

D DURKAN

FRACTURE

FRACTURE Collection

FRACTURE

This collection began with an appreciation of traditional craftsmanship and artistry which translated to an aesthetic of simplicity, asymmetry, movement and subtle imperfection. By blending modern with history there is a fresh approach yet an indistinct feeling of safety.

The Fracture Collection is featured in CYP and also offered in Durkan's innovative Definity technology as well as PDI. Please contact your rep or visit www.durkan.com for more information.

UT44622 6' (w) X 4'6" (l)

Product Guide

Fracture is available in Definity, PDI and CYP constructions. Each product type utilizes a different manufacturing process which can yield variations in color and texture. Please refer to the guide below for specific color information.

Definity

Durkan's innovative Definity technology is available in up to 12 colors and features our unique precision sculpted technology which explores and emphasizes dimensional effects.

Shown, right and opposite page: QTW46476

PDI

Durkan's Precision Dye Injected (PDI) construction offers a range of patterns available in 12 colors.

Shown, right: D49144

CYP

Durkan's Computer Yarn Placement (CYP) construction offers a range of patterns available in 6 colors.
