

LIFELOC®

CARPET SEAM SEALER

- LifeLoc® Solvent-Free Carpet Seam Sealer can be used for direct glue, double stick and conventional stretch-in installations and is resistant to mildew, fungus and professional carpet cleaning.

- ▶ CREATES IMPENETRABLE MOISTURE BARRIER, OFFERS PERIMETER PROTECTION
- ▶ CRI GREEN LABEL PLUS APPROVED
- ▶ NON-FLAMMABLE
- ▶ WATER CLEANUP
- ▶ LOW ODOR/ODORLESS WHEN DRY
- ▶ SUITABLE FOR MOST CARPET BACKINGS

LifeLoc® Solvent-Free Carpet Seam Sealer is recommended for seaming any moisture barrier backing offered by the Mohawk Group and all types of thermoplastic backed carpet products.

LifeLoc® creates an impenetrable moisture barrier and offers perimeter protection when applied following our application guidelines. Engineered to exceed the British Spill and the 10,000 Impacts moisture testing protocols. Additionally, it prevents unraveling and/or delaminating of carpet backings and yarns.
