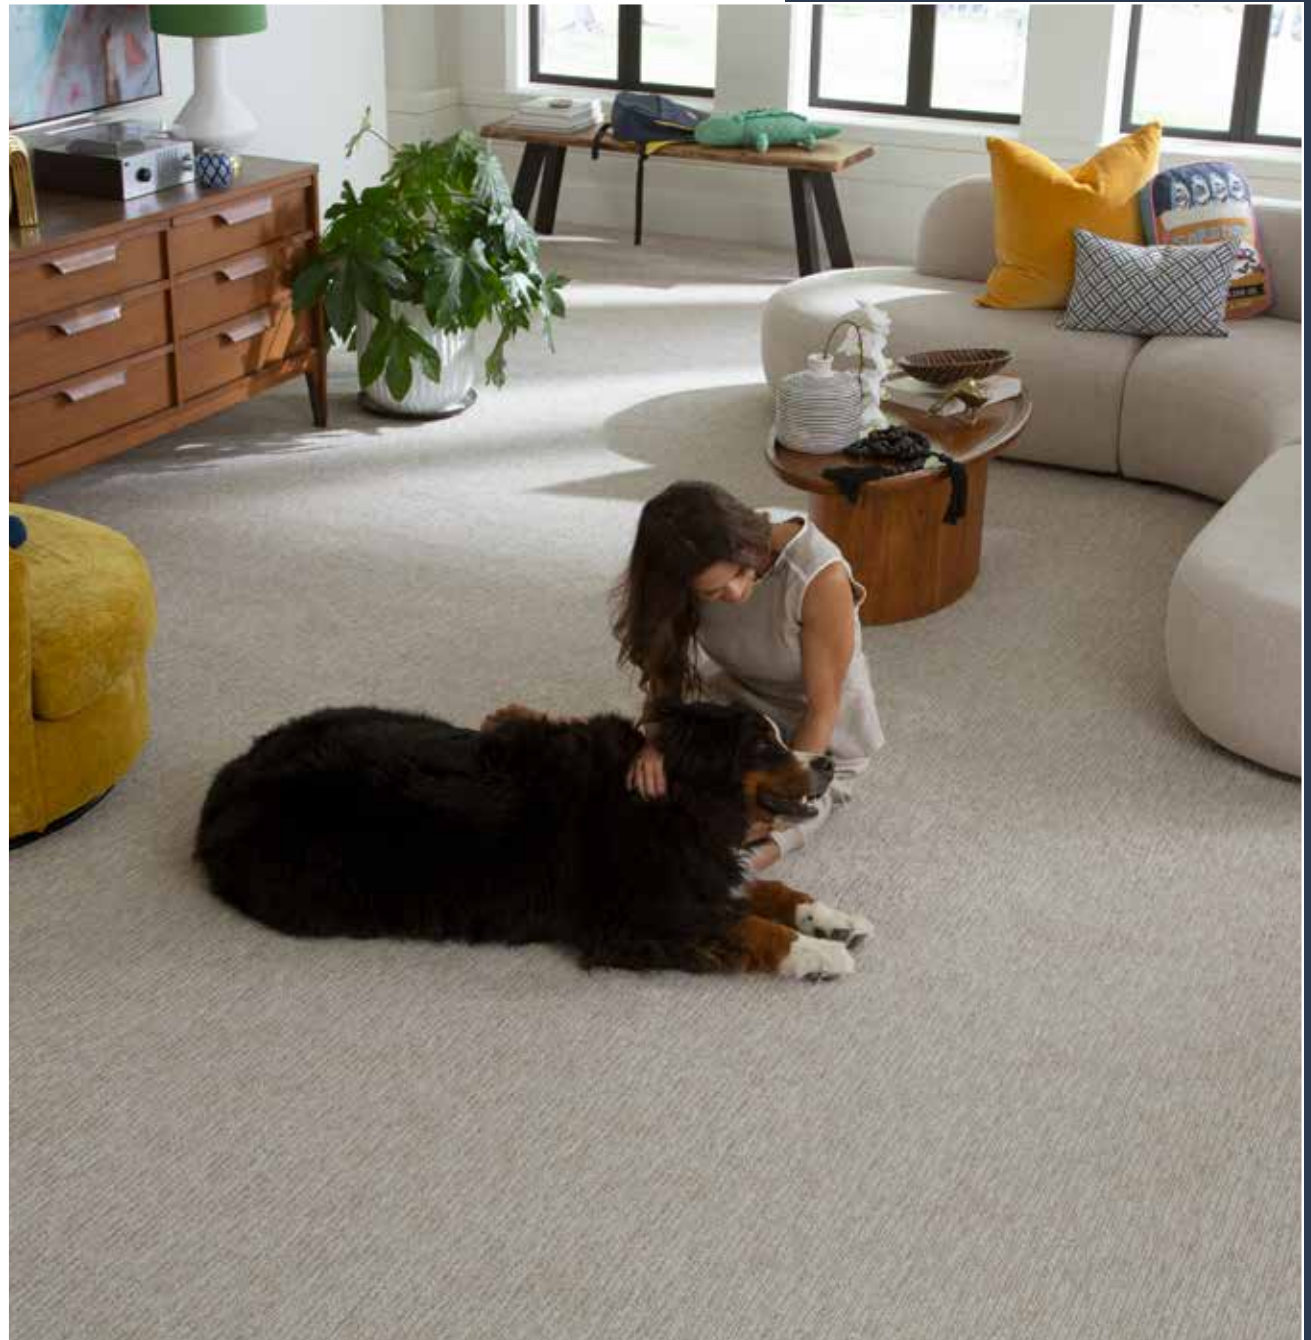

Dare to go bold with your decor. Neutral colorways in your home allow for more creative freedom and flexibility when selecting unique accent pieces for your space. Choose luxe pillows, vibrant canvases, or abstract shapes for a customized look.

## MAN'S BEST FRIEND

Just because you have four-legged friends doesn't mean you should compromise your chic style. With carpet that's durable and easy to clean, you can focus on the overall aesthetic of your room.

*Farrington Crest | Tree Lights Hickory*

Neutral-color flooring is the easiest way to help your personality shine through in your decor. Create visual interest by adding pops of color through the use of accessories, artwork, and furnishings to create a sense of harmony throughout the design of the space.

*Union Bridge | Ebony*

*Fretwork | Grey Velvet*

# OLD ROOTS, NEW BRANCHES

*A blend of found objects and modern touches in dramatic colors transforms this spacious bathroom from cavernous to cozy.*

COMING JANUARY 2025

## A PERFECT CANVAS

A mid-toned natural wood look creates the ideal backdrop for you to endlessly infuse your unique style into a space. With its neutral undertones, it harmonizes beautifully with nearly any color, making it perfect for those who delight in transforming their surroundings time and time again.

COMING JANUARY 2025

*Summerhill Chase | Primrose*

# WONDERFULLY WATERPROOF

LuxeCraft® luxury vinyl floors are beautifully designed with advanced waterproof protection, making them an ideal choice for any room where water frequently meets the floor, such as this charming bathroom.

COMING JANUARY 2025

A bathroom is a safe haven, made to pamper and unwind. Use trinkets that are both useful and decorative, like perfume bottles, flower vases, and jewelry dishes, to make the space feel authentic and lived-in.

*Danbury Alcove |  
Cafe Crepe Walnut*

*Chateau Leon | Cathedral Taupe Oak*

*Coastal Elegance | Moss Grove*

Don't be afraid of bold jewel tones. Deep tones in furniture, paint, and accessories add a bit of drama to the space. Mixing vintage pieces with new designs is another way to achieve your own eclectic design style.

COMING JANUARY 2025

# SPICE UP YOUR SPACE

*Sleek furnishings, charming personal touches, and elegant floors make the kitchen of our dreams.*

# SECRET INGREDIENT

It's no mystery that the heart of any home is the kitchen — and LuxeCraft is a great flooring choice with its waterproof technology and cosmopolitan design. Elevate this space further with sophisticated brushed brass knobs that make your furnishings stand out.

COMING JANUARY 2025

*Windham Shores | Aleia*

Say no to unnecessary clutter in the kitchen. Use functional items like patterned dish towels, cookbooks on stands, and potted herbs so every item on display has a purpose.

KARASTAN LOOKBOOK | SIXTH EDITION

# FRESH & CLEAN

There's probably no room in the house that is prone to messes more than the kitchen. With extra stain and scratch protection, you can go from prep to pre-rinse with no worries. Add intrigue with light floors and rich dark cabinets to make the space look more luxurious.
