INFLUUNT

By Yelena Rodina

INFLUUNT

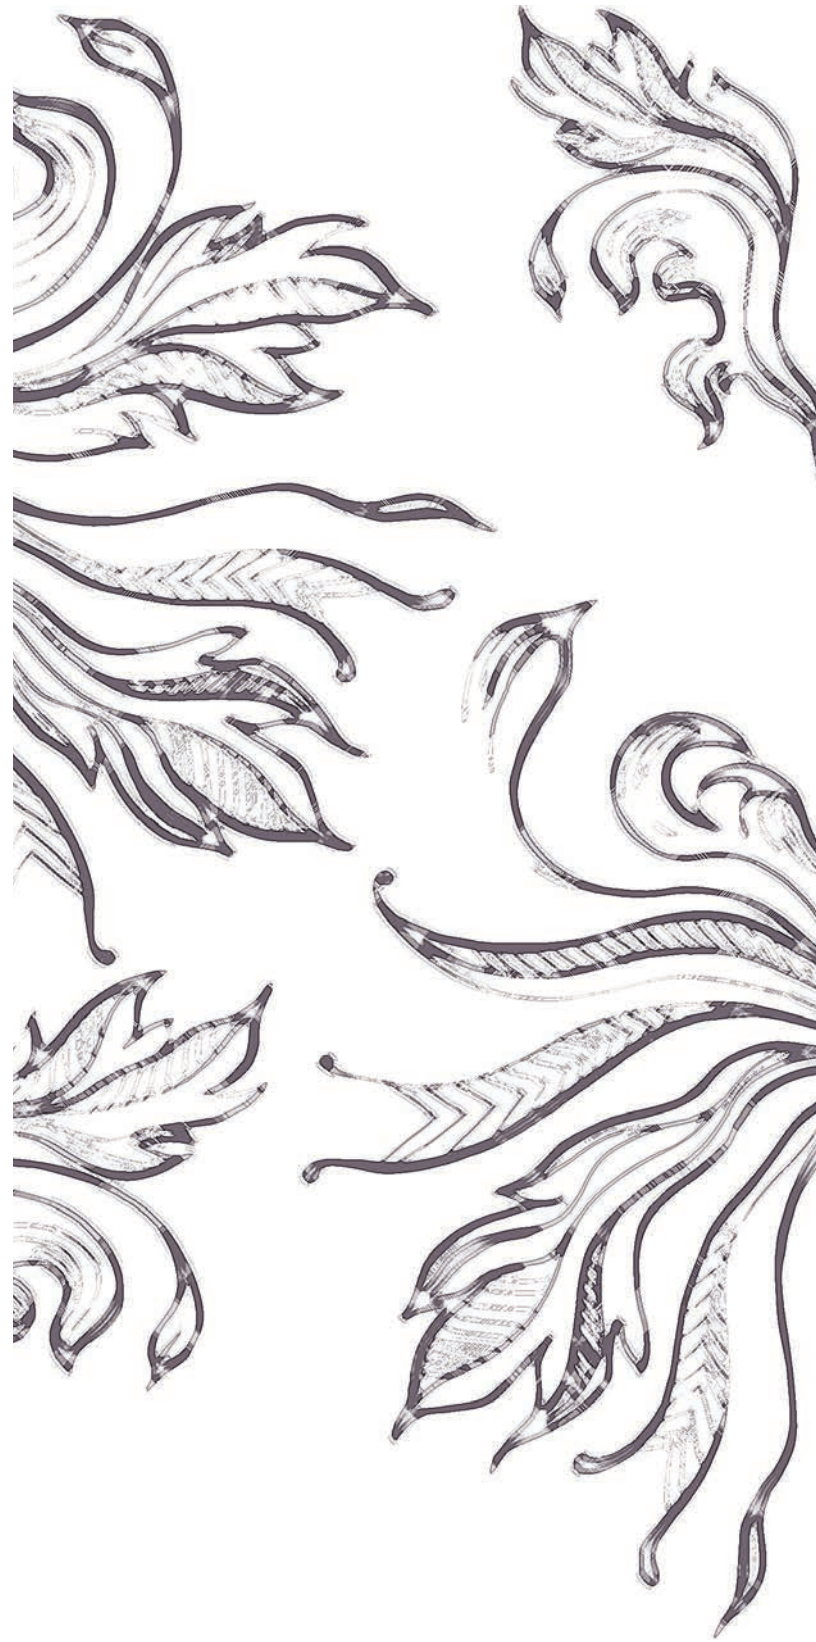

Influunt collection is a passionate interaction between abstract paintings and jacobean embroidery patterns.

Based upon experience of traditional textile art, the collection employs advanced design techniques to transform flat tapestry into multi-dimensional textured carpet.

Like pearl strands, delicate lace ornament weaves into contemporary expressional brushstroke and watercolor paintings, helping to build bridges between past and present.

The history is threaded through the collection awaking personal emotions and poetic spirit.

“Thinly refined lines colliding within
a rapid flow of paint, bleed and
disperse in unpredictable directions
creating illusive, unique sensation.
Layers of paintings and outlined
elements of lace designs combined
with organic textures help to make
the carpet stand out and more
captivating for the eye.”
