

While there are many alternatives to wood on the flooring market, nothing looks more like wood than wood itself. That's why Mohawk created TecWood™ flooring. Available in three feature levels at a variety of price points, each TecWood floor displays one-of-a-kind natural wood character. Delivering the color and texture of true hardwood in every plank, TecWood brings the beauty of nature into every room.

Truly Natural Visuals

Natural hardwood veneers create a truly premium, 100% unique floor.

Sustainable

Sustainable, responsibly sourced hardwood.

Adds Value to the Home

Homes with wood floors sell faster & for more money, yielding up to a 10% higher price.
