Terms and Conditions

- This limited warranty only covers the flooring under normal residential use when Quick-Step installation and maintenance instructions are followed properly.
- This warranty only applies to inherent defects that were not visible before or during the installation of the flooring.
- Flooring planks or accessories must be checked carefully for material defects before and during installation under sufficient lighting. Installation indicates acceptance of quality.

Exclusions

- These limited warranties do not cover damage to the flooring that occurs during shipment or installation.
- Installation of flooring that contains any obvious or visible manufacturing defect is not covered by these limited warranties
- Color and gloss differences resulting from material added to an existing installation at a later date or from non-warranty repairs are excluded from coverage.
- These limited warranties do not apply to flooring that has been subjected to abnormal use or conditions or abused in any way, which includes, but is not limited to, moisture damage from plumbing, storms, or flooding; damage from smoke, fire, or other casualty events; damage caused by negligence; improper alterations of the original manufactured product; damage from use of the flooring that is unreasonable considering the normal and expected uses of flooring in a residential environment; or damage of mechanical nature.

Wear Resistance Warranty *(All Quick-Step Products)*

As a result of normal use, the protective layer will not wear through to the wood veneer or decorative layer.

Terms and Conditions

- Gloss change is not considered surface wear.

- In beveled-edge products, this wear resistance warranty does not include wear along the edges of the planks less than 3/16 of an inch (5 mm) from the edge.
- Refinishing the flooring voids the wear resistance warranty.
- Wear of the hardwood or design layer must be readily visible, covering at least one square inch.
- Chair pads or mats must be used under caster chairs.

General Stain Warranty *(All Quick-Step Products)*

Quick-Step warrants to the original buyer that the flooring will not stain under normal household use for the specified duration.

Terms and Conditions

- This warranty does not apply to stains as a result of chemical or industrial products other than recommended cleaning products.
- This warranty excludes pet stains.

Fade Resistance Warranty

(All NatureTEK and Quick Step Studio Products)

The flooring will not fade from exposure to sunlight or artificial light for the specified duration.

Hardwood Structure Warranty *(All EverTEK Products)*

Quick-Step warrants that the flooring will resist ply separation for the specified duration under normal residential use when properly installed and maintained in accordance with Quick-Step instructions.

Terms and Conditions

- Quick-Step products are not warranted against squeaking, popping, or cracking.
- Hardwood is a natural product and may exhibit naturally occurring variations in grain and color, mineral streaks, and knots. The installer must use reasonable selectivity and hold out or cut off objectionable blemishes prior to installation.

Wet Warranties

Waterproof Warranty *(All NatureTEK Select and Quick-Step Studio Products)*

The flooring system will resist damage from normal topical and household spills and domestic household pet accidents under normal use for the specified duration. The flooring will also withstand moisture from damp or wet mopping.

Terms and Conditions

- Damp or wet mop only. The flooring is not designed for steam mopping.
- See General Wet Warranty Terms and Conditions for additional information regarding this Waterproof Flooring System Warranty.

WetProtect Warranty *(All NatureTEK Plus and EverTEK Products)*

WetProtect is a no-exclusions wet warranty that covers damage from all common household spills, domestic household pet accidents, and damp and wet mopping. In addition, the coverage includes damage to both the flooring and subfloor from topical moisture for the life of the product.

Terms and Conditions

- "Subfloor damage" is defined as visible damage to the surface of a concrete or wood subfloor, including mold or mildew growth and rot or decay caused by topical moisture leaking through the joint system.
- In all cases, subfloor damage must be the result of topical moisture leaking through a properly installed joint.
- See General Wet Warranty Terms and Conditions for additional information regarding this WetProtect Warranty.

Steam Mop Warranty *(All NatureTEK Plus and EverTEK Products)*

A residential steam mop may be used, provided the steam is applied to a microfiber pad and not applied directly to the floor.

Terms and Conditions

- Make sure to set the temperature of the steam mop to the appropriate setting for wood floors, or to the lowest setting.
- Steam mop in the length direction of the planks only.

General Wet Warranty Terms and Conditions

Unless otherwise specified, topical spills refer to normal household substances. All spills should be removed promptly using a clean dry or damp cloth. If additional cleaning is necessary, use Quick-Step recommended products and a microfiber cloth.

- These warranties are contingent on proper care and maintenance. Please refer to Quick-Step's Care and Maintenance section for full instructions.
- These warranties are contingent on proper installation. Please refer to Quick-Step's Installation Guide for full instructions.
- Complete waterproof coverage requires the perimeter of the floor to be sealed in accordance with the product's installation instructions. Waterproof and WetProtect warranties do not apply to damage at an unsealed perimeter, including, but not limited to, leaks, spills, pet urine, wet mopping, or steam mopping.
- If you choose to forego perimeter sealing and damage occurs in areas of the floor unassociated with the unsealed perimeter, the damage will remain fully covered by the Waterproof and WetProtect warranties.
- The flooring is not designed to withstand flooding, acts of God, plumbing accidents, or leaking appliances (*icemakers, dishwashers, clothes washers, etc.*). These and other casualty events are not considered topical spills.
- The flooring is not designed to withstand water or moisture in the subfloor or underneath the flooring, including, but not limited to, damage from subfloor hydrostatic pressure (*water or moisture under the floor that is transmitted to the surface through exerted pressure*) or other conditions that result in water or moisture beneath the flooring.
- The flooring is not designed to withstand damage from moisture that originates from outside the room where it was installed.
- Consequential damages, including any medical issues related to mold or mildew growth, are not covered by this warranty.
- For residential warranty claims involving subfloor damage, Quick-Step will cover reasonable labor costs to clean visible mold and mildew growth using industry standard methods.
- For residential claims involving wood subfloor damage, Quick-Step will cover reasonable labor and materials costs to repair or replace only the damaged sections of subfloor.

Pet Protection

Pet Stain Protection *(All NatureTEK Select, NatureTEK Plus, EverTEK and Quick-Step Studio Products)*

Pet stain protection covers all pets and all accidents for the specified duration. The flooring will resist staining from the vomit, urine and feces of all domestic pets. Please refer to the attached Warranty Chart for precise duration of coverage listed by product line.

Pet Scratch Protection *(All NatureTEK Select and NatureTEK Plus Products)*

Our Pet Scratch Protection Warranty is built on cutting-edge scratch technology, specifically engineered to withstand the playful paws of your beloved pets. These products have been tested and guaranteed to resist pet scratches throughout the entire warranty period. This promise is supported by a hassle-free warranty with no hidden clauses or long list of exclusions. The terms of this warranty are simple. If your domestic pet leaves a scratch on your protected flooring, we will replace the affected planks without hesitation. A "pet scratch" is simply defined as any loss of the design layer, visible from standing height under typical household lighting, which was caused by your pet's nails. While we stand by the exceptional durability of our floors, it is essential to acknowledge that no surface can be deemed completely impervious to scratches. We advise taking appropriate precautions when dealing with heavy or sharp objects, as they can inflict severe damage to any flooring if not handled with care. For a comprehensive guide on preventing non-pet-related damage, please refer to the Care and Maintenance section of this warranty.

Antimicrobial* Warranty *(All EverTEK Plus Products)*

Antimicrobial-protected flooring is effective against certain common bacteria that cause stains, odors, and product degradation. The antimicrobial product protection will not be removed by proper care and cleaning.

*Antimicrobial flooring is not designed to protect users from disease-causing bacteria.

Terms and Conditions

- Antimicrobial product protection is limited to the top surface of the product only.

- *Antimicrobial flooring is not designed to protect users from disease-causing bacteria.
- Quick-Step disclaims liability for any sickness or death caused by microbes on the flooring surface or any associated medical or other expenses.
- In the event of a warranty claim, Quick-Step may inspect the product and determine the extent to which the protection has been diminished.

QUICK-STEP LIMITED COMMERCIAL WARRANTY

Commercial Warranties

Limited Light to Medium Commercial Warranty *(All Quick-Step Products)*

When installed properly within a light-to-medium commercial environment, the flooring is warranted against manufacturing defects, wear, and staining in accordance with all previously stated terms and conditions. Refer to relevant sections for details and see the Warranty Chart for specified Commercial Warranty duration.

Light to Medium Commercial Fade Warranty *(All NatureTEK and Quick Step Studio Products)*

The flooring will not fade from exposure to sunlight or artificial light.

Terms and Conditions

- These commercial warranties apply only to the original purchaser.
- These commercial warranties apply only in areas listed in the application chart below.
- Rolling traffic or heavy traffic is excluded from these warranties. Chair pads must be used under all caster-wheel chairs.

All areas must be assessed prior to installation of flooring to determine if other surface measures need to be taken or conditions addressed, including, but not limited to, requirements for static control, state health and building codes, slip resistance, high-impact traffic, and moisture/water exposure. Other than the specific warranty identified above, Quick-Step provides no additional warranties and Quick-Step does not warrant that any of the uses below are in compliance with any applicable building, health, inspection, and/or other municipal regulation or codes. Quick-Step is not responsible for usage that is not in compliance with any regulation or code. Proper assessment of location and usage must be applied. Contact your Quick-Step representative for questions on performance in specific locations.

CARE AND MAINTENANCE

Although our floors are designed with easy care in mind, all floors require routine care and preventative maintenance for sustained beauty and performance. The recommendations in this section are provided in accordance with guidelines required to maintain the coverage of these limited warranties and will prolong the life of the installed flooring.

Preventative Maintenance

Exterior Mats

- Place exterior mats outside all exterior entrances.

- Exterior mats should be constructed of dual fibers: soft fibers capable of absorbing moisture and coarse fibers to remove dirt and grime from shoe soles.
- To allow time for cleaning, purchase two sets of exterior mats. Place one set at all exterior entrances to reduce the amount of dirt, grit, and moisture tracked into the home. When it's time for cleaning, remove the soiled set and immediately replace with the fresh set.
- Cleaning mats routinely prevents them from becoming a soil source.

Interior Mats

- Place interior mats inside all exterior entrances to capture any residual dirt, grit, or moisture missed by exterior mats.
- These mats should be constructed of an absorbent fiber with a breathable, nonstaining back.
- Remember to routinely clean both sides of interior mats so they don't become a secondary source of soil, and also clean underneath to prevent soil and grit from becoming trapped and dulling the finish of the flooring.
- Do not use rubber mats, which may stain the floor or trap moisture underneath the mat.

Furniture

- Use nonstaining felt or plastic floor protectors at least one inch in diameter under furniture and covering the part resting on the flooring.
- Chair casters should be rubber, not plastic or metal. Chair pads should be used under furnishings and equipment with casters.
- Routinely clean casters to remove grit.
- Lay plywood over the floor to avoid dents and gouges and use a furniture dolly when moving heavy appliance

Other Preventative Measures

- Keep pet nails trimmed to minimize scratches.
- Protect flooring from spiked heels, athletic shoes, or shoes in need of repair.
- Routinely clean vacuum parts and periodically inspect for foreign objects.
- Close window treatments during hours of direct sunlight and minimize excessive lighting whenever possible to protect floor.

- Exercise caution when placing area rugs over floors with radiant heating. Rugs may increase flooring temperatures beyond recommended levels and void the warranty.

Routine Care

The amount of daily usage will determine how often cleaning is required.

Day-To-Day Cleaning

- Dust mop, sweep, and/or vacuum the floor regularly to remove any particles that could scratch the floor.
- **WARNING:** Vacuums with a beater bar or power rotary brush head should never be used on wood products.
- Use vacuum tools designed for hard surfaces.
- Use a microfiber mop for dust mopping. Pay close attention to mop head. Once soiled, replace with a fresh one. Launder soiled mop heads without fabric softener. Fabric softener residue may cause streaking on the floors.

Occasional Cleaning

- Never damp mop wood products unless they are covered by a Wet Resistance Warranty or greater wet warranty.* If flooring product allows, occasionally damp mop with water only.
- Never wet mop wood products unless covered by a Waterproof or WetProtect Warranty.* If flooring product allows, occasionally wet mop with water only, using a well-wrung-out mop.
- If needed, use 1 cup of vinegar per gallon of water OR 1/3 cup non-sudsing ammonia per gallon of water.
- Never steam mop wood products unless they are covered by a Steam Mop Warranty.*
- Flood mopping is never recommended since mop water may damage flooring and leave spots.
- Do not pour liquid directly on the floor or use an excessively wet mop.
- Do not allow liquid to puddle or leave moisture standing on the floor.
- Allow floor to dry completely before replacing interior mats.

*NOTE: See Wet Warranties section for details.

Cleaning Spills

- Remove spills promptly. Do not allow topical moisture to remain on the floor.

- Immediately use an absorbent cloth to remove as much of the liquid as possible.
- Mist a clean microfiber cloth with a Quick-Step recommended cleaner, if needed, and rub the area, working from the outside of the area toward the center.
- Take care to wipe the surface thoroughly.
- To reduce spotting, do not allow liquids to stand or remain on the surface of the flooring.

Spot Removal

- Immediately use a microfiber cloth and a Quick-Step recommended cleaner, if needed, working from the outside of the stain toward the center.
- Take care to wipe the surface thoroughly.
- To reduce spotting, do not allow liquids to stand or remain on the surface of the flooring.

Products and Tools to Avoid

- Do not use oil soaps, wax, detergents, abrasive cleaners, polishes, surfactants, or other household products to clean the floor.
- Vacuums with a beater bar or power rotary brush head should never be used on wood flooring.
- Never use power scrubbers to clean the floor.

PRORATION

Unless otherwise specified, these limited warranties for wood products are prorated, meaning the original warranty value is reduced relative to the length of ownership.

For the first three years, regardless of warranty length, the flooring is covered at full value. Beginning in the fourth year, the warranty value is decreased by a fraction based on the remaining years. See examples below.

FILING A CLAIM

Our wood products are engineered to provide years of durable service. In the unlikely event of a claim, notify the distributor or retailer in writing. To qualify for repair or replacement, the buyer or installer must provide the original dated sales receipt or other documentation to demonstrate proof of purchase. The following terms and conditions will apply.

Visual Defects

- For visible defects on uninstalled planks, the owner or retailer has up to 30 days to file a claim.
- The distributor or retailer must be informed in writing of visible defects within 30 days. After this time has elapsed, no further complaints will be accepted.

All Other Defects

For all other defects not visible at the time of installation, claims may be made at any time during the stated duration of the warranty.

Replacement or Repairs

Wood product replacements may slightly vary due to the natural aging and use of original wood product. At its option, Quick-Step will repair or replace any defective planks during the specified warranty period.

- Terms and proration of these warranties will be dependent on original date of purchase.
- Upon approval of the warranty claim, Quick-Step will provide the owner or installer with instructions for repairs or replacement. The owner or installer must comply with Quick-Step instructions within ninety (90) days after the claim is approved, or all rights under the limited warranty will be deemed waived.

INFORMATION

- If the product design for which a claim is made is no longer available, Quick-Step will replace the affected floor materials with another design of equal or greater value at Quick-Step's discretion.
- If Quick-Step, in its sole discretion, determines that such repair or replacement is not reasonably achievable, Quick-Step may choose to refund the purchase price of the affected flooring.
- At its option, Quick-Step will cover reasonable labor costs for replacement of repairs if the original product was professionally installed.
- The above remedies are the sole and exclusive remedies for claims on all products. There will be no other form of compensation.
- These limited warranties offer specific legal rights, which may vary from state to state.
- Responsibility under this warranty only applies to defects that were not visible before or during the installation of the product. If the product was originally professionally installed, Quick-Step will cover reasonable labor costs for any defective product.

NO IMPLIED WARRANTIES / SPECIAL DAMAGES

ALL IMPLIED WARRANTIES WHICH MAY ARISE BY IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE—INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE—ARE EXPRESSLY EXCLUDED. NO WARRANTIES—EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE—EXTEND BEYOND THOSE EXPRESSLY SET FORTH IN THIS WARRANTY BROCHURE, AND ALL SUCH WARRANTIES ARE EXPRESSLY DISCLAIMED. Implied warranties are ones that the law presumes to have been given by the seller even though they are not set out in writing.

PLEASE NOTE: Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you.

QUICK-STEP SHALL NOT BE LIABLE FOR AND WILL NOT PAY CONSEQUENTIAL, INCIDENTAL, OR SPECIAL DAMAGES OF ANY KIND WHATSOEVER UNDER THIS WARRANTY. Some states do not permit exclusion or limitation of incidental or consequential damages, so the exclusion or limitation may not apply to you. from state to state. Except for these rights, the remedies provided under these warranties state the entire limit of Quick-Step responsibilities.
