

SCENTSTOP

PERFORMANCE
ACCESSORIES

The perfect finish for any floor.

ELIMINATES ODORS AT THE SOURCE

Up to 80% of existing odors remain in the home after the removal of old flooring. Many odors linger within the actual subfloor.

The most common sources of odors:

- Pet Accidents
- Mold & Mildew Odors from Leaky Doors & Windows
- Malfunctioning & Leaky Appliances
- Smoke Odors
- Food Spills

THE VALUE OF SCENTSTOP

Eliminate Odors at the Source

Bio-engineered with beneficial bacteria and enzymes, ScentStop neutralizes the source of household odors so they won't resurface.
