When schedules are tight, work days are long and drywall is imperfect, choose Builders Solution® Interior Acrylic Latex.

Excellent Touch-Up Featuring  
AccuTouch™ Technology

Easy Application

Enhance Durability

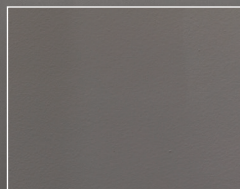

### Competitive Latex Flat

Even with correct application, the touch-up is clearly visible.

### Builders Solution®

The touch-up is smooth and virtually invisible.

## Builders Solution® Interior Acrylic Latex

Forgiving application and excellent coverage mean anyone on your crew can easily achieve an attractive, uniform finish.

#### Easy Application

Makes work easier for both new and experienced painters so you can get more done in a day.

#### Save Time and Money

For Flat and Matte sheens, our AccuTouch™ Technology allows you to repair minor scuffs and scrapes without full repaints.

#### Reduce Callbacks

Step up in durability reduces the need to touch-up after application.

#### Fewer Job Delays

Robust coating in hot and cold applications means you don't need to delay work.
