

Second Home Studio

Rigid Click LVT

Second Home Studio

For every home away from home, Second Home Studio delivers a calming sense of comfort and a chic aesthetic. This rigid click LVT with an attached pad helps to create the quietest spaces resilient flooring can provide, while the collection's eight fresh and contemporary wood visuals blend easily with all types of interior designs. Warm and welcoming, Second Home Studio invites people into peaceful environments where they can focus and unwind.

Cover:
Second Home Studio 948 Driftwood

Second Home Studio is a 7.5" x 48" rigid click LVT that creates a relaxing, comfortable vibe. The 20 mil wear layer and M-Force Ultra technology—a complete performance system for LVT—keep the floor looking beautiful and easy to maintain. The product also streamlines installation as a floating floor and features an attached pad for acoustic comfort.

M-Force™ Ultra

PERFORMANCE FOR LIFE

Second Home Studio features our M-Force Ultra technology providing exceptional scratch, stain and dent resistance, and easy maintenance for lasting beauty.

BEYOND CARBON NEUTRAL

This collection is Beyond Carbon Neutral, for a Net-Positive impact.

ATTACHED BACKING

The fiberglass stabilization layer and cushion backing minimize movement of the product while providing a superb moisture and sound barrier.

QUICKSHIP

Select colors available through Mohawk Group's QuickShip and Ready to Ship programs. Visit mohawkgroup.com to view available colors and inventories.

QUIET SPACES

Our rigid click flooring delivers industry-leading IIC and STC ratings for best-in-class acoustic performance.

Carpet Tile Area Rug Program

Mohawk Group believes in empowering architects and designers with the tools to achieve their vision. With our carpet tile area rug program we merge design with scale and versatility. Pick your favorite Mohawk Group carpet tile design and transform it into a beautiful area rug in a few simple steps:

1. Select your pattern and color
2. Determine your rug size (max. 12'x12')
3. Select edge treatment and color
4. Attached non-skid backing required
5. Submit your order
