

Chromascope 2.5 | 5.0

As the digital world becomes omnipresent in our lives, color can provide the engaging stimuli necessary to help us reclaim our humanity and our place within the ecosystem. Subdued pastoral brights wash over natural earth tones to bring biophilic harmony through Chromascope. This LVT takes its hues from the places where we find both solace and renewed focus: whether it be sunrise over a mountain peak, or the deep shading of the forest.

Chromascope is part of the Hot & Heavy II collection, available in both 5.0mm and 2.5mm thicknesses to deliver installation advantages that save time and reduce cost. The 5.0 thickness can be installed with a loose-lay method; larger areas need only a perimeter spread of releasable adhesive. The 2.5 thickness can be installed with the same releasable adhesive. Quickship is also offered on several neutral colorways in the 2.5mm thickness.

With a 18" x 36" format and 24 colorways for a wide variety of design possibilities, Chromascope makes it easy to create a space that is as unique as its inhabitants.

QuickShip

Mohawk Group is ready to help you when you need it with our QuickShip program. Get quick access to hundreds of commercial flooring products available to ship within 10 business days (up to 2,000 square yards for Soft Surface and up to 5,000 square feet for Hard Surface) and curated collections for those fast turnaround projects.

QuickShip available for Chromascope 2.5 only. For the most up-to-date inventory, please visit www.mohawkgroup.com or reach out to your sales executive or customer service representative.

Ultra Performance and Worry Free Solutions for Any Project

Chromascope 2.5 | 5.0 is available in two thicknesses, offering a seamless transition to a variety of soft surfaces and helping you meet the needs of different projects. Both products are designed with a 20 mil heavy commercial wear layer and our premium M-Force™ Ultra technology, which delivers a complete performance system for LVT.

M-Force™ Ultra

Hot & Heavy II features our M-Force™ Ultra technology providing exceptional scratch, stain and dent resistance, and easy maintenance for lasting beauty.

Quicker Installation

The 5.0 thickness can be installed loose-lay; larger areas need only a perimeter spread of releasable adhesive. The 2.5 thickness can be installed with the same releasable adhesive. No wet-set installation needed.

All our flooring products go Beyond Carbon Neutral, meaning they are 100% carbon neutral plus an additional 5% carbon offset for a Net-Positive impact.

Styles from the Hot & Heavy II Collection are the only LVT products on the market to be NFSI Certified Slip Resistant in wet conditions.

Elemental Edges Wall Base

Our portfolio of architectural and cove wall bases are offered in 14 QuickShip colors that coordinate perfectly with our full suite of soft and hard surface products.

2.5MM FLEX

Reducing installation time and costs, no transition strips are needed between the 2.5mm platform and EcoFlex™ Matrix backed carpet tile products. The 2.5mm tiles use the same releasable adhesive as the 5.0mm tiles. No wet-set installation is needed.

- May contribute toward LEED/WELL
- UL certified EPD
- No ortho-phthalates
- Floorscore® certified for low VOCs

5.0MM FLEX

Reducing installation time and costs, no transition strips are needed between the 5.0mm platform and EcoFlex™ ONE or EcoFlex™ AIR backed carpet tile products. The 5.0mm tiles may be installed loose-lay; areas larger than 20' in any direction require a perimeter spread of releasable adhesive.

- May contribute toward LEED/WELL
- UL certified EPD
- No ortho-phthalates
- Floorscore® certified for low VOCs

Specifications

Chromascope 2.5mm (C2113)
Chromascope 5.0mm (C2114)

DESIGN

Product Type	Luxury Vinyl Tile - Flexible
Overall Thickness	2.5mm 5.0mm
Wear Layer	20 mil (0.5mm)
Finish	M-Force™ Ultra
Colors	24
Size	
2.5mm Actual	18" x 36"
5.0mm Actual	18" x 36"
Emboss	Overall
Edge Profile	Squared Edge
Installation & Adhesive	2.5mm Glue Down 5.0mm Loose Lay
Packaging	
2.5mm	12 pcs per carton / 54 sq ft per carton
5.0mm	6 pcs per carton / 27 sq ft per carton

PERFORMANCE

Construction	Commercial Flexible Luxury Vinyl Tile
Classification	ASTM F1700 - Class III, Type B - Embossed
Squareness	ASTM F2421 - Passes - $\pm 0.10"$ max
Size and Tolerance	ASTM F2421 - Passes - $\pm 0.016"/$ linear foot
Thickness	ASTM F386 - Passes, as specified $\pm .005"$
Flexibility	ASTM F137 - Passes - 1" mandrel
Dimensional Stability	ASTM F2199 - Passes - 0.020"/linear foot max
Static Load Limit	ASTM F970 - Passes, modified at 1000 psi
Residual Indentation	ASTM F1914 - Passes, Avg less than 8%, Max Single Reading 10%
Resistance to Chemicals	ASTM F925 - Passes - No more than a slight change
Resistance to Light	ASTM F1515 - Passes, $\Delta E \leq 8$
Resistance to Heat	ASTM F1514 - Passes, $\Delta E \leq 8$
Critical Radiant Flux	ASTM E648 - Class 1 (>0.45 W/cm ²)
Smoke Density	ASTM E662 - Meets, 450 or less
Slip Resistance	NFSI B101.1/B101.3 Slip Resistant Certified

SUSTAINABILITY

Certification	FloorScore® Certified
Carbon	Net-Positive Carbon (Neutral +5%)
