

Yarn Spinner

Yarn spinning is a process that goes back thousands of years and spans all cultures across the globe. Today these yarns spin a story of the past, providing insight into the lives of our ancestors. Through many generations the craft has stood the test of time, though now disrupted and far removed — having evolved from humble handcrafted beginnings to become more modern industrial and technological marvels.

As technology and industry have taken over so many aspects of our lives, we are seeing a cultural shift toward appreciation back to craft and the handmade. Here, we look to the patterns and textures of the past for inspiration and guidance for the future. The patterning within the Yarn Spinner carpet collection reflects a wide range of colors and styles while paying respect to the spinners of yesterday, today and tomorrow.

Specifications

Yarn Spinner

DESIGN

Size	12' width (3.66m)
Basegrade	Synthesis Second Wave
Dye Method	Precision Dye Injection (PDI)
Fiber Type	100% Colorstrand Nylon
Weight	36 oz

PERFORMANCE

Construction	Tufted
Stain Release Technology	EcoSentry Plus Stain Protection
Soil Release Technology	EcoSentry Soil Protection
Bleach Resistance Treatment	Chloraguard®
Backing Material	Weldlok®
Flammability	ASTM E 648 - Class 1 (Glue Down)
Smoke Density	ASTM E 662 - Less than 450
Static Propensity	AATCC - 134 Under 3.5 KV

SUSTAINABILITY

Certification	Declare Red List Free
Indoor Air Quality	Green Label Plus Certified #6678
NSF 140	Gold

SERVICE

Warranties	10 Year Limited Wear Warranty, Lifetime Static
------------	--

***All patterns minimum order of 50 sq./yds.**

*Required Order Overages:	50-1499 sq./yds. - 10%
	1500-4999 sq./yds. - 5%
	5000+ sq./yds. - 3%

Mohawk Group warrants its adhesives for the life of the original installation only when a Mohawk Group style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk Group adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

These patterns contain inherent characteristics which may result in pattern run off and/or pattern appearance variations at the seams or tile edges (darker or lighter pattern lines). These characteristics are inherent in the patterns and are not manufacturing defects. Consideration to these characteristics should be given when selecting an installation method.

Chair pads are recommended under office chairs with roller casters to preserve appearance retention, act as a deterrent toward delamination and to prevent premature or accelerated wear. Walk-off tiles from the Tuff Stuff II Collection are recommended at entryways to reduce soiling.

Mohawk Group is providing this architect folder for the purpose of promoting our commercial business. This folder and its samples shall remain the property of Mohawk Group. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations.
