

DELICIOUS COFFEE.
EXPERTLY ROASTED.

Whole bean specialty coffee.

A whole new reason to stop in.

The new Keurig® collection Eccellenza Momentum™
Bean-to-Cup Brewing System

Offers an exceptional variety of specialty drinks – cappuccinos, espressos, lattes, mochas and more – all ground, brewed, and delivered at the touch of a screen.

Pairs perfectly with
premium Green
Mountain Coffee
Roasters whole
bean coffee.

The 18oz whole bean
coffee bag format is
optimized for freshness
and designed to prevent
coffee staleness with daily
hopper refills.¹

32%

of millennials consume
an espresso-based
beverage each day.²

Cappuccinos and lattes
are the most consumed
specialty coffee
types away from home.³
