

**BEAUTIFUL PERFORMANCE HARDWOOD**

Today's flooring customer wants the beauty of wood with durability that can withstand their family's everyday lifestyle. While there are many alternatives to wood on the market, nothing looks more like wood than wood itself. That's why Mohawk created TecWood. Offered in three quality levels to bring beautiful, durable hardwood to consumers at a variety of price points, TecWood is designed to bring the beauty of nature into every room by pairing the color and texture of true hardwood with a scratch resistant finish.

Next time your customer asks for wood flooring that can hold up to their family's lifestyle in any room of the house, show them TecWood

**Truly Natural Visuals**

Natural hardwood veneers create a truly premium, 100% unique floor.

**Dimensional Stability**

Constructed on a high-performance plank to stabilize the natural expansion and contraction of hardwood.

**Long-Lasting Finishes**

Features a variety of finish technologies to protect the color and appearance from scratching or dulling over time.

BEAUTIFUL PERFORMANCE HARDWOOD

TECWOOD TECHNOLOGIES:

*tru*FINISH™

TruFinish offers the benefits of a urethane with the ultra-matte visual of a true oil-finish that brings out the wood's natural beauty.
