

# ReWilded Refuge

City Canopy   Hidden Landscape

## ReWilded Refuge

The ReWilded Refuge collection is a celebration of the delicate balance between urban development and the restoration of natural ecosystems. Rewilding is a holistic conservation approach aimed at restoring ecosystems to their natural state by reintroducing native species and ecological processes. It seeks to promote biodiversity, ecological balance, and resilience in degraded habitats.

The ReWilded Refuge collection draws inspiration from rewilding projects such as the High Line and Rail Park, exemplifying the synergy between urban development and the revitalization of natural landscapes.

# Better for People and Planet

Our future depends on the work we do today. At Mohawk, commitment to our planet extends beyond just products and processes: it's how we challenge ourselves to do and be better every day, how we make decisions, how we reinvest in our people and our planet, and how we define what matters most as we work to deliver value for generations to come.

**Declare Red List Free**  
**Health Product Declaration**  
**Green Label Plus Certification**  
Mohawk Group is proud to provide products free of Red List chemicals with verified documentation of their impact throughout the life cycle, with Green Label Plus certification for better indoor air quality.

**UL Certified EPD**  
**Living Product Challenge Petal Certified**

**Beyond Carbon Neutral**  
PLUS an additional 5% for a net-positive impact on the climate.

**Water Positive**  
Mohawk Group balances all water on its Living Product Challenge petal certified carpet tiles by 105% for a net-positive impact on our waterways.

**Neutral Is Not Enough**  
With the holistic improvement of the life cycle of our flooring products – from full product transparency, to reduced water usage in manufacturing, to carbon neutrality and beyond – better is just the beginning.

ReWilded Refuge 12 in x 36 in carpet tiles are Living Product Challenge Petal Certified, for a net-positive impact in both carbon and water. We create these tiles in Glasgow, Virginia, at our Living Site facility using our ColorStrand solution-dyed nylon fiber and EcoFlex Matrix backing.

#### LIVING PRODUCT CERTIFICATION

Produced at our Living Site, ReWilded Refuge is Net Positive for both carbon and water and achieves Petal Certification from the International Living Future Institute by complying with multiple imperatives of all seven petals.

#### EcoFlex™ Matrix

##### BACKING

Using advanced materials and patent engineering, EcoFlex Matrix reduces environmental impact, simplifies floor preparation and installation, greatly reduces sub-floor moisture concerns, and is easier to ship and handle. NSF-140 Gold certified.

#### FLEXLOK+

##### EASY INSTALLATION

Fast and easy installation with FlexLok+ tabs streamlines floor preparation and eliminates the need for wet adhesives.

#### QUICKSHIP

ReWilded Refuge is made in the USA and is available through Mohawk Group's QuickShip and Ready to Ship programs. Visit [mohawkgroup.com](https://mohawkgroup.com) to view available colors and inventories.

#### FIBER

For over 20 years, ColorStrand fiber has continually exceeded the demanding expectations of our customers for their products. With the design flexibility and color intensity of solution-dyed fiber, ColorStrand delivers unsurpassed colorfastness to light, atmospheric contaminants, and harsh cleaning agents.

#### MERGEABILITY

ReWilded Refuge is designed to allow the mergeability of various dye lots, so ongoing maintenance and selective tile replacement will keep your flooring installation looking great for years to come.

#### SEAMLESS TRANSITIONS

ReWilded Refuge does not require transition strips when used with any of our 2.5 mm LVT products, reducing installation time and costs.

#### ADDITIONAL FEATURES

- Lifetime Limited Carpet Tile Warranty
- LEED, WELL & LBC Eligible
- Declare Red List Free
- CRI Green Label Plus
- NSF 140 Gold

# Specifications

City Canopy (BT604)  
Hidden Landscape (BT606)

### DESIGN

Size	12" x 36" (.3048m x .9144m)
Surface Appearance	Patterned Loop
Fiber Type	ColorStrand® SD Nylon
Dye Method	Solution Dyed
Colors Available	7

### PERFORMANCE

Construction	Tufted
Gauge	1/12" (47.00 rows per 10cm)
Stain Release Technology	EcoSentry Plus Stain Protection
Soil Release Technology	EcoSentry Soil Protection
Backing Material	EcoFlex™ Matrix
Flammability	ASTM E 648 - Class 1 (Glue Down)
Smoke Density	ASTM E 662 - Less than 450
Static Propensity	AATCC - 134 Under 3.5 KV

### SUSTAINABILITY

Certification	Living Product Challenge Petal Certified; Declare Red List Free
Indoor Air Quality	Green Label Plus Certified #1171
NSF 140	Gold
Carbon	Net Positive Carbon
Water	Net Positive Water

### SERVICE

Warranties	Lifetime Limited Carpet Tile Warranty, Lifetime Limited Colorfastness to Light, 10 Year Limited Colorfastness to Atmospheric Contaminants, 10 Year Stain Warranty, Lifetime Static
------------	--

Mohawk Group warrants its adhesives for the life of the original installation only when a Mohawk Group style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. The use of Mohawk branded adhesives is required to ensure optimum results and are the only approved adhesives warranted by Mohawk.

**These patterns contain inherent characteristics which may result in pattern run off and/or pattern appearance variations at the seams or tile edges (darker or lighter pattern lines). These characteristics are inherent in the patterns and are not manufacturing defects. Consideration to these characteristics should be given when selecting an installation method.**

Chair pads are recommended under office chairs with roller casters to preserve appearance retention, act as a deterrent toward delamination and to prevent premature or accelerated wear. Walk-off tiles from the Tuff Stuff II Collection are recommended at entryways to reduce soiling.

Mohawk Group is providing this architect folder for the purpose of promoting our commercial business. This folder and its samples shall remain the property of Mohawk Group. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations.
