

Assembled Woods

Angular Grain Planked

Assembled Woods

Change your viewpoint with Assembled Woods, a new LVT that reimagines the look of wood flooring. This dynamic faceted wood visual brings a contemporary geometric look through two styles that offer flexibility and creative freedom in your space.

Angular Grain sets the stage with abstract cut wood inlays. This 18” x 18” tile offers a different angle on classic parquet flooring. Where traditional parquet tiles have straight inset planks, Angular Grain departs from this look through angled cuts that break up the rectilinear surface meeting at distinct points.

To complement this, the collection also offers Planked, a 6” x 36” oak visual with subtle grain movement. Each Angular Grain colorway is thoughtfully paired with two corresponding Planked colorways. The wood tones match, allowing for complete design flexibility in pattern and arrangement. These styles are versatile to support and accommodate complex layouts with the ease of this simple LVT platform, available in two sizes and one 5.0 mm thickness.

Enhance your space with the visuals of bespoke craftsmanship and natural beauty.

Angular Grain COLORWAYS

Where traditional parquet tiles have straight inset planks, Angular Grain departs from this look through angled cuts that break up the rectilinear surface, meeting at distinct points. Each colorway coordinates with two Planked colorways to enable unique designs.

Planked COLORWAYS

As a complement to Angular Grain or used on its own, Planked provides a 6” x 36” oak visual with subtle grain movement.

Limitless Installation Options

Assembled Woods provides total creative freedom for your flooring layouts. Use the 6” x 36” planks to create a perfect herringbone with almost no waste, or mix the planks and 18” x 18” tiles to form completely new patterns. The two sizes fit together in all types of configurations, and the juxtaposed visuals amp up every design instantly. Below are just a few possibilities for patterns.

Ultra Performance and Worry-Free Solutions for Any Project

Assembled Woods is designed with a 20 mil heavy commercial wear layer and our premium M-Force™ Ultra technology, which delivers a complete performance system for LVT. The 5.0 mm thick platform offer multiple advantages that reduce installation time and costs.

M-Force™ Ultra

This product features our M-Force™ Ultra technology providing exceptional scratch, stain and dent resistance, and easy maintenance for lasting beauty.

Quicker Installation

At 5.0 mm thick, this product can be installed loose-lay; larger areas need only a perimeter spread of releasable adhesive. No transition strips are needed when using EcoFlex™ ONE or EcoFlex™ AIR backed carpet tile.

Beyond Carbon Neutral

All our flooring products go Beyond Carbon Neutral, meaning they are 100% carbon neutral plus an additional 5% carbon offset for a Net-Positive impact.

Specifications

Planked (C2132)
Angular Grain (C2133)

DESIGN

Product Type	Luxury Vinyl Tile - Flexible
Overall Thickness	5.0 mm
Wear Layer	20 mil (0.5mm)
Finish	M-Force™ Ultra
Colors	Planked: 10 Angular Grain: 5
Size (Actual)	Planked: 6” x 36” Angular Grain: 18” x 18”
Emboss	Overall
Edge Profile	Squared Edge
Installation & Adhesive	Loose Lay For detailed adhesive and installation information visit mohawkgroup.com

PERFORMANCE

Construction	Commercial Flexible Luxury Vinyl Tile
Classification	ASTM F1700 - Class III, Type B - Embossed
Squareness	ASTM F2421 - Passes - ±0.10” max
Size and Tolerance	ASTM F2421 - Passes - ±0.016”/linear foot
Thickness	ASTM F386 - Passes, as specified ± .005”
Flexibility	ASTM F137 - Passes - 1” mandrel
Dimensional Stability	ASTM F2199 - Passes - 0.020”/linear foot max
Static Load Limit	ASTM F970 - Passes, modified at 1000 psi
Residual Indentation	ASTM F1914 - Passes, Avg less than 8%, Max Single Reading 10%
Resistance to Chemicals	ASTM F925 - Passes - No more than a slight change
Resistance to Light	ASTM F1515 - Passes, ΔE ≤ 8
Resistance to Heat	ASTM F1514 - Passes, ΔE ≤ 8
Critical Radiant Flux	ASTM E648 - Class 1 (>0.45 W/cm2)
Smoke Density	ASTM E662 - Meets, 450 or less
Slip Resistance	NFSI B101.1/B101.3 Slip Resistant Certified

SUSTAINABILITY

Certification	FloorScore® Certified
Carbon	Net-Positive Carbon (Neutral + 5%)

SERVICE

Warranties	Limited 20 Year M-Force™ Ultra Commercial For detailed warranty information visit mohawkgroup.com

RECOVER
RECYCLING PROGRAM

Give your old flooring a second life with our award-winning ReCover Recycling Program. We will take away flooring made by any manufacturer, recycle it for you, and provide a certificate showing your positive impact on the planet.
