Architectural Wall Base

Elemental Edges Architectural Wall Base is an easy-to-order, sustainable solution to traditional millwork. The wide variety of design options, sizes, and running line colors allow you to easily coordinate your project finishes with your Mohawk Group flooring selections.

- Base conforms to wall curves and masks irregular wall surfaces
- Program delivers exceptional scratch, puncture and stain resistance
- 8 design profiles allow for customization and added detailing
- Superior durability without splintering offers easier maintenance over wood
- Simplified installation with standard wall base adhesive keeps projects worry-free
