

SolidTech® is an easy-to-install and easy-to-clean waterproof floor that is perfect for any room of the home. SolidTech planks offer complete water resistance, making them the perfect flooring solution for humidity-prone climates and moisture-sensitive spaces. Enhanced with stain and scratch resistance, these floors also come with a lifetime All Pet® warranty, making them an ideal choice for households with pets. SolidTech flooring allows for life to be lived through the joy of waterproof.

QUICK & COST-EFFECTIVE INSTALLATION

Uniclic® locking system and score-and-snap capability speed up installation and cut labor costs — ideal for meeting tight timelines on large projects.

EASY TO MAINTAIN

Waterproof and low-maintenance, this flooring stands up to wear and tear — delivering lasting performance with minimal upkeep in high-traffic applications.

STYLE & VARIETY AT A VALUE

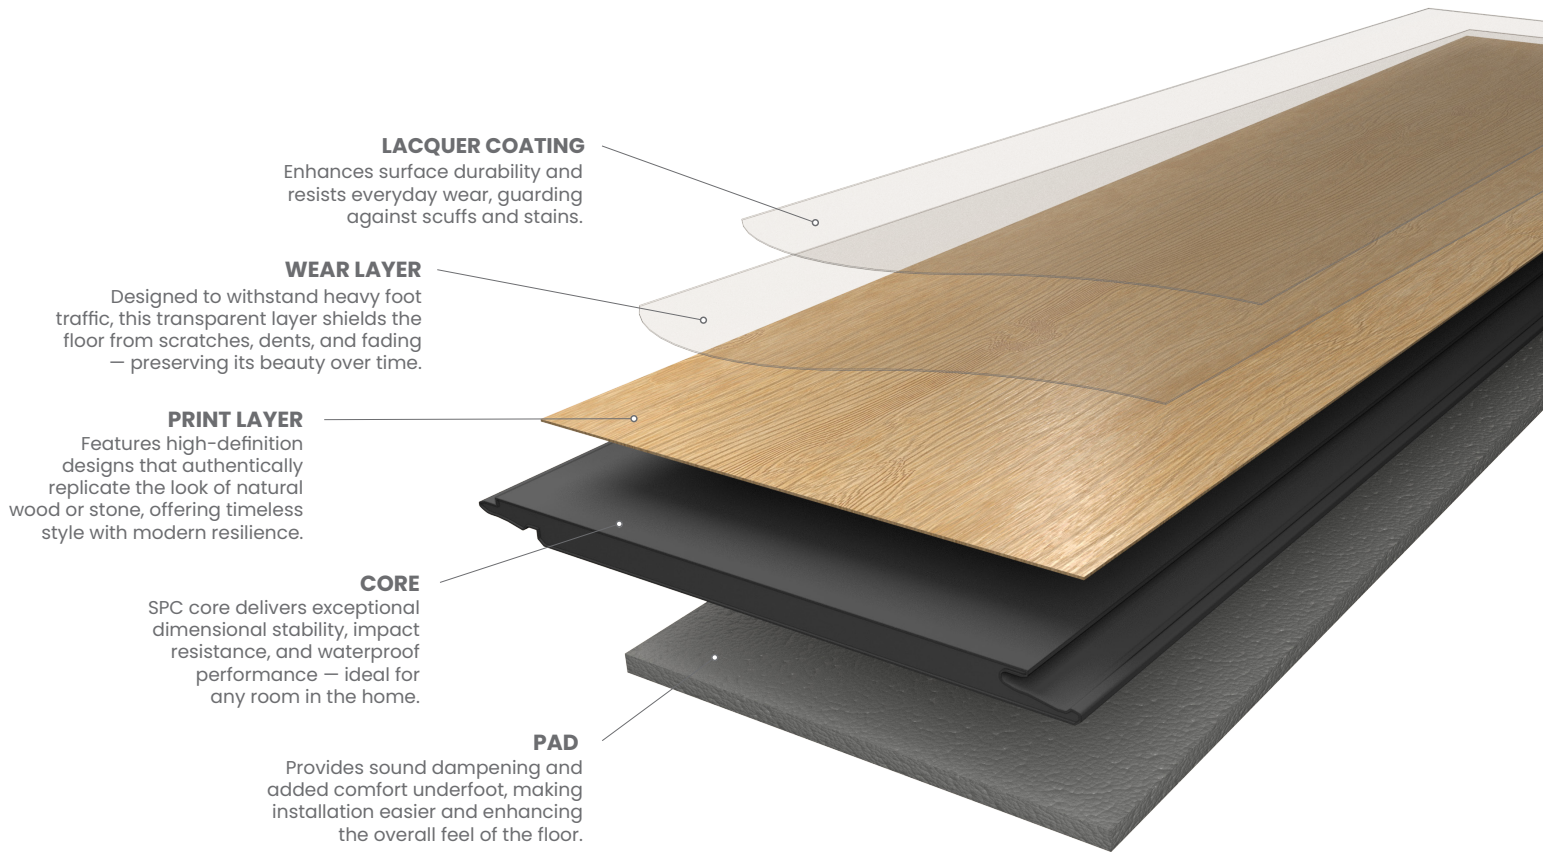

A broad selection of on-trend styles and colors across multiple price points makes it easy to meet design goals without compromising budget or durability.

PRODUCT CONSTRUCTION

LACQUER COATING

Enhances surface durability and resists everyday wear, guarding against scuffs and stains.

WEAR LAYER

Designed to withstand heavy foot traffic, this transparent layer shields the floor from scratches, dents, and fading — preserving its beauty over time.

PRINT LAYER

Features high-definition designs that authentically replicate the look of natural wood or stone, offering timeless style with modern resilience.

CORE

SPC core delivers exceptional dimensional stability, impact resistance, and waterproof performance — ideal for any room in the home.

PAD

Provides sound dampening and added comfort underfoot, making installation easier and enhancing the overall feel of the floor.

TECHNOLOGIES

WetProtect® technology is a waterproof finish that repels water away from the joints and a lifetime surface and subfloor waterproof warranty.
