Creative Spark

Creative Spark

In the kaleidoscope of human experience, color is one of the most powerful tools we have to express individuality. Colors evoke emotions and symbolize the rich tapestry of perspectives within a community. With Creative Spark carpet tile, you have the power of color at your fingertips.

Bring new facets of experience and emotion into your spaces with Creative Spark's inspired palette of 32 colors. Every hue helps you tell a new story, and each one coordinates across our product collections—empowering you to get creative and play!

Through the inspired use of color in your designs, you can help shape a rich, diverse culture in your spaces—a culture of care, where each individual is seen and celebrated. A culture that sparks a sense of belonging—and ignites the power of collaboration and innovation.

Better for People and Planet

Our future depends on the work we do today. At Mohawk, commitment to our planet extends beyond just products and processes: it's how we challenge ourselves to do and be better every day, how we make decisions, how we reinvest in our people and our planet, and how we define what matters most as we work to deliver value for generations to come.

Human Health

Declare Red List Free

Health Product Declaration

Green Label Plus Certification

Mohawk Group is proud to provide products free of Red List chemicals with verified documentation of their impact throughout the lifecycle, with Green Label Plus certification for better indoor air quality.

Climate Health

UL Certified EPD

Living Product Challenge Petal Certified

Beyond Carbon Neutral

Carbon neutral PLUS an additional 5% carbon offset for a net-positive impact on the environment.

Net Zero Carbon Emissions by 2040

We've signed The Climate Pledge to be net zero by 2040 and have already started major changes to reduce our carbon footprint.

Circular Economy

End of Life Options

Salvageable/Reusable in its Entirety
Take Back Program (ReCover)

Ecosystem Health

Neutral Is Not Enough

With the holistic improvement of the lifecycle of our flooring products – from full product transparency, to reduced water usage in manufacturing, to carbon neutrality and beyond – better is just the beginning.

Water Positive

Mohawk Group balances all water on its Living Product Challenge Petal Certified carpet tiles by 105% for a net-positive impact on our waterways.

Better for our world means doing more to stop and reverse climate change.

Creative Spark is Living Product Challenge Petal Certified, for a net-positive impact in both carbon and water. We create these tiles in Glasgow, Virginia, at our Living Site facility using our ColorStrand solution-dyed nylon fiber and EcoFlex™ Matrix backing.

EcoFlex™ Matrix

BACKING

Using advanced materials and patented engineering, EcoFlex Matrix reduces environmental impact, simplifies floor preparation and installation, greatly reduces sub-floor moisture concerns, and is easier to ship and handle.

LIVING PRODUCT CERTIFICATION

Produced at our Living Site, Creative Spark is Net Positive for both carbon and water and achieves Petal Certification from the International Living Future Institute by complying with multiple imperatives of all seven petals.

SEAMLESS TRANSITIONS

Creative Spark does not require transition strips when used with any of our 2.5 mm LVT products, reducing installation time and costs.

FLEXLOK+

FLEXLOK+ ADHESIVE TAB

FlexLok is a worry-free, fume-free, fast and flexible adhesive tab for installing modular carpet on any substrate, including wood, VCT and concrete. The environmentally-friendly FlexLok system is CRI Green Label Certified, Declare Red List Free, and virtually eliminates VOCs.

FIBER

With the design flexibility and color intensity of solution-dyed fiber, ColorStrand fiber delivers unsurpassed colorfastness to light, atmospheric contaminants, and harsh cleaning agents.

NET-POSITIVE IMPACT

All of our flooring products go Beyond Carbon Neutral, meaning they are 100% carbon neutral plus an additional 5% carbon offset for a Net-Positive impact.

ADDITIONAL FEATURES

- Lifetime Limited Carpet Tile Warranty
- LEED, WELL & LBC Eligible
- Declare Red List Free
- CRI Green Label Plus
- NSF 140 Gold

Specifications

Creative Spark (BT426)

DESIGN

Size	24 in x 24 in (.6096 m x .6096 m)
Surface Appearance	Level Loop
Fiber Type	ColorStrand® SD Nylon
Dye Method	Solution Dyed
Colors Available	32

PERFORMANCE

Construction	Tufted
Gauge	1/10" (39.37 rows per 10 cm)
Stain Release Technology	EcoSentry Plus Stain Protection
Soil Release Technology	EcoSentry Soil Protection
Backing Material	EcoFlex Matrix
Flammability	(ASTM E 648) Class 1 Glue Down
Smoke Density	(ASTM E 662) < 450
Static Propensity	(AATCC - 134) < 3.5 KV

SUSTAINABILITY

Certification	Living Product Challenge Petal Certified; Declare Red List Free

Installation Instructions:

Mohawk Group warrants its adhesives for the life of the original installation only when a Mohawk Group style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. The use of Mohawk branded adhesives is required to ensure optimum results and are the only approved adhesives warranted by Mohawk. Please contact your local Sales Representative for installation guidelines.

Mohawk Group is providing this architect folder for the purpose of promoting our commercial business. This folder and its samples shall remain the property of Mohawk Group. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations.

For current and complete specifications please visit www.mohawkgroup.com

These patterns contain inherent characteristics which may result in pattern run off and/or pattern appearance variations at the seams or tile edges (darker or lighter pattern lines). These characteristics are inherent in the patterns and are not manufacturing defects. Consideration to these characteristics should be given when selecting an installation method.

Chair pads are recommended under office chairs with roller casters to preserve appearance retention, act as a deterrent toward delamination and to prevent premature or accelerated wear. Walk-off tiles from the Tuff Stuff II Collection are recommended at entryways to reduce soiling.
