

MS160

Aerosol Resilient Adhesive

Mohawk MS160 Aerosol Resilient Adhesive is a water-based adhesive recommended for installations of resilient floor coverings. It is particularly convenient since it can be used in occupied buildings and greatly reduces the handling and application requirements associated with conventional adhesives. Mohawk MS160 Adhesive demonstrates highly aggressive grab and shear strength, and has outstanding water and plasticizer resistance.

- Creates impenetrable moisture barrier
- Offers perimeter protection
- Moisture tolerance to 95% RH
- CRI Green Label Plus™ certified
- Non-flammable
- Water cleanup
- Low odor/odorless when dry
- Suitable for most carpet backings

22oz. can packed in boxes of 6
