

VERSATILITY FOR EVERYDAY LIFE

Mohawk VersaTech sheet vinyl delivers affordable and stylish flooring without compromising performance. Featuring waterproof construction plus an enhanced laquer that provides stain, scuff and scratch resistance now offered at three different price points. VersaTech Essentials, Select and Plus showcase traditional wood and tile looks to modern geometric designs, offering options for every shopper’s style regardless of thier price point.

Waterproof and Wear Protection

The ultimate in waterproof, VersaTech products keep spills on the surface and resists rips, tears and gouges.

Seamless Finish

Leaving no place for dirt to hide, VersaTech products are low maintenance and easy to clean.

Resilient Construction

With fiberglass construction for superior performance, VersaTech products add durability and warmth to any room

VERSATILITY FOR EVERYDAY LIFE

VERSATECH TECHNOLOGIES:

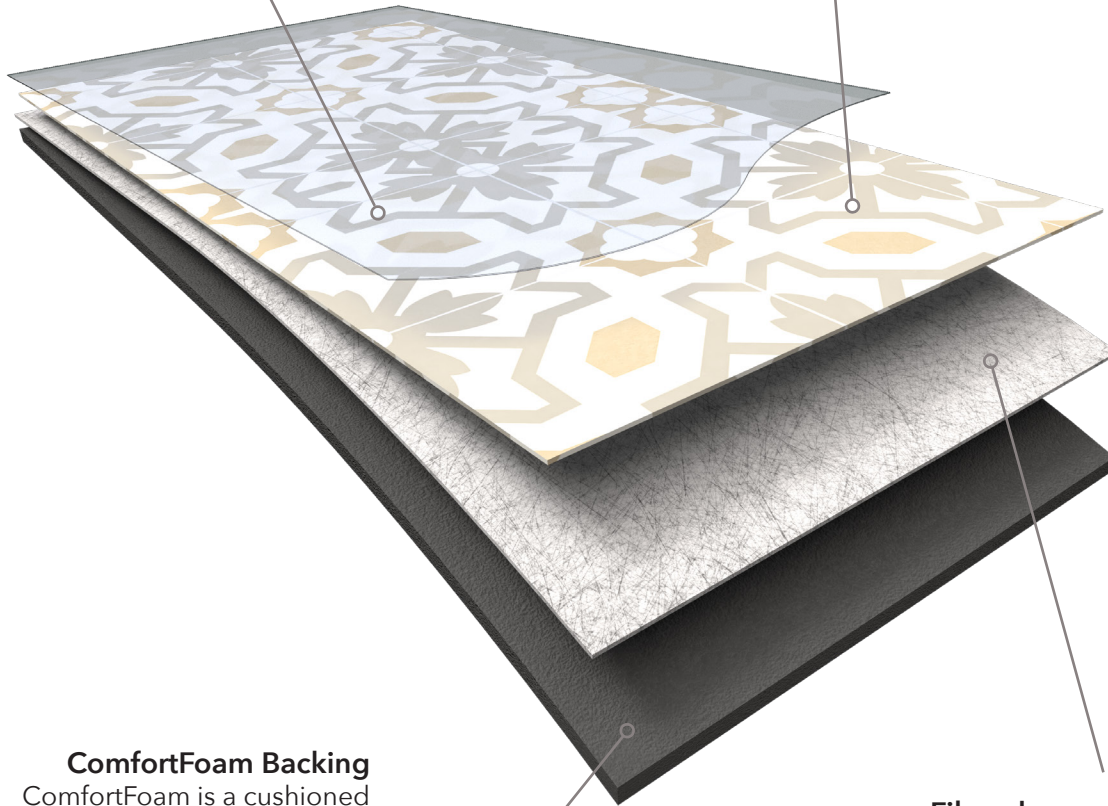

EASYCLEAN
STAIN & SOIL PROTECTION

Enhanced stain and soil protection, ensuring easy cleanup for everyday accidents.

CLEAN PROTECT
with ACTIVEGUARD TECHNOLOGY

VersaTech Plus features CleanProtect with Activeguard Technology that provides antimicrobial properties built-in to protect the floor.

ComfortFoam Backing

ComfortFoam is a cushioned backing that provides the ultimate foundation for support and durability. This backing reduces impact noise and sound transmission while guaranteeing unmatched comfort underfoot. It also provides resistance to mold and mildew.

Fiberglass

The fiberglass core is encapsulated by PVC layers, providing strength with flexibility, while ensuring an easy and trouble-free installation process. This inner layer offers your floor unique dimensional stability, which means no cracking, curling, expanding, or contracting.
