Hot & Heavy II

Bolder 3.0 PVC Free

Bolder 3.0 PVC Free

Discover durable, PVC Free flooring that performs. Part of the Hot & Heavy II Collection, Bolder 3.0 PVC Free resilient tiles are built to withstand heavy traffic while offering easy maintenance—all on a Red List Free platform.

Featuring concrete and metallic visuals in a soft, neutral palette, Bolder styles also offer the design flexibility of multiple platform options: 2.5mm glue down LVT, 3.0mm PVC Free, and 5.0mm loose lay LVT. With an 18”x36” tile size and the same high-performance attributes across all platforms, you can engineer your flooring choice to meet project priorities without changing your design.

Bolder 3.0 PVC Free reflects our commitment to transparency and healthy materials. We’re proud to continue to expand our portfolio of hundreds of Red List Free flooring products, delivering sustainability without compromising on style or performance.

Ultra Performance and Worry Free Solutions for Any Project

Bolder 3.0 PVC Free is designed with a 20 mil heavy commercial wear layer and our premium M-Force™ Ultra technology, which delivers a complete performance system. The 3.0mm platform does not require transition strips to our EcoFlex™ Matrix backed carpet tile products, reducing installation time and costs.

M-Force™ Ultra

Hot & Heavy II features our M-Force™ Ultra technology providing exceptional scratch, stain and dent resistance, and easy maintenance for lasting beauty.

Elemental Edges
Wall Base

Elemental Edges is a portfolio of architectural and cove wall base for your finishing needs. Featuring a range of colors that coordinate with our full product line, the collection also offers 14 stocked colors in cove wall base.

Better for People and Planet

Our future depends on the work we do today. At Mohawk Group, commitment to our planet extends beyond just products and processes: it's how we challenge ourselves to do and be better every day, how we make decisions, how we reinvest in our people and our planet, and how we define what matters most as we work to deliver value for generations to come.

Climate Health

Beyond Carbon Neutral

Beyond Carbon Neutral
Carbon neutral PLUS an additional 5% carbon offset for a net-positive impact on the environment.

Net Zero Carbon Emissions by 2040
We've signed The Climate Pledge to be net zero by 2040 and have already started major changes to reduce our carbon footprint.

Circular Economy

End of Life Options
Salvageable/Reusable in its Entirety
Take Back Program (ReCover)

Ecosystem Health

Neutral Is Not Enough
With the holistic improvement of the life cycle of our flooring products – from full product transparency, to reduced water usage in manufacturing, to carbon neutrality and beyond – better is just the beginning.

RECOVER
RECYCLING PROGRAM

Give your old flooring a second life with our award-winning ReCover Recycling Program. We will take away flooring made by any manufacturer, recycle it for you, and provide a certificate showing your positive impact on the planet.
