## Company Overview

Mohawk Group makes flooring simple with our all-in-one “No Worries” portfolio for education and government spaces—delivered on time and within budget. As the world’s largest flooring manufacturer, we bring unmatched expertise to support TIPS members, helping facility and procurement professionals in the public sector navigate challenges with confidence every step of the way.

### OUR “NO WORRIES” PORTFOLIO

- Comprehensive selection of modular and broadloom carpet, LVT, HT, resilient sheet and accessories made in the USA for fast service and delivery.
- Hundreds of popular styles & colors available through our Quick-Ship program (shipping within 10 business days or less).
- Turn-Key Project Management and Installation Services
- Products made for the ultra-demanding requirements of school buildings for reduced cost of ownership:

EcoFlex® ONE, the industry’s most advanced modular carpet

- Ease of maintenance and long durability with Duracolor® Tricolor nylon
- Greater comfort underfoot for teachers and students
- Reduces noise and supports quieter, calmer spaces
- Mitigates high-moisture issues – no moisture testing required for installation
- Beyond Carbon Neutral, 72% minimum recycled content and NSF-140 Platinum certified.

Mohawk’s LVT (manufactured in the USA) with M-Force® and M-Force® Ultra provides the highest durability and long-term protection from scratches, stains, dents and wear with simple no-polish maintenance.
