# Molveno Reserve

Delivering serene sophistication, Molveno Reserve is inspired by the natural majesty and peacefulness of Molveno, Italy, a spectacular resort town nestled between a crystal-clear alpine lake and the Dolomites.

Molveno Reserve features a range of contemporary wood designs that bring the soothing ambiance of nature indoors. Each plank is embossed in register, matching the surface texture to the visual in order to provide an incredibly realistic look and feel. Enhancing the design, Molveno Reserve's rigid click LVT platform also features an attached pad for greater acoustic comfort.

Like the natural wonderland for which it's named, Molveno Reserve turns any space into a luxurious retreat for the senses.
