IV. General Terms and Conditions

Mohawk Group luxury vinyl flooring is warranted as indicated above in continuous climate-controlled interior environments. The following general terms and conditions apply. If you have questions regarding the warranty information, please contact your retailer or Mohawk Group sales representative.

1. These warranties apply only to the original owner and the first installation of the product and are nontransferable. The “original owner” is the person stated as the buyer on the purchase document(s).
2. Mohawk Group will, at its option, repair or replace product not meeting the above-listed warranties according to the proration schedule set out below. When replacement of the flooring is made, only new material from the current product range at the time of the claim will be supplied by the distributor or retailer. If the product was originally professionally installed, Mohawk Group will evaluate additional costs associated with any defective product and, at its option, may choose to provide assistance. It may be necessary to engage a certified inspector to assess the reported issue(s). Mohawk Group will determine if such engagement is necessary
3. Mohawk Group’s responsibility under these warranties only applies to hidden defects that were not visible before or during the installation of the Mohawk Group luxury vinyl flooring. Material installed with visible defects is considered accepted by the owner.
4. These warranties do not apply to Mohawk Group luxury vinyl flooring that has been subject to abnormal use or conditions or abused in any way. “Abnormal use or conditions” includes, but is not limited to, damage from plumbing or appliance leaks, storms, or floods; damage from smoke, fire, or other casualty events; damage caused by negligence or improper alterations of the original manufactured product. “Abuse” is any use of the flooring that is unreasonable considering the normal and expected uses of Mohawk Group luxury vinyl flooring in a residential or light commercial environment. These warranties apply only to indoor installations of flooring in dry and climate-controlled conditions. The feet of furniture must always be covered with appropriate protective material. Chairs, sofas, or furniture with casters must be fitted with soft rubber wheels and placed on an adequate protective mat, or casters must be placed in protective caster cups.³
5. These warranties apply only to first quality Mohawk Group luxury vinyl flooring purchases. Mohawk Group is not responsible for damages to the extent caused by a failure to install product in accordance with Mohawk Group Vinyl Installation Guide over approved substrates and underlayments or a failure to use the recommended adhesives and seam bonds/sealers. The warranty period begins on the date of the original installation.
6. The Waterproof Warranty excludes damage to furniture, fixtures, walls, subfloors, moldings, trims, underlayments, radiant heating elements, or anything not related to Mohawk Group luxury vinyl flooring. Any damage resulting from mold and mildew growth is not covered under the Waterproof Warranty.
7. For pet-related issues, clean any affected area immediately. Any scratching and/or staining resulting from urine, feces, or vomit from anything other than a domestic pet is not covered under these warranties.

8. Walk-off mats must be placed at all exterior entrances to protect Mohawk Group luxury vinyl flooring from soil, grit, deicers, asphalt sealers, and other contaminants capable of damaging the flooring. Suitable walk-off mats should contain both soft and firm fibers to facilitate removal of wet or solid contaminants from shoe soles. An extra set of walk-off mats should be available for each entrance so the mats can be replaced and cleaned weekly during routine maintenance, or more often depending upon site and weather conditions. This routine will prevent walk-off mats from becoming the source of tracked-on contaminants. Walk-off mats should be large enough to allow adequate soil removal.
 9. These warranties do not apply to damage from exposure to extreme heat or sunlight exposure, dryness, or stains as a result of chemical or industrial products (other than recommended cleaning products).
 10. These warranties exclude damage caused by hydrostatic pressure (water or moisture under the floor that is transmitted to the surface through exerted pressure) or other conditions related to water or moisture originating below the floor.
 11. Material must be checked carefully for defects before and during installation and under sufficient lighting. Products with visible defects must not be installed under any circumstances. The retailer must be informed in writing of such defects within 15 days. After this time has elapsed, no further claims will be accepted. Color and gloss issues resulting from material added to an existing installation at a later date and non-warranty related repairs are excluded from coverage.
 12. These warranties do not apply to gaps that are 1/16 inch or less (1.57 mm) or gaps around the perimeter/ fixed objects. Baseboard and/or quarter round should be used to cover all such gaps.
 13. This warranty document is a legal document and sets out the sole obligations of Mohawk Group, so please be sure to read this warranty document in full. MOHAWK GROUP RESERVES THE RIGHT TO CORRECT ANY DEFECT PRIOR TO THE FLOORING BEING REMOVED, REPLACED, OR ANY SETTLEMENT BEING OFFERED.

-
- 3 Manufacturer does not recommend the use of casters on any flooring without appropriate chair pads.
 - 4 By "implied warranties," Mohawk Group means warranties that the law presumes to have been given by the seller even though they are not set out in writing. PLEASE NOTE: Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to the original owner.

V. Light Commercial Defined

Mohawk Group warrants only first quality products for recommended light commercial use. Products will perform as warranted for the stated warranty period when installed in accordance with the Mohawk Group Vinyl Installation Guide over approved substrates and underlayments, using the recommended adhesives if applicable.

- “Light commercial use” is defined as use in environments that do not experience normal to heavy commercial traffic, such as those outlined in the Light Commercial Application Chart below. PLEASE NOTE, warranty exclusions apply with respect to casters and other rolling loads due to the unusual characteristics of this type of wheeled traffic.
- The intended applications include privately owned, in-house businesses, such as daycare centers, doctor’s and dentist’s offices, barber shops, and beauty salons. For questions as to the type of use that is considered light commercial, please contact Mohawk Group Technical Services prior to purchase and installation.
- Mohawk Group is not responsible for usage that is not in compliance with any regulation or code.

VI. Care and Cleaning

Your Mohawk Group luxury vinyl flooring will provide years of enjoyable use. You will find that it is not only beautiful, but durable. It is also much easier to maintain than most other flooring products, thanks to its tough protective finish and moisture resistance. It only takes a few simple care and maintenance steps to keep your Mohawk Group floor looking beautiful for years to come.

Preventative Maintenance:

- Prevent indentations and scratches with the use of nonstaining floor protectors on the legs of chairs, appliances, and all heavy furniture. Floor protectors should be at least one inch in diameter.
- Do not flood floor or subject to standing water.

- Protect your floor from tracked-in dirt by using mats at all outside entrances. Mats should have a nonrubberized backing and be marked as nonstaining.
- Avoid tracking in tar or asphalt from driveways.
- Avoid high-heeled shoes on your floor, as they can cause permanent indentations.
- Protect your floors against burns. Burns from cigarettes, matches, or other extremely hot items can cause permanent damage.
- Avoid exposure to direct sunlight for prolonged periods, as this can cause discoloration.

Cleaning and Maintenance:

- Spills should be cleaned up immediately.
- Use a damp mop to remove loose dirt.
- Wash the floor with nonabrasive, neutral pH floor cleaner.
- Thoroughly rinse the entire floor with fresh, clean water. Remove rinse water and allow the floor to dry completely.

DO NOT use the following on your Mohawk Group Floor:

- Soap-based detergents
- Abrasive or mop-and-shine products
- Floor wax
- Ammonia
- Vacuum cleaner with a rotating beater bar

Always read the cautionary information on all cleaners prior to use, and try in an inconspicuous area to ensure desired results.

IMPORTANT: Never push, pull, or drag furniture, appliances, or other items across the floor. Always place hardboards over flooring or lift and carry furniture and other heavy items.
