

TIMELINE:

- Official start date is America Recycles day – November 15
 - Final tallies due April 15
 - Winners announced on Earth Day – April 22
-

How does the Challenge work?

1. Schools compete against other schools in their category to collect the most plastic film.
2. A school volunteer weighs and keeps record of the amount of film collected each month. (On average, a 30-gallon trash bag will hold about 650 plastic bags and weigh 6 lbs.)
3. A school volunteer takes the collected plastic to a participating retailer (see list)
4. Report collection amounts monthly to: (my.trex.com)
