

Your customers don't have to choose between the beauty of hardwood and the toughness of laminate — with RevWood® flooring, they can have both! Featuring premium hardwood visuals, waterproof protection, and fade resistance in a variety of price points, RevWood offers long-lasting beauty your customers will love on any budget.

Premium Hardwood
 Visuals at a Value

Deliver the high-end aesthetics of real hardwood at a fraction of the cost, reducing material expenses and long-term maintenance for homeowners.

Domestic
 Manufacturing Capability

Ensures consistent quality, faster lead times, and better supply chain reliability for your projects.

Durable & Trusted Performance

Engineered to withstand trade damage during construction, minimizing claims while meeting homebuyers' high standards for performance and longevity

Mohawk's Uniclic®, the industry's leading glueless locking system, snaps together for fast and easy installation.

The innovative system maintains constant tension between planks for tight joints that trap water on the surface, protecting your floor and subfloor.

Protective Overlay

Protective aluminum oxide top layer to help resist wear, fading, and stains.

Premium Design Layer

Premium hardwood visuals featuring variations in color and texture to perfectly replicate natural wood designs.

Stable HDF Core

Dimensionally stable core made from high-density fiberboard (HDF) to prevent edge breakage.

Premium Acoustic Pad

2 mm premium attached pad designed to absorb shock, protect joints from plank separation, and minimize sound transfer.*

**Only on select RevWood® styles.*

TECHNOLOGIES

PERFORMANCE

WetProtect® technology is a waterproof finish that repels water away from the joints and a lifetime surface and subfloor waterproof warranty.
