

Area Rugs

Applied Science KC218, Theoretical Model 858
(opposite Clearly Classic 721 Wood Ash, Grown Up 851 Butler)

Mohawk Group believes in empowering architects and designers with the tools to achieve their vision. With the Area Rug Program, we expand the palette by merging the design of broadloom with the scale and versatility of area rugs. Simply put, Mohawk Group broadloom and Definity offerings may now be transformed into beautiful area rugs in a few simple steps.

Sophistication made simple.

Our versatile Area Rug Program offers countless possibilities to create and accent sophisticated spaces that reflect your design vision in 5 easy steps:

1. Select your pattern and color
2. Determine your rug size
3. Select edge treatment and color
4. Determine if a rug underlayment is needed
5. Submit your order

Ready to order?

Submit information in one of three ways below.

- Contact your Mohawk Group or Durkan Account Executive
- Email custom_cs@mohawkind.com
- Call 800.622.6228, ext. 24733

5 easy steps to the rug of your dreams.

1

Select your pattern and color

Choose any pattern from our running line broadloom, woven, and Definity styles.

2

Determine your rug size

Choose any shape and size up to
- 12' W x 45' L for running line broadloom options, or
- 15' W x 45' L for Definity styles.

3

Select edge treatment and color

Mohawk Group offers a variety of edge treatments for any setting.

Serging

The yarns featured here are some of the most common selections, but any yarn from our Color Space and Heathered Hues banks may be selected.
